Queensland Ringer Antony Agar,2008-02-01 In North America he's a cowboy, In Australia a ringer. With humour and insight the author has captured the atmoshpere of the Australian outback in this absorbing tale. We meet a young man newly arrived on a north Queensland cattle station, completely out of his depth. We leave him head stockman on a vast Gulf Country station. Readers of all ages will identify with him as he learns the requiered skills, faces the dangers and assumes the responsibilities that bring about the transformation. The interesting characters he meets along the way are well drawn. The experienced men who guide him in the early years. His mates in the mustering camps. The violent types he is obliged to confront during off season labouring jobs. The cattle thieves he encounters. The young ladies who share his life from time to time. Set in the years when it was possible to ride for days on end without seeing a fence and when droving trips that lasted for months were commonplace, this is a book that is hard to put down.

Roping in the History of Broncoing Darrell Lewis,2011 This book sets out the evidence to answer to this question and outlines its development and spread from one side of the continent to the other. It’s an amazing and quintessentially Australian story, one of the many stories from Australia’s ‘hidden history’. It will be of great interest to all the men and women who have used the technique, to those who are now attending bronco branding competitions, to any who have wondered at an old bronco panel or a faded photograph of broncoing in action, and to all who are fascinated by Australian history.

At Home in the World Michael Jackson,1995 Now in paperback Ours is an era of uprootedness, with fewer and fewer people living out their lives where they are born. At such a time, in such a world, what does it mean to be at home? Perhaps among a nomadic people, for whom dwelling is not synonymous with being housed and settled, the search for an answer to this question might lead to a new way of thinking about home and homelessness, exile and belonging. First published by Duke University Press in 1995, At Home in the World is the story of just such a search, chronicling Jackson's experience among the Warlpiri of the Tanami Desert in Central Australia where he lived, worked, and traveled intermittently over three years. Blending narrative ethnography, empirical research, philosophy, and poetry, Jackson construes the meaning of home existentially, as a metaphor for the balance people try to strike between the world they call their own and the world they see as other. Home is never a stable essence, therefore, but a constantly negotiated relationship between being closed and open, acting and being acted upon. At once a moving depiction of an aboriginal culture, and a meditation on the practice of anthropology, At Home in the World is a timely reflection on how, in defining home, we continue to define ourselves.

Ring Lardner: Stories & Other Writings (LOA #244) Ring Lardner,2013-08-29 At the height of the Jazz Age, Ring Lardner was America’s most beloved humorist, equally admired by a popular audience and by literary friends like F. Scott Fitzgerald and Edmund Wilson. A sports writer who became a sensation with his comic baseball bestseller, You Know Me Al, Lardner had a rare gift for inspired nonsense and an ear attuned to the rhythms and hilarious oddities of American speech. He was also a sharp and dispassionate observer of the American scene. His best stories—among them such masterpieces as “Haircut,” “The Golden Honeymoon,” “A Caddy’s Diary,” and “The Love Nest”—cast a devastating eye on the hypocrisies, prejudices, and petty scheming of everyday life. In this Library of America edition, editor Ian Frazier surveys the whole sweep of Lardner’s talents, offering contemporary readers his finest stories, the full texts of You Know Me Al, The Big Town, and the long out-of-print The Real Dope, and a generous sampling of his humor pieces, sports reporting, song lyrics, and surrealist playlets. LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation’s literary heritage by publishing, and keeping permanently in print, America’s best and most significant writing. The Library of America series includes more than 300 volumes to date, authoritative editions that average 1,000 pages in length, feature cloth covers, sewn bindings, and ribbon markers, and are printed on premium acid-free paper that will last for centuries.

A Ringer's Hands Andy Hughes,2012 This is a true story. A Ringer's Hands is an account of the year I spent working on an outback cattle station in the middle of the Northern Territory. I left Sydney as a City Boy with a ute, a swag, a red dog and a craving for adventure, I came back a real Australian ringer.
