*A Companion to Adorno* Peter E. Gordon,Espen Hammer,Max Pensky,2020-02-25 A definitive contribution to scholarship on Adorno, bringing together the foremost experts in the field As one of the leading continental philosophers of the last century, and one of the pioneering members of the Frankfurt School, Theodor W. Adorno is the author of numerous influential—and at times quite radical—works on diverse topics in aesthetics, social theory, moral philosophy, and the history of modern philosophy, all of which concern the contradictions of modern society and its relation to human suffering and the human condition. Having authored substantial contributions to critical theory which contain searching critiques of the ‘culture industry’ and the ‘identity thinking’ of modern Western society, Adorno helped establish an interdisciplinary but philosophically rigorous study of culture and provided some of the most startling and revolutionary critiques of Western society to date. The Blackwell Companion to Adorno is the largest collection of essays by Adorno specialists ever gathered in a single volume. Part of the acclaimed Blackwell Companions to Philosophy series, this important contribution to the field explores Adorno’s lasting impact on many sub-fields of philosophy. Seven sections, encompassing a diverse range of topics and perspectives, explore Adorno’s intellectual foundations, his critiques of culture, his views on ethics and politics, and his analyses of history and domination. Provides new research and fresh perspectives on Adorno’s views and writings Offers an authoritative, single-volume resource for Adorno scholarship Addresses renewed interest in Adorno’s significance to contemporary questions in philosophy Presents over 40 essays written by international-recognized experts in the field A singular advancement in Adorno scholarship, the Companion to Adorno is an indispensable resource for Adorno specialists and anyone working in modern European philosophy, contemporary cultural criticism, social theory, German history, and aesthetics.
