Pop Culture and Power Dawn H. Currie, Deirdre M. Kelly, 2022-03-01 Literacy education has historically characterized mass media as manipulative towards young people who, as a result, are in need of close-reading "skills." By contrast, *Pop Culture and Power* treats literacy as a dynamic practice, shaped by its social and cultural context. It develops a framework to analyse power in its various manifestations, arguing that power works through popular culture, not as everyday media. *Pop Culture and Power* thus explores media engagement as an opportunity to promote social change. Seeing pop culture as a teaching opportunity rather than as a threat, Dawn H. Currie and Deirdre M. Kelly worked with K-12 educators to investigate how pop culture can support teaching for social justice. Currie and Kelly began the research for this project with a teacher education seminar in media analysis where participants designed classroom activities using board games, popular film, music videos, and advertisements. These activities were later piloted in participants' classrooms, enabling the authors to identify and address practical issues encountered by student learners. Case studies describe the design, implementation, and retrospective assessment of activities engaging learners in media analysis and production. Following the case studies, the authors consider how their approach can foster ethical practices when engaging in the digital environment. *Pop Culture and Power* offers theoretically informed yet practical tools that can help educators prepare youth for engagement in our increasingly complex world of mediated meaning making.

The True Meaning of Smekday Adam Rex, 2015-02-04 The hilarious, genre-bending novel from bestselling author Adam Rex that inspired the blockbuster feature film *Home* -- fully illustrated with photos, drawings, newspaper clippings, and comics sequences. When twelve-year-old Gratuity (Tip) Tucci is assigned to write five pages on *The True Meaning of Smekday* for the National Time Capsule contest, she's not sure where to begin; when her mom started telling everyone about the messages aliens were sending through a mole on the back of her neck? Maybe on Christmas Eve, when huge bizarre spaceships descended on Earth and the aliens -- called Boov -- abducted her mother? Or when the Boov declared Earth a colony, renamed it Smekland (in honor of glorious Captain Smek), and forced all Americans to relocate to Florida via rocketpod? In any case, Gratuity's story is much, much bigger than the assignment. It involves her unlikely friendship with a renegade Boov mechanic named J.Lo; a futile journey south to find Gratuity's mother at the Happy Mouse Kingdom; a cross-country road trip in a hovercar called Slushious; and an outrageous plan to save the Earth from yet another alien invasion.
