Just Another (Shitty) Day In Paradise Lisa Mottola Hudon, 2013-02 No one ever said being married to a rock star was going to be easy; ask Nichole LaForge, wife of Garry LaForge . . . Yes, THE Garry LaForge--host of sold-out summer concerts, grand marshal of the crazy parade, guru of the laid-back-lifestyle, heartthrob of every dang bikini-clad, breast-job in the nation (shoot, don't get me started on that one). Anyway, regardless of what you may have read at the checkout counter, it was not a shotgun wedding. Although, I must admit, I preferred the focus rest on my pregnancy rather than the fact that I'd been raped and held captive by the Navy's not so finest just four months prior. Speaking of horrendous psychopaths (and I hate to even mention the name) - just wait ?til you hear what Hunter Rayburn has been up to this past year . . .? It's one mishap after another as Garry and Nichole venture from the deserts of Arizona to the swamps of the Everglades and into the horrifying depths of every parent's nightmare.

Then, thanks to a unique barter with the lead detective, Conklin finds himself in possession of the case file. He can now aggressively probe for his own answers. Sifting through the scant clues, eager to bring the killer to justice, Conklin struggles to maintain forward momentum. He has all the pieces. He can feel it. Diver's Paradise Davin Goodwin, 2020-04-07 Why do people close to Roscoe Conklin keep showing up dead—and on the paradise island of Bonaire? After 25 years on the job, Detective Roscoe Conklin trades his badge for a pair of shorts and sandals and moves to Bonaire, a small island nestled in the southern Caribbean. But the warm water, palm trees, and sunsets are derailed when his long-time police-buddy and friend back home, is murdered. Conklin dusts off a few markers and calls his old department, trolling for information. It's slow going. No surprise, there. After all, it's an active

investigation, and his compadres back home aren't saying a damn thing. He's 2,000 miles away, living in paradise. Does he really think he can help? They suggest he go to the beach and catch some rays. For Conklin, it's not that simple. Outside looking in? Not him. Never has been. Never will be. When a suspicious mishap lands his significant other, Arabella, in the hospital, the island police conduct, at best, a sluggish investigation, stonewalling progress. Conklin questions the evidence and challenges the department's methods. Something isn't right. Arabella wasn't the intended target. He was.
