Short-Term Rental, Long-Term Wealth Avery Carl, 2021-10-12 From analyzing potential properties to effectively managing your listings, this book is your one-stop resource for making a profit with short-term rentals! Airbnb, Vrbo, and other listing services have become massively popular in recent years--why not tap into the goldmine? Whether you're new to real estate investing or you want to add a new strategy to your growing portfolio, vacation rentals can be an extremely lucrative way to add an extra income stream--but only if you acquire and manage your properties correctly. Traditional rental properties are a great way to create wealth, but short-term rentals can bring in five times more cash flow than their long-term rental counterparts. Avery Carl, CEO and Founder of the Short Term Shop, will show you how to identify, acquire, and manage a short-term rental from anywhere in the country, plus how to avoid common pitfalls and overcome limitations that keep many would-be investors from ever getting started! In this book, you'll learn how to:
Identify the best markets for short-term rental investing
Analyze the potential income and profitability of a short-term rental property
Self-manage a short-term rental right from your smartphone
Build a local boots-on-the-ground team for an out-of-state investment
Automate your self-management systems
Use the income from short-term rentals to scale your investment portfolio

The Book on Rental Property Investing Brandon Turner, 2015-10-28 With more than 350,000 units sold worldwide, this fan-favorite will show you every strategy, tool, tip, and technique you need to become a millionaire rental property investor.

The Book on Managing Rental Properties Brandon Turner, Heather Turner, 2015-10-28 No matter how great you are at finding good rental property deals, you could lose everything if you don't manage your properties correctly! But being a landlord doesn't have to mean middle-of-the-night phone calls, costly evictions, or daily frustrations with ungrateful tenants. Being a landlord can actually be fun IF you do it right. That's why Brandon and Heather Turner put together this comprehensive book that will change the way you think of being a landlord forever. Written with both new and experienced landlords in mind, *The Book on Managing Rental Properties* takes you on an insider tour of the Turners' management business, so you can discover exactly how they've been able to maximize their profit, minimize their stress, and have a blast doing it! Inside, you'll discover: - The subtle mindset shift that will increase your chance at success 100x! - Low-cost strategies for attracting the best tenants who won't rip you off. - 7 tenant types we'll NEVER rent to--and that you shouldn't either! - 19 provisions that your rental lease should have to protect YOU. - Practical tips on training your tenant to pay on time and stay long term. - How to take the pain and stress out of your bookkeeping and taxes. - And much more!

Wise Rental Practices , 1980

Rental Style Chelsey Brown, 2020-05-19 The Must-Have Guide for Renters and Small-Space Dwellers *Rental Style*, which doubles as a decor piece and handy design guide, shows readers how to decorate and organize small, rented spaces on a budget. The book will cover all home development stages from searching for a rental home to decorating and organizing it. Many people are reluctant to design their spaces due to renter restrictions, which leaves homes bland and boring. *Rental Style* will erase that unease and demonstrate how you can

turn a rented space into a home using temporary, creative tricks that won't drive landlords crazy. Rental Style will demonstrate how to "renovate" a rental through clever design and budget-friendly tips and hacks on the following topics: Beating the stress of finding a home Items to switch out when moving into a rental Furniture to invest in when living in a small home Decorating to maximize small spaces Myths many renters believe Removable products meant for renters Incorporating more seating into your smaller home Combating limited storage Ways to "renovate" a rental kitchen Hosting in a very small home And more! The budget and time-friendly tools, tips, and advice in this book will give readers the ability to stand out among the rest and revamp their rental spaces!

Rents, Rent-Seeking and Economic Development Mushtaq Husain Khan, Jomo Kwame Sundaram, 2000-09-07 The concepts of rents and rent-seeking are central to any discussion of the processes of economic development. Yet conventional models of rent-seeking are unable to explain how it can drive decades of rapid growth in some countries, and at other times be associated with spectacular economic crises. This book argues that the rent-seeking framework has to be radically extended by incorporating insights developed by political scientists, institutional economists and political economists if it is to explain the anomalous role played by rent-seeking in Asian countries. It includes detailed analysis of Thailand, Malaysia, the Philippines, the Indian sub-continent, Indonesia and South Korea. This new critical and multidisciplinary approach has important policy implications for the debates over institutional reform in developing countries. It brings together leading international scholars in economics and political science, and will be of great interest to readers in the social sciences and Asian studies in general.

The Complete Guide to Your First Rental Property Teri B. Clark, 2016-11-30 You are ready to take the plunge and begin investing in your first rental property. Congratulations, but now what do you do? This completely revised edition will guide you step-by-step toward the financial success you desire, covering all the essential topics – property selection, tenant selection, marketing and advertising, credit verification, reference verification, lease agreements, deposits, rent, late notices, essential regulations in all 50 states, and more. This new edition features brand-new stories from real estate investors and landlords, helping you to learn from their mistakes while also leading you in the right direction. Investing in rental properties is one of the smartest investments you can make, allowing you to build equity, generate a steady return on your investment, and enhance your cash flow. For many people, rental property investing is an ideal part-time business, because your assets appreciate and your cash flow rises even when you are absent. This comprehensive book contains excellent sections on the many uses of the internet to run your business, noting the numerous websites that are available to you, often at little cost, to identify sound properties, lock in the best possible mortgage, market your properties, and manage your business online. In addition, this invaluable guide contains more than 25 forms that you will undoubtedly need to get your business up and running, including sample leases, rental contracts, application forms, and more.

Rents to Riches? Naazneen Barma, Kai Kaiser, Tuan Minh Le, Lorena Viñuela, 2011-12-08 This volume focuses on the political economy surrounding

the detailed decisions that governments make at each step of the value chain for natural resource management. From the perspective of public interest or good governance, many resource-dependent developing countries pursue apparently short-sighted and sub-optimal policies in relation to the extraction and capture of resource rents, and to spending and savings from their resource endowments. This work contextualizes these micro-level choices and outcomes.

Farm Tenure and Cash Rents in the United States Robert D. Reinsel, Bruce B. Johnson, 1970

Agricultural Rents in Theory and Practice, 1962 This report is a compilation of selected references concerning agricultural rents in the United States and Great Britain. The primary intent of the bibliography is to serve as an information reservoir for those who may have use for material pertaining to rent in theory and in practice. Such information may provide a valuable guide for further research on rent, and facilitate the exchange of ideas among researchers. It should also provide a basis of study that have been made over the last two centuries. No other such bibliography was found to exist.

Measuring and Apportioning Rents from Hydroelectric Power Developments Mitchell P. Rothman, 2000-01-01 Hydro resources are provided by nature. The exploitation of such resources can generate significant economic rent to the owners. In the past, governments have usually claimed ownership of hydroelectric resources and passed on the rents to their state-owned utilities, which have used them to expand their systems or provide lower tariffs to their consumers. With the restructuring of the electric power sector in many countries, a more explicit consideration of hydroelectric rents is required. Moreover, hydropower resources are often owned by more than one party, or at least require cooperation between parties to develop them. In this context, the measurement and apportionment of hydropower rents between cooperating parties becomes important. This paper addresses some of the issues involved in cooperative development of water resources, especially for hydroelectric generation. It promotes a better understanding of the sources of the benefits and attempts to derive an analytical basis for discussions between cooperating parties. This volume will be of interest to hydropower resource earning countries, hydropower developers, and Bank staff.

Lizzie McGuire: The 'Rents - Book #20 Alice Alfonsi, 2005-08-01 The 'Rents (Junior Novel #20): At school, Lizzie is assigned to read *The Orchids and Gumbo Poker Club*, which is about a mother and daughter's relationship. She loves the book and wants to get closer to her own mother. Mrs. McGuire is more than happy to spend time with Lizzie. They make pottery together and are best friends. But when Mrs. McGuire tells Lizzie things she doesn't want to know, like that her grandmother wants to leave her grandfather and that at one time Mr. McGuire had a tax mix-up, Lizzie wishes she could go back to being the kid. Can Lizzie strike the delicate balance between being her mother's friend and her daughter? Plus, Lizzie tries to make time to hang out with her dad.
