Daddy's Gun Chino Mikkal,2014-03-01 I found something in Daddy's room. It's Daddy's gun. Don't Touch! Ask Dad about it, he will explain: Safety always is a must! This is a book with colorful illustrations and easy to understand rhymes. Your child will want to read this over and over. Children will learn about basic gun safety as well as what to do if they find a gun in the house. If you have a gun in your home, or if your child visits a home that does, this book will give your child some foundational insight about proper gun safety. It's never too early to begin teaching gun safety.

Toybox Americana Tim Lane,2020-08-04 In this book, Lane remasters milieus, attitudes, and cultural touchstones of the 20th century: wry slice-of-life vignettes are depicted in moodily crosshatched, noir-inflected drawings. Jazz clubs and pool halls, ballparks and graveyards, casinos and coffeehouses, back alleys and bus stops are populated by roughed-up boxers, bleary gamblers, rowdy winos, philosophical rail-riders, acrobatic fire-swallowers, and femme fatales - woven together into a uniquely designed collection of images and prose.

**My Daddy Has a Gun: ... and My Mom Does Too!** Rob Pincus,2020-01-13 All across America, families are talking about guns. Some families cherish their firearms and Second Amendment Rights, but many simply don't understand them. While some families are rediscovering the important and vital role that guns play in our society, others hear nothing but the negative aspects of firearms ownership. Firearms are actually part of our everyday lives, and all Americans, especially our children, need to know that. Firearms are not an inherently evil talisman or a panacea against all evil; they are simply tools. Guns are used every day by law-aiding citizens and armed professionals to protect life. Guns also play a role in sport, competition and other aspects of recreation for many families. Give your children the benefit of the whole truth about guns and how they are used by millions of responsible American Gun Owners. Whether you consider yourself Pro Gun or are in favor of Gun Control, firearms are a part of American Life. You and your children should be educated in their use, if for no other reason than safety. Both you and your children will love this new book by Rob Pincus, and it may inspire your family to enjoy & utilize firearms in new ways!

Stag Doo Al Lester,2016-08-01 Stag Doo by Al Lester, the master of the hunting genre, is full of rip-roaring yarns for those with a good keen sense of humour and a love for New Zealand's wild outdoors. Once described as 'Barry Crump meets Fred Dagg', 'Big Al' Lester is the modern-day master of the hunting genre. His books are for those with a good keen sense of humour and a love for New Zealand's wild outdoors. 'Many times I have sat by a campfire with its coarse smoke etching into my eyes and tears streaming down my face. The tears not caused by the smoke, though, but by laughing so hard at the oddball, strange, hilarious or simply outright bizarre yarns told by my hunting mates. It never ceases to amaze me how readily my hunting colleagues and others do in their mates to disclose their mishaps, balls-ups, cunning plans and frequent disasters. Each story is told with great relish, and often, I suspect, with liberal helpings of embellishment. For every story recounted, the often embarrassed subject gets a right of reply, and in turn does in his cobbler with an equally or more embarrassing yarn, and so it goes. As the evenings pass and the tide-line in the whisky bottle drops, the yarns get increasingly more hilarious. This book contains a number of yarns gleaned from these fireside sessions, and a few from other interesting characters I have had the good fortune to encounter.' —'Big Al' Lester

*My Daddy Was a Pistol and I'm a Son of a Gun* Lewis Grizzard,2012-10 Lewis Grizzard always makes us laugh. But this time, when he tells us all about his father--a certified war hero and a shameless passer of bad checks . . . a charmer of men and women and a consummate con artist . . . a man of great courage and an alcoholic destined to drink himself to death--he's going to make us cry, too. And he's going to give us a hilarious, moving account of that tender, spooky territory: that country of the heart inhabited by fathers and sons.

**Gunstories** S. Beth Atkin,2007-11-13 Guns are a fact of life for young people growing up in the United States. They are found in homes—for protection, sport, and hunting. Guns are also on the street—for defense and security, and in gang-related uses. Guns can cause accidents, and even deaths, while they can also nurture self-esteem and athletic abilities. The impact of guns on young people's lives is undebatable—and often dramatic. S. Beth Atkin's evocative photographs and candid interviews share the remarkable stories—told in their own voices—of an array of young people's life-changing experiences with guns.

**Little Sister** Dev Jarrett,2016-06-07 For her seventh birthday Lucinda's grandfather sends her a homemade doll. **Kill the Reporter** Marc Olden,2012-06-26 DIV Harker uncovers a cult whose members believe in peace, love, understanding, and torture Rudolph Franklin thinks his biggest problem is reelection. A battle with a fellow senator about military spending is getting ugly, and if he can't scrap out a victory, his career will be dead in the water. He calls Harker, a crack investigative reporter, to leak a story for him. Franklin thinks his problems are political—until his daughter disappears. In Barbarann's bedroom, Harker finds pamphlets for the Children's Crusade, a hippy-dippy cult best known for selling buttons and hard candy on street corners. But Harker learns about the crusade's darker side—the enforcers charged with keeping members in line, and keeping the press from asking questions. His first warning is a dead cat, hung from the ceiling of his hotel room, paw sliced off. If he crosses the Crusade again, the next paw they take will be his own. /div

**The Rifle** Regina Gale Green,2020-05-31 The Rifle is volume one of the Being Bobby Green Chronicles. This, as well as all the other stories that will become a part of my father's chronicles is a true story about just one of the exploits that Regina describes as one of the coolest men known to man, that would be Robert Green, father of Reverend Regina and your editor in this case, Vincent Green. As

Regina describes him, dad was an undisputed gift from God; take from that what you will. Regina was not yet in her teens when this adventure unfolded and always maintained a vivid memory of the day's events that you are about to share in. Regina often brought the story to life as she regaled others in the exploits of our tremendous father and his loyal comrades. The chain of events that took place on this day clearly speaks about this band of friends, as men and their deep belief in respect, honor, dignity, and accountability. To have located the story as she wrote it is a godsend and the beauty of being able to join paper and pen. We at G-Square Publishing hope that you enjoy The Rifle as a gift from the Reverend Regina Gale Green.
