Retirement Clock: Poems 5 Jim Bennett,

An Uncommon Guide to Retirement Jeff Haanen, 2019-05-07 What am I going to do with my retirement? People talk about retirement like it's supposed to be an endless vacation. But what if, like the majority of those facing retirement, you can't afford such a luxury? Or, what if you just want something more from retirement? Some advocate for no retirement at all. But you've worked for decades and a rest and reprieve do sound appealing. What should you do? Does God have a purpose for your retirement? Yes, He does. Learn how to discern what it is by taking an uncommon approach. Jeff Haanen looks biblically and practically at the need for rest and purpose in retirement. And teaches

you how to: Take a sabbatical rest in early retirement Listen to God's voice for their calling in retirement Rethink "work" in retirement Understand family systems and leaving a legacy Planning retirement doesn't have to be distressing. Retire in a way that's God-honoring, purpose-filled, restful, and truly biblical.

Rock Retirement Roger Whitney, 2017-10-03 “A guide for planning that rich season of life, based not just on money, but also on how to create meaningful relationships, memories, and legacy.” —Dan Miller, author of 48 Days to the Work You Love Rock Retirement offers inspirational advice on how to enjoy the journey to retirement to its fullest. Traditional retirement advice usually boils down to saving more, sacrificing more, and settling for less. This approach makes people dependent on

systems outside their control, such as the market, economy, and investment returns. The result: people lose power over determining their life. What sets Rock Retirement apart is its holistic approach to helping people take back control and act intentionally towards the life they want. It addresses the fears, hopes, and dreams that people have about retirement, goes way beyond the numbers, and shows them how to balance living well today and tomorrow. “Too many books think retirement is just about finances. Instead, retirement is about looking at life in full and working out what it is you want to do and then turning to finances to make it happen. That’s exactly the focus of the practical and helpful guide.” —Andrew Scott, coauthor of *The 100-Year Life* “Roger Whitney lays out a plan for today’s modern retiree. If you are exhausted with being fed that retirement is the end game of life, then Roger’s book is a must-read!” —Darryl W. Lyons, author of *18 to 80* “If you’re dreaming of a retirement free of worry, chaos and confusion, Rock Retirement will give you the clarity, a solid plan and fresh inspiration to help you get where you want to go.” —Jevonnah “Lady J” Ellison, author of *Love Letters for Leading Ladies*
