John Piper

Return of the God Hypothesis Stephen C. Meyer,2021-03-30 The New York Times bestselling author of Darwin’s Doubt presents groundbreaking scientific evidence of the existence of God, based on breakthroughs in physics, cosmology, and biology. Beginning in the late 19th century, many intellectuals began to insist that scientific knowledge conflicts with traditional theistic belief—that science and belief in God are “at war.” Philosopher of science Stephen Meyer challenges this view by examining three scientific discoveries with decidedly theistic implications. Building on the case for the intelligent design of life that he developed in Signature in the Cell and Darwin’s Doubt, Meyer demonstrates how discoveries in cosmology and physics coupled with those in biology help to establish the identity of the designing intelligence behind life and the universe. Meyer argues that theism—with its affirmation of a transcendent, intelligent and active creator—best explains the evidence we have concerning biological and cosmological origins. Previously Meyer refrained from attempting to answer questions about “who” might have designed life. Now he provides an evidence-based answer to perhaps the ultimate mystery of the universe. In so doing, he reveals a stunning conclusion: the data support not just the existence of an intelligent designer of some kind—but the existence of a personal God.

The Power of Return John Goyette,2011-07-28 The Power of Return provides a blueprint for the church to return to God. Twelve great biblical awakenings present a model that helps us understand what God expects us to do to prepare for His powerful touch on church and society. A fascinating concept the revival protocol is revealed and sets the stage for us to find our way back to God. This pattern and the wonderful results that follow its application are clearly seen. Riveting accounts of glory clouds and heavenly fire, idols torn from their pedestals and people swept together in powerful times of repentance and worship fill these pages.

The Return Lacey Sturm,2018-05-22 It's easy to go through days, weeks, even years on autopilot, moving from one activity to another, rarely taking the time to consider what it's all for anyway. Why did God make us? What does he want us to do with the time he has given us? And how can we find out? In her bestselling story-driven style, Christian rocker Lacey Sturm shares with readers the beautiful struggle of learning what one's unique gifts are and pursuing them wholeheartedly. She helps them see each day as a gift from God, find balance in their busy lives, and discover the joy of giving God's gifts back to him by using them to bring him glory. Young people especially will love this openhanded and openhearted take on what to do with their lives, as will those who feel like they've been coasting or heading down the wrong path.

Return to God H. H Pope Shenouda Iii,2016-06-13 What is the relevance and adversity of departing from God's grace? What is the importance of reconciliation with God and how does it take place? This book will tell you about all these things. (Pope Shenouda III)

Let the Nations be Glad John Piper,2020-05-21 'Mission is not the ultimate goal of the church. Worship is. Missions exist because worship doesn't. Worship is ultimate.' John Piper's contemporary classic draws on key biblical texts to demonstrate that worship is the ultimate goal of the church and that proper worship fuels missionary outreach. Piper offers a biblical defence of God's supremacy in all things, providing a sound theological foundation for missions. He examines whether Jesus is the only way to salvation and issues a passionate plea for God-centredness in the missionary enterprise, seeking to define the scope of the task and the means for reaching 'all nations'. Let the Nations Be Glad! is a trusted resource for missionaries, pastors, church leaders, youth workers, seminary students, and all who want to connect their labours to God's global purposes. This third edition has been revised and expanded throughout and includes new material on the 'prosperity gospel'.

Radical David Platt,2010-05-04 New York Times bestseller What is Jesus worth to you? It's easy for American Christians to forget how Jesus said his followers would actually live, what their new lifestyle would actually look like. They would, he said, leave behind security, money, convenience, even family for him. They would abandon everything for the gospel. They would take up their crosses daily... But who do you know who lives like that? Do you? In Radical, David Platt challenges you to consider with an open heart how we have manipulated the gospel to fit our cultural preferences. He shows what Jesus actually said about being his disciple--then invites you to believe and obey what you have heard. And he tells the dramatic story of what is happening as a successful suburban church decides to get serious about the gospel according to Jesus. Finally, he urges you to join in The Radical Experiment -- a one-year journey in authentic discipleship that will transform how you live in a world that desperately needs the Good News Jesus came to bring.

Finding Your Way Back to God Dave Ferguson,Jon Ferguson,2016-03-01 “God, if you’re real, make yourself real to me.” Each of us spends our lives on a journey toward God. Yet often our most deeply felt longings—for meaning, for love, for significance—end up leading us away from, instead of toward, our Creator and the person he made us to be. Finding Your Way Back to God shows you how to understand and listen to your longings in a whole new way. It’s about waking up to who you really are, and daring to believe that God wants to be found even more than you want to find him. It’s about making the biggest wager of your life as you ask God to make himself known to you. And it’s about watching what happens next.

Return to God Danson Enogiomwan Ubebe,2013-03-01 Return to God is a rare resource for uncommon Bible knowledge. It is one book which clearly identifies the Gospel of Grace as different from the tradition under the Mosaic Covenant, and yet strings them together without mixing them up. The book covers several areas of the Holy Bible that a great number of people shy away from. It is written to give glory to God, not to man. In explaining the hidden biblical truth, the book debunks several commonly held views about tithing, fasting, seed sowing, who of the spirit, soul and body is the real man, and more. It further clarifies what Jesus Christ meant by ‘believe’ and who can be described as really born again. The book shows that man without Jesus Christ, and this world, are themselves darkness and that re-incarnation is a reality and not an eastern religion gimmick. The coverage by the book is huge and deep. In the end, a brief account of the evolution of Christianity is added. The book also shows that there is a connection between Jesus Christ and the Tree of Life.Return to God, which unearths several hidden meanings of the Holy Bible teaching, will appeal to those who are interested in religion, and are seekers of God and the truth of the gospel of grace.

Coming Back to God When You Feel Empty Tanya Marlow,2015-02-02 Where do you go when you're feeling empty, disappointed with God, and you need some sort of path back to faith? The Old Testament book of Ruth is a surprisingly good place to start, as Tanya Marlow discovered when she gave birth and lost the ability to walk more than twenty metres. A former lecturer in Biblical Theology, she gently interweaves her own story with Ruth's story, getting under the skin of the characters, and bringing the biblical book to life. She has personally wrestled with spiritual disappointment and doubt, and knows what it is to search for hope when you're feeling empty. The five chapters of this short book follow the structure of the Bible's book of Ruth, and there are creative exercises and questions for reflection at the end of each chapter. Ideal for both small group Bible study discussion and personal enrichment, Coming Back to God When You Feel Empty is a compelling, uplifting, and quick read for anyone who wants to reconnect with God. Tanya Marlow's wonderful reflections on the book of Ruth are rooted in life experiences. She shows how the story of Ruth still lives and resonates. - Dr Jenni Williams, Tutor in Old Testament, Wycliffe Hall, University of Oxford, and author of God Remembered Rachel: Women's Stories in the Old Testament and Why They Matter Marlow shows how God remains faithful today by sharing her own stories of loss, suffering, and faith alongside the narrative of Ruth.- Ed Cyzewski, author of Coffeehouse Theology and A

Christian Survival Guide Intensely honest yet wonderfully gentle... I recommend this little book to anyone who has ever doubted God, anyone who has been angry with him, anyone mired in exhaustion and despair - in short, anyone who is a Christian.- Dr Ros Clarke, author and Discipleship and Training Pastor

Seeking Allah, Finding Jesus Nabeel Qureshi,2016-04-19 In Seeking Allah, Finding Jesus, now expanded with bonus content, Nabeel Qureshi describes his dramatic journey from Islam to Christianity, complete with friendships, investigations, and supernatural dreams along the way. Providing an intimate window into a loving Muslim home, Qureshi shares how he developed a passion for Islam before discovering, almost against his will, evidence that Jesus rose from the dead and claimed to be God. Unable to deny the arguments but not wanting to deny his family, Qureshi struggled with an inner turmoil that will challenge Christians, Muslims, and all those who are interested in the world's greatest religions. Engaging and thought-provoking, Seeking Allah, Finding Jesus tells a powerful story of the clash between Islam and Christianity in one man's heart?and of the peace he eventually found in Jesus. I have seldom seen such genuine intellect combined with passion to match ... truly a 'must-read' book.—Ravi Zacharias

Evangelism and the Sovereignty of God J. I. Packer,2012-06-28 If God is in control of everything, can Christians sit back and not bother to evangelize? Or does active evangelism imply that God is not really sovereign at all? J. I. Packer shows in this new edition to the popular IVP Classics how both of these attitudes are false. In a careful review of the biblical evidence, he shows how a right understanding of God's sovereignty is not so much a barrier to evangelism as an incentive and powerful support for it. With over 100,000 copies in print, Evangelism and the Sovereignty of God is truly a classic that should be read by every Christian.

Living Stories of Famous Hymns Ernest K. Emurian,1971-07-01

America, Return to God Thomas Wang,2006-01-01 If the church that represents the Lord Jesus Christ no longer has the power to keep their marriages together, free their teenagers from destructive addictions, see God provide funds for their needs or experience His healing power, there is little to attract the secular crowd to return to a God that they cannot see. This book confronts America with the urgent need to return to God, but there is a bigger message: the church must return to the power of the Gospel.

Return of the God Ship Harry N. (Hap) Hambric,2015-05-14 Senior battle craft pilot Ha, a “blob” of intelligent pure energy is tasked to find or create new beings capable of melding with Ha's species to replace physical bodies taken from them. Nearly a billion years ago, Ha scattered “ancient life-seeds,” provided by his Species' Council of Elders onto a young planet earth, and created an experiment station. We are its product. Ha defends the planet from destruction by the Dark Force and the human Apex Beings themselves. The earthlings have evolved to a state of acceptance. Ha is a magnificent Warrior Pilot, but he is not perfect. He makes mistakes, costing many human lives, manages to vanquish all intruders, and routinely answers to the God Council for his misdeeds. His ability to communicate with the Apex Beings under his care teaches Ha much about the future of the two species.

America Dr Alveda King,2016-11-01 One reason that America borders on the brink of economic disaster and constant violent upheaval is we have turned blind eyes and deaf ears to the plight of our brothers and sisters. Like Cain who killed his brother Abel, we have despised good and have turned away from caring about what happens to others. We must humble ourselves as Nehemiah did: When I heard these things, I sat down and wept. For some days I mourned and fasted and prayed before the God of heaven. (Nehemiah 1:4 NIV). Amazingly, in 2015, there emerged an unlikely presidential candidate who wanted to make America great again. He spoke of building a wall around America's borders. The people became fearful; the naysayers furious. Yet the talk of America's wall continued.Finally, 21st century America has taken notice that something more is required if there is hope for America.Yes, there's hope, and there is still time to return to God and rebuild God's wall of protection around our nation. If we sincerely desire to rebuild, there is much to be learned from the lessons in the books of Esther, Ezra and Nehemiah.It's the season for the hidden prophets to speak out!

The Dream of God Verna J. Dozier,2021-08-17 A beloved teacher helps modern people live the Bible's message more fully. Respected teacher and author Verna Dozier explores the ways that humanity and the institutional church have strayed far from Jesus's original message. To help us get back on track, she examines the Bible: a theological and historical record of hundreds of years in which two communities of faith (Jewish and early Christian) explored their own life experiences. Our task now is not to ask which interpretations are correct, but to ask “what did it mean to them” and “what does it mean for us?” Dozier encourages us to see Christianity not as creed or institution, but as “the vision of a new possibility for human life rooted in an ancient understanding of God and lived out by a Nazarene carpenter.” Through adept storytelling and study, Dozier reawakens our sense of calling and our desire for truth. This new and revised edition includes a new foreword by Sophronia Scott and a study guide.

Back to the Bible Woodrow Michael Kroll,2000 What is the cost of biblical illiteracy? What is the price we pay for our failure to know and apply biblical truth? There was a time in recent history when immoral, deviant, or illegal behavior disqualified a person from praise or emulation, no matter how noteworthy his or her accomplishments. This is no longer true. Yet Gallup studies show that 85 percent of Americans are believers. These facts establish the sad reality that a large majority of Christians are biblically illiterate, spiritual juveniles. In this challenging, encouraging, and practical menu for biblical investigation and application, Back to the Bible provides a cogent discussion of the problem and meaningful answers for the believer hungry for more in his walk with God.
