The Lost and the Chosen Ivy Asher,2018-11-18 My name is Vinna, and I've been keeping a lot of secrets.You would too if you'd experienced some of the weird shit I have: red-eyed monsters chasing me, markings on my body appearing out of nowhere, a strange power that crackles colorfully over my skin from time to time, and don't get me started on the weapons I can conjure up almost out of nowhere. Lucky for me, I have yet to meet someone whose ass I couldn't kick, inside the ring or out. I put that to the test when I run headfirst into a fight that brings all my secrets, and reality as I know it, crashing down around me.Now, I'm looking for answers and trying to piece together what the hell is going on. Paranormal is my new way of life. It's not going to be easy, and I'm not exactly welcome. That is, until I meet the boys, and trust me, they are anything but boyish. I'm up against elders who think I'm too powerful, a family who views me as a threat, and something lurking in the shadows that's been coming for me my whole life. There's not a chance in hell I'm going down without a fight. I'm not lost anymore, and I'm about to show this world exactly what I can do.Author's Note: This is the first book in The Lost Sentinel Series and ends with a cliffhanger. This book is a medium burn reverse harem story, intended for ages 18 years and older. This story contains strong language, sexual situations, and violence. Book two coming in January
