Rojana Krait

A Fools Folly Sven Sanburg, 2013 An account of one man's travails as he prepares and then rides the breadth of Route 66's route from St. Louis to Los Angeles on his 1917 BSA Thunderbolt. The trip was the exclamation point of Bill Bib Bibbiani's quest to make the Southern California Norton Owners Club the finest RIDING classic motorcycle club in the world!--Author's statement.

The Honor of Spies W.E.B. Griffin, William E. Butterworth IV, 2010-12-28 August, 1943: In his short time as a spy with the Office of Strategic Services, young Cletus Frade has faced many unlikely situations, but nothing like his new assignment. Having helped Lieutenant Colonel Wilhelm Frogger escape a Mississippi P.O.W. camp, he must now get the defiant German to turn against his country.

Time Is in Reverse Jennifer DiAnne Thomas, 2011

Reverse Crime Stanley Lieber, 2012-10-27 The President cut diagonally across Central Park, marching past the Dakota without so much as a glance in the direction of the men who had financed his reelection. Straight into a deserted field. Feet cramping, he discarded his stiff, leather shoes and trod through the dirt, his mind flashing on a particular high he had not experienced in what felt like months. It had been three days since his last hit of the crack rock. As he traipsed past a fence and into the tall grass, the familiar reverberations of a ghetto blaster thumped through the brush, flagging his awareness. Jerrymander switched spectrums and immediately staggered backwards as the pink triangular frame of the RAGNAROK populated his visual field.---Reprinted with corrections, December 2013

A Truck Full of Money Tracy Kidder, 2017-06-13 "A perfectly executed, exquisitely reported parable of the Internet

age and the wild, mad adventure that is start-up culture.”—Charles Duhigg Fortune, mania, genius, philanthropy—the bestselling author of *Mountains Beyond Mountains* gives us the inspiring story of Paul English, the founder of Kayak and Lola. Tracy Kidder, the “master of the nonfiction narrative” (*The Baltimore Sun*) and author of the bestselling classic *The Soul of a New Machine*, now tells the story of Paul English, a kinetic and unconventional inventor and entrepreneur, who as a boy rebelled against authority. Growing up in working-class Boston, English discovers a medium for his talents the first time he sees a computer. As a young man, despite suffering from what would eventually be diagnosed as bipolar disorder, he begins his pilgrim’s journey through the ups and downs in the brave new world of computers. Relating to the Internet as if it’s an extension of his own mind, he discovers that he has a talent for conceiving innovative enterprises and building teams that can develop them, becoming “a Pied Piper” of geeks. His innovative management style, success, and innate sense of fair play inspire intense loyalty. Early on, one colleague observes: “Someday this boy’s going to get hit by a truck full of money, and I’m going to be standing beside him.” Yet when English does indeed make a fortune, when the travel website Kayak is sold for almost two billion dollars—the first thing he thinks about is how to give the money away: “What else would you do with it?” The second thing he thinks is, What’s next? With the power of a consummate storyteller, Tracy Kidder casts a fresh, critical, and often humorous eye on the way new ideas and new money are reshaping our culture and the world. *A Truck Full of Money* is a mesmerizing portrait of an irresistibly endearing man who is indefatigable, original, and as unpredictable as America itself. Praise for *A Truck Full of Money* “Kidder’s prose glides with a figure skater’s ease, but without the glam. His is a seemingly artless art, like John McPhee’s, that conceals itself in sentences that are necessary, economical, and unpretentious.”—*The Boston*

Globe “Kidder’s portrayal of living with manic depression is as nuanced and intimate as a reader might ever expect to get. . . . You can’t help admiring Mr. English and cheering for him.”—The New York Times

Peace of the Mind D. J. Blue, 2008-07 Peace of the Mind is D.J. Blue's follow-up to 2005's The Good Life Chronicles. Once again, he covers a wide array of topics, this time including several chapters on Christian spirituality. Included among them: an in-depth analysis of the Bible, covering questions answered as well as questions raised while reading the Bible; the debate between Catholics and Protestants on different spiritual issues is discussed; and Rick Warren's best-selling spiritual book The Purpose Driven Life is also reviewed, including eerie parallels to topics brought up in The Good Life Chronicles. Readers of that preceding book will recognize other familiar topics: the annual Taconite Trophy Classic continues to be immortalized via the written word, as each year's golf tournament has been chronicled herein; the fourth installment chapter on women, always popular yet provocative with the female crowd, is included; and a complete Seinfeld episodic list (partially referenced in the previous book) is now given its just due--the entire classic series is reviewed, episode by episode. This is just a sample of the various topics and experiences covered. Peace of the Mind concludes the Thousand Page Trilogy with an over-all introspective and occasionally subtle spiritual theme running through many of the chapters, reflecting the accomplishments, the struggles and the aspirations of life itself.
