Rescue Team Candace Calvert, 2013-04-19 Tired of running from her past, nurse Kate Callison intends to become Austin Grace Hospital's permanent ER director and make Texas her home. Despite staff friction, she's moving ahead. Then unthinkable tragedy wraps the ER in crime tape, bringing swarms of media, legal chaos—and a search-and-rescue hero who seems determined to meddle in her life. For Wes Tanner, nothing beats finding someone who's lost; he's known that helpless terror firsthand. So he'll expand his team's lifeline of hope: K9 tracking, swift water rescue, even horse-mounted searches. He's ready for anything—except Austin Grace's prickly and dismissive ER director. As Kate and Wes discover more about each other, new respect becomes something deeper. Kate wonders if her heart might have finally found a home. Then an unsolved missing persons case—and a startling new one—become catalysts that threaten the loss of all she and Wes have found.

Cold Zero Christopher Whitcomb, 2008-11-15 Only 200 people have ever been in Christopher Whitcomb's elite branch of the F.B.I. The Hostage Rescue Team is its most highly trained and specialized squadron -- equivalent to the Navy's Seals and the Army's Delta Force -- charged with terrorist capture, hostage situations, and other large-scale emergencies in the U.S. and around the world. Whitcomb is the first HRT member ever to write about his experience. With breathtaking immediacy, Whitcomb describes the brutal training, the weapons and tactics, and the unbreakable camaraderie of the HRT. In short order, after joining HRT in 1991, Whitcomb was sent on missions to Ruby Ridge and Waco, and his frank assessment of those missions is must reading for anyone interested in modern law enforcement. Only rarely does a writer this accomplished have a life this dramatic. *Cold Zero* is a book of rare action and emotion, and one that introduces a remarkable new writer to the world.

After her parents move the family to a new town, all Evie wants is to help out in their new café. But nobody wants a kid—no matter how wonderful of a waitress they are—underfoot. And she does have an unfortunate habit of dropping, and spilling, and crashing! But, she also has a knack for super-fantastic dessert ideas that could win the best café contest—if only her dad and stepmom would listen! When her frustrated wish to help accidentally summons a group of fairytale princesses right out of a storybook, Evie finds herself busy fending off their well-meaning attempts to “rescue” her. Agents of HEART? More like agents of chaos! ...she's keeping the puppy though. In the first book of a new series by *Spy Penguins* author, Sam Hay, Evie learns that new friends, a good book, and a lot of heart are all the ingredients she needs for her own happily ever after.

San Gorgonio Search and Rescue Team Bob Blanck, Bob Lehmann, 2008-05-05 In February 1958, a tragic climbing accident occurred on Big Falls, in Forest Falls, California, resulting in the death of a 13-year-old boy. Rescue attempts were futile because there were no experienced personnel or climbing equipment available. As a result of this unfortunate tragedy, the San Bernardino County Sheriff's Department spearheaded a recruitment of volunteers, forming the county's first mountain search and rescue team. Since that time, the San Gorgonio Search and Rescue Team has performed thousands of searches, rescues, and body recoveries. The organization is the oldest of its kind in San Bernardino County and is proud to have second-generation team members. This book tells the story of these dedicated volunteers through photographs taken by team members and through the stories retold by those who were there.

**Animal Rescue Team: Gator on the Loose!** Sue Stauffacher, 2011-05-10 Meet the Carters: Mr. and Mrs. Carter, 10-year-old daughter Keisha, five-year-old Razi, baby Paolo, and Grandma Alice. Together, they run Carters' Urban

Rescue, the place you call when you've got an animal where it shouldn't be. In their first adventure, there's a baby alligator at the city pool, which will seriously interfere with opening day, especially Keisha's cannonball practice. So it's up to the whole family to figure out what to do with the poor guy who has no business hanging around Michigan. Luckily for all of them, and thanks to some serious ingenuity from Keisha, the answer is closer than they ever could have imagined. Sue Stauffacher turns to her first series effort with *Animal Rescue Team*. With compelling plots based on actual events in her community, Sue has created a lovable cast of characters of boys and girls, young and old, who feel like people you'd meet at your neighborhood block party. Written in an accessible and engaging style meant to appeal to those independent readers looking to be excited and entertained, and with subplots about friendship, siblings, the environment, and animal conservation, along with plenty of humor, these will be a hit with teachers and librarians, and parents, as well as kids themselves.
