

Ring Of Fire 4th King

Robert Needham

King's Dragon Kate Elliott, 1998-02-01 Set in an alternate Europe where bloody conflicts rage, the first book of the Crown of Stars epic fantasy series chronicles a world-shaking conflict for the survival of humanity. It begins with civil war.... For though King Henry still holds the crown of Wendar, his reign has long been contested by his sister Sabella. There are many eager to flock to her banner, and there are ways to make even the most unwilling lord into a weapon pointed at the heart of Henry's realm. Torn by internal strife, Wendar also faces deadly raids from the north by an inhuman race, the Eika. And now terrifying portents are being seen; old ruins restored to life under the light of the full moon and peopled by the long-vanished Lost Ones; dark spirits walking the land in broad daylight. And suddenly two innocents are about to be thrust into the middle of the conflict. Liath, who has spent her early years fleeing from unknown enemies, is a young woman with the power to change the course of history if she can only learn to master her fear and seize what is rightfully hers. While Alain, a young man who may find his future in a vision granted by the Lady of Battles, must first unravel the mystery of who he is—whether the bastard son of a noble father, the half-breed child of an elfin lord, the unwanted get of a whore, or the heir to a proud and ancient lineage. For only when he discovers the truth can he accept the destiny for which he was born. Liath and Alain, each trapped in a personal struggle for survival, both helplessly being drawn into a far greater battle, a war in which sorcery not swords will determine the final outcome, and the land itself may be irrevocably reshaped by the forces unleashed....

Every Happy Family Dede Crane, 2013-02-02 Humorous and heartbreaking, wise and demented, *Every Happy Family* explores the colourful – and sometimes repurposed – fabric of the Wright family. The stories mark turning points in the lives of the individual family members, as well as in their relationships with each other. Married parents

Jill and Les are the warp of the Wright family tapestry - Jill beginning to lose her mother to Alzheimer's, Les diagnosed with a cancer he initially keeps secret from their children. Each family member's thread unravels from the others, as older son Quinn finds a dangerous way to combat shyness, younger son Beau seeks success and closure at boarding school, and adopted daughter Pema explores her roots. But past and present weave back together and towards the future, as everyone is called home for Les's life celebration - his living wake. Alone and together, the Wrights crash along, unable to give up on themselves or each other...hard as they might try.
