The Rescuer Jason Sautel,2020-09-01 He helped save people every day—but he had no idea how to save himself. Jason Sautel had it all. Confident in his abilities and trusted by his fellow firefighters, he was making a name for himself on the streets of Oakland, California. His adrenaline-fueled job even helped him forget the pain of his childhood—until the day he looked into the eyes of a jumper on the Bay Bridge and came face to face with a darkness he knew would take him down as well. In the following months, a series of traumatic emergency calls—some successful, others impossible-to-forget failures—drove Jason deeper into depression. Even as he continued his lifesaving work, he realized he could never rescue everyone, and he had no idea how to save himself. In the end, Jason was forced to confront the truth: only the relentless power of love could pull him back from his own deadly fall. Action-packed, spiritually honest, and surprisingly romantic, *The Rescuer* transports readers inside the pulse-pounding world of firefighting and into the heart of a man who needed to be broken before he could finally be made whole.

The Book Rescuer Sue Macy,2019-10-01 Recipient of a Sydney Taylor Book Award for Younger Readers An ALA Notable Book A Bank Street Best Book of the Year “Text and illustration meld beautifully.” —The New York Times “Stunning.” —Kirkus Reviews (starred review) “Inspired...[a] journalistic, propulsive narrative.” —Publishers Weekly (starred review) “The story comes alive through the bold acrylic and gouache art.” —Booklist (starred review) From New York Times Best Illustrated Book artist Stacy Innerst and author Sue Macy comes a story of one man’s heroic effort to save the world’s Yiddish books in their Sydney Taylor Book Award-winning masterpiece. Over the last forty years, Aaron Lansky has jumped into dumpsters, rummaged around musty basements, and crawled through cramped attics. He did all of this in pursuit of a particular kind of treasure, and he’s found plenty. Lansky’s treasure was any book written Yiddish, the language of generations of European Jews. When he started looking for Yiddish books, experts estimated there might be about 70,000 still in existence. Since then, the MacArthur Genius Grant recipient has collected close to 1.5 million books, and he’s finding more every day. Told in a folkloric voice reminiscent of Patricia Polacco, this story celebrates the power of an individual to preserve history and culture, while exploring timely themes of identity and immigration.

Rescuer Mindset Michael Aloia,Brian P. Pasquale,Pamela Aloia,2011-02-01 *Rescuer Mindset* has been written as the initial first steps to achieving a confident mental state by exploring the mind, body and spirit connections. This book helps the individual become more aware of others and themselves, and offers techniques to begin developing a positive, unstoppable mindset. Though geared towards those who work as Public Safety Professionals: EMS, Police, Firefighters, *Rescuer Mindset* can be easily applied to any walk of life, employment and/or situation. The concepts are universal and interchangeable. It will then be possible for the individual to adopt these doctrines as part of their everyday life as a means to accomplish and attain what they so desire.

The Rescuer Joyce Carol Oates,2012-12-26 Lydia is a graduate student in cultural anthropology—a fellow at a prestigious university, with a bright future ahead of her. Harvey, her brother, is a seminary student driven by his god-besotted studies. The two have never shared much of anything except a mutual desire to escape the stifling confines of the home they grew up in and the parents they left behind. But when Lydia's estranged parents call her to say Harvey has mysteriously dropped out of seminary, Lydia begrudgingly sets out to rescue him—though the dark path into Harvey's new world leads Lydia herself through a threatening terrain of addiction, sexuality, and violence. An astute, insightful, and mordant examination of faith, family, and sibling ties, *The Rescuer* is Joyce Carol Oates at her best.

The Rescuer Jordan Ford,2021-06-16 He agreed to a trip into the wilderness for a chance to win her heart. What he didn't count on was a chilling murder and a race for their lives. Jake: Carmen is the woman for me. I've known it for months now. There's only one major problem... she's with another guy. But he's so wrong for her, and this trip is going to be my chance to show her that. She invited me, that has to mean something. All I need to do now is get her alone for a few minutes so I can tell her how I really feel. But then a living nightmare happens—we witness a murder. And now we're on the run for our lives. Carmen and I are finally alone, just the way I was hoping... but not like this. There's no time to tell her how I feel when all that matters is keeping her alive. I'll do whatever it takes to make sure she gets out of this. My grandpa told me that there's no greater love than to give your life to rescue someone else. I'd give my life for Carmen. All I can hope is that I won't have to...that I'll be smart enough, brave enough, to get us both out of this vast forest before the killers can eliminate all evidence of their crime. *The Rescuer* is the fourth standalone book in a thrilling YA romance series. The Rescuers Margery Sharp,2011-12-21 The classic children’s fantasy of two mice on a mission to save a Norwegian poet—and the inspiration for the beloved 1977 animated Disney movie. “Miss Sharp’s delicate and sophisticated humor is good fun for wise children from age 10 to 100.” —Los Angeles Times Miss Bianca is a white mouse of great beauty and supreme self-confidence, who, courtesy of her excellent young friend, the ambassador’s son, resides luxuriously in a porcelain pagoda painted with violets, primroses, and lilies of the valley. Miss Bianca would seem to be a pampered creature, and not, you would suppose, the mouse to dispatch on an especially challenging and extraordinarily perilous mission. However, it is precisely Miss Bianca that the Prisoners’ Aid Society picks for the job of rescuing a Norwegian poet imprisoned in the legendarily dreadful Black Castle (we all know, don’t we, that mice are the friends of prisoners, tending to their needs in dungeons and oubliettes everywhere). Miss Bianca, after all, is a poet too, and in any case she is due to travel any day now by diplomatic pouch to Norway. There Miss Bianca will be able to enlist one Nils, known to be the bravest mouse in the land, in a desperate and daring endeavor that will take them, along with their trusty companion

Bernard, across turbulent seas and over the paws and under the maws of cats into one of the darkest places known to man or mouse. It will take everything they've got and a good deal more to escape with their own lives, not to mention the poet. Margery Sharp's classic tale of pluck, luck, and derring-do is amply and beautifully illustrated by the great Garth Williams.

The Dog Rescuers Joni Wilson, 2019-08-13 Smack dab in the middle of America, Kiddo, a 'scruffy' commitment-phobic mutt searches for his next 'unsuspecting human' to train as a bona fide dog rescuer. As he pretends to be lost, he gets a 'scruffy' mismatched kid named, Abby, to take him in. It is love at first sight, as they find common ground in being...scruffy, but there is a much deeper plan. Kiddo, kicks into gear his gift of telepathically sending messages to all the dogs in the neighborhood who are lost and confused, sad and abused, who need to be rescued. Before long, Abby has no idea why she has an eclectic group of dogs under her charge, including Zeus, the benevolent Great Pyrenees. She naturally falls in line and begins to find them homes, thus simultaneously fulfilling Kiddo's secret 'Master Plan, in training a human to find them 'Masters. Abby, often bullied by the neighbor kids, attracts the attention of Luke, the coolest kid in the neighborhood. Together, they join an alliance and begin a fantastic journey of finding purpose, hope, courage, friendship, and generosity, because anything is possible with the love of a great dog! The reader is brought into two parallel worlds as both human and canine deal with life challenges. They learn they are not that different after all. In the end, we ask, are the humans really doing the rescuing or does this secret world of doggie communication, expose that all along it was a ruse to rescue humans. Every character has their own song, written by Joni and some of Nashville's top songwriters, on the interactive website www.thedogrescuers.net. The Making of a Rescuer Nicholas Campbell Corff, 2012-11-26 This is a book about the making of a hero - a rescuer. There are few of us that can claim to be bigger-than-life heroes, but surely the story of Dr. Otto Trotts life is the story of one of these. Because of his existence many lives have been saved or improved, human suffering has been reduced, and the world is a better place. What greater statement can be made about a person? A hiker sees the beautiful blue of a mountain gentian just off the trail and stops to capture the image through a snapshot, but in seeking a slightly wider angle steps back -- in a flash the hiker lies injured amid the rocks. A snowboarder searches for untouched powder snow, but finds a cliff instead. A small plane has engine trouble and glides steeply toward a mountain meadow. An early snowstorm catches two climbers exposed in the high alpine. An avalanche buries a foolish snowmobiler trying to make the highest mark on the side of snow-covered slope. An older gentleman has a heart attack far from his city hospital. Its quite possible and even probable that what all of the above have in common is Dr. Otto Trott. He co-founded the search and rescue organization that seeks out the injured and carries them down from the mountains, he pioneered the medical treatments that will be used for hypothermia and frostbite, he introduced advanced European methods of climbing as well as the identification of avalanche danger areas and the systematic search for and rescue of accident victims. Most importantly, Otto taught generations of others to follow in his footsteps. As Lou Whittaker, the renowned mountain guide states, This book is a must for anyone who seeks the mountains and their reward. Dee Molenaar the acclaimed mountaineer, artist and writer, says that this treatise is long overdue, while the legendary high altitude premier climber Jim Wickwire writes that Nicholas Corff has brought to life the fascinating story of Otto Trott There is no question that Dr. Otto Trott was one of those few men who was a legend in his own time, but he always remained a man of great empathy as well as skill who sought to relieve suffering, improve the safety of the outdoors and protect the mountain environment he so loved. In his long and adventuresome life he overcame great loss with courage and perseverance, and ultimately was the recipient of many awards including the Jefferson Award. Along with the text there are over 250 full page photos and illustrations.

Kiddo Trains a Rescuer: The Dog Rescuers Joni Wilson, 2023-03 What happens when kids and dogs form an unbreakable alliance? In the chapter-book series The Dog Rescuers, they go on a fantastic journey to find purpose, hope, courage, friendship, and generosity, and learn anything is possible with the love of a great dog! In a sleepy town smack dab in the middle of America, Kiddo, a 'scruffy' commitment-phobic mutt searches for his next 'unsuspecting human' to train as a bona fide dog rescuer. He convinces a 'scruffy' mismatched kid named Abby, and her cool neighbor, Luke, to rescue him. Her yard becomes Kiddo's secret site to launch his 'Master Plan' igniting his telepathic superpower of messaging down and out dogs to come and get helped by his new Dog Rescuers in training. The kids have no idea how or why dogs, like the benevolent Great Pyrenees named Zeus, mysteriously show up, and quickly wonder who is actually rescuing who!?

The Kid Rescuer Carl Holman,2001-05 Children are our world's greatest natural resources, for they are our leaders of tomorrow. It is up to us as parents, guardians and adults to lead, train, and educate our youth, and to prepare them for a better tomorrow. Yet, there are disturbing statistics which show a plight on our children's lives. The Bureau of Statistics show an alarming rise in the injury, abuse, drowning, suffocation by ingested objects, and motor vehicle accidents, resulting in death due to such causes. I believe my new book *The Kid Rescuer* will be a definite guide in reducing these life-threatening situations. It is a book that is specifically written to help in the prevention of the common avoidable child-related accidents that I mentioned above. I believe I have put together real life stories that will enlighten and alert both parent and child on how to educate themselves in a manner that they won't fall prey or victim to such tragedies. Yet, at the same time the characters in my book will entertain and captivate the hearts and interest of the family, to the point that it will make learning fun. My new book *The Kid Rescuer* has been written in human terms and in a reader-friendly language and illustrated in such a manner that even a child can appreciate and understand the message of safety first that I am trying to convey. It promises to be a valuable learning tool and an excellent form of entertainment. I believe my book will teach valuable lessons that will stay with our children throughout their lives, and in turn they will teach others.
