The Winter of Our Disconnect Susan Maushart, 2011-01-06 If Thoreau could last two years in the woods without the mod-cons of the early nineteenth century (running water), then surely Susan Maushart can survive six months without the technology of the twenty-first century? But then, Thoreau didn't have teenagers ... or an iPhone ... or Facebook ... For any parent who has ever yanked the modem from its socket in a show of primal parental rage - this account of one family's self-imposed exile from the Information Age will leave you ROFLing (Roll on the Floor Laughing) with recognition. But it will also challenge you to take stock of your own family connections and bring you to ask yourself pertinent questions about your own usage. Such as: Should a fifty-year old woman have a pet name for her laptop? Or take her iPod to bed with her? * A thoroughly honest and hilarious read. *As asked by Susan Maushart

Are You Coming out Today? Darrell Weston, 2011-04-21 Ever wondered what it was like for a child before the advent of modern technology? Way before instant messaging, phones, the internet and the ever so great TV we have nowadays? Did the kids of yesterday race home to play on the computer or check out a known social networking site? Did they text message each other to let them know where to meet up? They spoke to each other; they used their imagination and played. They made use of the school holidays, knowing that around the corner adulthood was looming. A weekend was for the sole purpose of a bike ride. Read the book for a funny take on yesterday, mixed with some tips on the activities and games of way back when.

Handbook of Research on New Media, Training, and Skill Development for the Modern Workforce Mentor, Dominic, 2022-05-13 The abrupt shift to online learning brought on by the COVID-19 pandemic revealed the need for the adoption and application of new media, virtual training, and online skill development for the modern workforce. However, organizations are grappling with unanticipated complexities, and many have recognized the gaps between online and in-person competencies and capabilities with unaddressed needs. There is an urgent need to bridge this gap and organically grow engagement and connectedness in the digital online space with new media tools and resources. The Handbook of Research on New Media, Training, and Skill Development for the Modern Workforce exhibits how both business and educational organizations may utilize the new media computer technology to best engage in workforce training. It provides the best practices to aid the transition to successful learning environments for organizational skill development and prepare and support new media educational engagement as the new norm in all its forms and finer nuances. Covering topics such as occupational performance assessment, personal response systems, and situationally-aware human-computer interaction, this major reference work is an essential tool for workforce development organizations, business executives, managers, communications specialists, students, teachers, government officials, pre-service teachers, researchers, and academicians.

The Awakening of the Widow Maker Zoez Lajoune, 2022-08-01 The Awakening of The Widow Maker is the story of high school senior Carlos MacIntyre aka Lil Carlos, who loses his mind amid the violence birthed from a deadly trapezoid of personal ambition and selfish exploitation, which take place between two feuding families, controlling two crews at war in a struggle for power over a highaEURvolume drugaEURtrafficking zone. The war birthed from an old family betrayal that originated in North Minneapolis that has spread over time into a neighborhood that is located off Brooklyn Boulevard and Zane Avenue in the heart of Brooklyn Park, Minnesota. The resilience of the human part of Lil Carlos's soul attempting to survive the darkness unleashes The Widow Maker-a psychopathic, unrelenting, serialaEURkilling entity that has been waiting in a dark chamber of his mind since he was in the womb. Driven by an insatiable thirst for blood, along with a growing hunger to inflict pain, he leaves a very disturbing dark age calling card at each homicide scene across the Twin Cities. The unrepentant ones who have no loyalty, destroy the balance of the streets, and incite his wrath will bear his eternal mark. Swiftly, his trail of carnage stretches from the doors of Park Center High to Regions Hospital in East St. Paul, Minnesota. None that fall on his list can find refuge at any place. Lead Detective Tommy Soprano, along with his rookie partner Mike Kowalski, are in a race against time to catch a methodical killer before he strikes again and save a young man with a severe psychosis, before he is lost forever to the darkness within himself. John Wayne Gacy (Chicago, Illinois), Jeffrey Dahmer (Milwaukee, Wisconsin), and John Lee Malvo (Washington, DC) each had their own dwelling, territory, and story with roots of old. However, even they knew well not to cross into the backyard of the Twin Cities. Lest, through their own illaEURgotten behavior, they too should fall on the list of none other than . . . The Light of Death Himself. . . The Widow Maker!

There's a reason Alison Green has been called "the Dear Abby of the work world." [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. The Ringtone Dialectic Sumanth Gopinath, 2013-07-19 The rise and fall of the ringtone industry and its effect on mobile entertainment, music, television, film, and politics. A decade ago, the customizable ringtone was ubiquitous. Almost any crowd of cell phone owners could produce a carillon of tinkly, beeping, synthy, musicalized ringer signals. Ringtones quickly became a multi-billion-dollar global industry and almost as quickly faded away. In The Ringtone Dialectic, Sumanth Gopinath charts the rise and fall of the ringtone economy and assesses its effect on cultural production. Gopinath describes the technical and economic structure of the ringtone industry, considering the transformation of ringtones from monophonic, single-line synthesizer files to polyphonic MIDI files to digital sound files and the concomitant change in the nature of capital and rent accumulation within the industry. He discusses sociocultural practices that seemed to wane as a result of these shifts, including ringtone labor, certain forms of musical notation and representation, and the creation of musical and artistic works quoting ringtones. Gopinath examines "declines," "reversals," and "revivals" of cultural forms associated with the ringtone and its changes, including the Crazy Frog fad, the use of ringtones in political movements (as in the Philippine "Gloriagate" scandal), the ringtone's narrative function in film and television (including its striking use in the films of the Chinese director Jia Zhangke), and the ringtone's relation to pop music (including possible race and class aspects of ringtone consumption). Finally, Gopinath considers the attempt to rebrand ringtones as "mobile music" and the emergence of cloud computing.

Voices Jo Buer, 2021-04-28 Poignant, haunting, and deliciously dark. Grab a blanket, hot drink, and maybe some tissues, and settle in for five compelling short stories by gothic suspense author, Jo Buer, including: VOICES Everything that dies comes back... someday. While reconnecting with old friends, a mysterious voice and chilling song force a woman to confront her tragic past. DEWEY DECIMALS Tick, tick, tick. The red hand tiptoes round the face. Six o'clock. Time to begin. A man with sinister intentions watches a librarian go about her tasks. RABBIT SKIN If you can't see them, they can't see you... A young girl tries to make sense of her grandmother's death, and her grandpa's actions thereafter. THE WALNUT TREE Something nags at you. Something snarls and snaps and nips at your insides, making you pause... A teenage girl comes home from school to find that something unsettling has changed in her parents' demeanours. RUATAPU RIVER The river remembers us as we remember it: the canoeing, the swimming, the paddling... It even remembers the drowning. But how much is memory, and how much is imagination? And can intuition really precede death? Voices is Jo Buer's second collection of short stories. If you enjoy thrilling escapades into the many facets of grief and uncovering beauty in darkness, then you'll love this new anthology. Poignant, haunting, and deliciously dark; pick up Voices today!

Born Bad: A Serial Killer Crime Thriller (Born Bad # 5) Meghan O'Flynn, 2022-02-23 Unputdownable. Unpredictable. A roller coaster of grit and emotion that cements O'Flynn's place as one of the most talented thriller authors in recent history. If you liked Gillian Flynn's Sharp Objects, Chelsea Cain's Heartsick, or Dexter, you'll love Born Bad. Born Bad meets Ash Park in an electrifying and darkly hilarious crime thriller that will keep you glued to the pages. A brilliant psychopath with a singular goal. A detective desperate to do the right thing—for once. What happens when their worlds collide? Poppy Pratt has spent years running from what she is. Pretending that her father wasn't a prolific serial killer. Pretending that she doesn't crave the stickiness of blood beneath her fingernails. Pretending to be normal. Now she's finally free—if you don't count the cheating husband she's currently saddled with and the baby in her guts. It's not so simple to murder your husband when you know you'll be the prime suspect, but her new city boasts the highest rate of serial killers in the country. In a place like Ash Park, it should be easy to stay out of the spotlight. But when a friend is found dead, Poppy finds herself thrust onto the radar of the local police force. One detective in particular appears to have it out for her. Detective Petrosky has lost colleagues before, and he won't allow this homicide to go by unresolved—he can't afford to. Unlike Poppy, Petrosky doesn't have the benefit of psychopathic numbness; he feels the guilt like a weight around his neck. If he screws up here, that weight might drag him down for good. A killer with no remorse. A detective with too much. Who will come out on top? *** KEYWORDS: serial killer's daughter, serial killer father, female protagonist, psychopath thriller, serial killer books, serial killer series, mystery domestic crime, dark suspense thriller, female serial killer, amateur sleuths, whodunnit mystery, whodunit thriller, psychological suspense, suspense fiction, suspense book, nail biting fiction, nail biter mystery, vigilante justice, edge of

Nariman Vakeel, the patriarch of a small discordant family, is beset by Parkinson's and haunted by memories of his past. He lives with his two middle-aged stepchildren, Coomy, bitter and domineering, and her brother, Jal, mild-mannered and acquiescent. But the burden of the illness worsens the already strained family relationships. Soon, their sweet-tempered half-sister, Roxana, is forced to assume sole responsibility for her bedridden father. And Roxana's husband, besieged by financial worries, devises a scheme of deception involving his eccentric employer at a sporting goods store, setting in motion a series of events that leads to the narrative's moving outcome. Family Matters has all the richness, the gentle humour, and the narrative sweep that have earned Mistry the highest of accolades around the world.
