The Clearing Heather Davis, 2010-04-12 In this bittersweet romance, two teens living decades apart form a bond that will change their lives forever. Amy is drawn to the misty, mysterious clearing behind her Aunt Mae's place because it looks like the perfect place to hide from life. A place to block out the pain of her last relationship, to avoid the kids in her new town, to stop dwelling on what her future holds after high school. Then, she meets a boy lurking in the mist--Henry. Henry is different from any other guy Amy has ever known. And after several meetings in the clearing, she's starting to fall for him. But Amy is stunned when she finds out just how different Henry really is. Because on his side of the clearing, it's still 1944. By some miracle, Henry and his family are stuck in the past, staving off the tragedy that will strike them in the future. Amy's crossing over to Henry's side brings him more happiness than he's ever known--but her presence also threatens to destroy his safe existence. In *The Clearing*, author Heather Davis crafts a tender and poignant tale about falling in love, finding strength, and having the courage to make your own destiny--a perfect book to slip into and hide away for awhile.

The A.D.D Entrepreneur Matt Curry,2014-12-24 Matt Curry is a successful entrepreneur with A.D.D. In this book, he takes time to explore myths and truths of his A.D.D. experience. Here are some excerpts from the Introduction by Cameron Herold, author of the best-seller, Double Double: How to Double Your Revenue and Profit in Three Years or Less. -Entrepreneurs are different. We're wired differently. We're the 1%. To others, we're on the lunatic fringe, and to many, we're risk takers. However, when you get a group of entrepreneurs in a room together, we're pretty much all the same. One of the key traits that makes us who we are is that most of us suffer from Attention Deficit Disorder (A.D.D.). - Matt's book outlines some of the tips to leveraging A.D.D. And as all of us who have it know, we want the short cuts; we want the easy solutions. His book gives them to us. - You're an entrepreneur. Entrepreneurs are wired differently. Embrace that, and grow. Matt's book will give you the inspiration to do it. - Matt Curry has adopted the posture that, for him, A.D.D. is not a negative. In fact, he has embraced it. I've channeled my A.D.D. onto a positive track and used it to build businesses that have not only made a lot of money but have also made a lot of money for other people and made their lives better. And that's what this book is all about: how my off-the-wall A.D.D. tendencies inspired me to create and execute a set of proven principles for growing a successful business. Matt Curry, The A.D.D. Entrepreneur
