Digital Music Videos Steven Shaviro,2017-04-15 Music videos today sample and rework a century’s worth of movies and other pop culture artifacts to offer a plethora of visions and sounds that we have never encountered before. As these videos have proliferated online, they have become more widely accessible than ever before. In Digital Music Videos, Steven Shaviro examines the ways that music videos interact with and change older media like movies and gallery art; the use of technologies like compositing, motion control, morphing software, and other digital special effects in order to create a new organization of time and space; how artists use music videos to project their personas; and how less well known musicians use music videos to extend their range and attract attention. Surveying a wide range of music videos, Shaviro highlights some of their most striking innovations while illustrating how these videos are creating a whole new digital world for the music industry.

Rihanna Sarah Oliver,2011-10-27 Multi-award winning artist and indisputable queen of R&B, Rihanna is one of the most recognisable and successful singers in the world. With hits such as 'Umbrella', 'Take a Bow' and 'Don't Stop the Music', the beautiful Barbadian has gone from a talented young singer from a broken home, to a bestselling and Grammy award-winning superstar. Robyn Rihanna Fenty was born in Saint Michael, Barbados, in 1988. Moving to the United States at the tender age of 16, Rihanna became the youngest ever musician to sign for Def Jam records, after sending her demo to the then company head, Jay-Z. Her debut single 'Pon de Replay' went to Number 2 in both the UK and US single charts, with her subsequent album Music of the Sun becoming a global bestseller. Following the success of her debut, Rihanna went straight back into the studio to record her follow-up album with renowned R&B producer and singer, Ne-Yo. A Girl Like Me went platinum in both the UK and US and the lead singer 'SOS' became her biggest selling of her career. A live tour followed and her next three platinum-selling albums, Good Girl Gone Bad, Rated R and Loud, confirmed Rihanna as one of the most exciting and successful artists on the planet. From the shaky beginnings and turbulent times with ex-boyfriend Chris Brown, through to worldwide success as the new Queen of R&B, this is the first biography of the singer who is to her fans The Only Girl in the World.

The History of Music Videos Hal Marcovitz,2012-06-22 The first official music videos aired in the 1970s, but the seeds for making music something more than a pleasure for the ears were planted decades earlier. This book covers the birth of the music video, starting in the 1920s and 1930s when the first great movie musicals were produced, then details how MTV revolutionized the industry by making the film production as important as song production. Author Hal Marcovitz explains the various music video styles and differences in production value. Concluding chapters highlight the Internet video sensations of today and the interactive features that will likely characterize the genre tomorrow.

The Bloomsbury Handbook of Popular Music Video Analysis Lori A. Burns,Stan Hawkins,2019-10-17 Music videos promote popular artists in cultural forms that circulate widely across social media networks. With the advent of YouTube in 2005 and the proliferation of handheld technologies and social networking sites, the music video has become available to millions worldwide, and continues to serve as a fertile platform for the debate of issues and themes in popular culture. This volume of essays serves as a foundational handbook for the study and interpretation of the popular music video, with the specific aim of examining the industry contexts, cultural concepts, and aesthetic materials that videos rely upon in order to be both intelligible and meaningful. Easily accessible to viewers in everyday life, music videos offer profound cultural interventions and negotiations while traversing a range of media forms. From a variety of unique perspectives, the contributors to this volume undertake discussions that open up new avenues for exploring the creative changes and developments in music video production. With chapters that address music video authorship, distribution, cultural representations, mediations, aesthetics, and discourses, this study signals a major initiative to provide a deeper understanding of the intersecting and interdisciplinary approaches that are invoked in the analysis of this popular and influential musical form.

Out of Water Zoe Cooper,2019-07-05 And we are watching the huge grey waves crashing and this is the moment when I say I have to tell you something. Claire and her wife Kit have moved from the confines of London to the wide open coasts of South Shields. To be nearer family, to be nearer the sea, to put down roots. To have a baby. Claire's new job at the local school is a step up, and she wants to make a real difference, but she soon discovers that she has as much to learn from her students as they have from her. A tender new play about gender, wild swimming, and how we define who we are.

The True Meaning of Smekday Adam Rex,2015-02-04 The hilarious, genre-bending novel from bestselling author Adam rex that inspired the blockbuster feature film Home - fully illustrated with photos, drawings, newspaper clippings, and comics sequences. When twelve-year-old Gratuity (Tip) Tucci is assigned to write five pages on The True Meaning of Smekday for the National Time Capsule contest, she's not sure where to begin; when her mom started telling everyone about the messages aliens were sending through a mole on the back of her neck? Maybe on Christmas Eve, when huge bizarre spaceships descended on Earth and the aliens -- called Boov -- abducted her mother? Or when the Boov declared Earth a colony, renamed it Smekland (in honor of glorious Captain Smek), and forced all Americans to relocate to Florida via rocketpod? In any case, Gratuity's story is much, much bigger than the assignment. It involves her unlikely friendship with a renegade Boov mechanic named J.Lo; a futile journey south to find Gratuity's mother at the Happy Mouse Kingdom; a cross-country road trip in a hovercar called Slushious; and an outrageous plan to save the Earth from yet another alien invasion.

Interpreting Music Video Brad Osborn,2021-03-17 Interpreting Music Video introduces students to the musical, visual, and sociological aspects of music videos, enabling them to critically analyze a multimedia form with a central place in popular culture. Pop Culture and Power Dawn H. Currie,Deirdre M. Kelly,2022-03-01 Literacy education has historically characterized mass media as manipulative towards young people who, as a result, are in need of close-reading “skills.” By contrast, Pop Culture and Power treats literacy as a dynamic practice, shaped by its social and cultural context. It develops a framework to analyse power in its various manifestations, arguing that power works through popular culture, not as everyday media. Pop Culture and Power thus explores media engagement as an opportunity to promote social change. Seeing pop culture as a teaching opportunity rather than as a threat, Dawn H. Currie and Deirdre M. Kelly worked with K-12 educators to investigate how pop culture can support teaching for social justice. Currie and Kelly began the research for this project with a teacher education seminar in media analysis where participants designed classroom activities using board games, popular film, music videos, and advertisements. These activities were later piloted in participants’ classrooms, enabling the authors to identify and address practical issues encountered by student learners. Case studies describe the design, implementation, and retrospective assessment of activities engaging learners in media analysis and production. Following the case studies, the authors consider how their approach can foster ethical practices when engaging in the digital environment. Pop Culture and Power offers theoretically informed yet practical tools that can help educators prepare youth for engagement in our increasingly complex world of mediated meaning making.
