Oxford Studies in Ancient Philosophy volume 39 Brad Inwood,2010-11-04 Oxford Studies in Ancient Philosophy is a volume of original articles on all aspects of ancient philosophy. The articles may be of substantial length, and include critical notices of major books. OSAP is now published twice yearly, in both hardback and paperback. 'The serial Oxford Studies in Ancient Philosophy (OSAP) is fairly regarded as the leading venue for publication in ancient philosophy. It is where one looks to find the state-of-the-art. That the serial, which presents itself more as an anthology than as a journal, has traditionally allowed space for lengthier studies, has tended only to add to its prestige; it is as if OSAP thus declares that, since it allows as much space as the merits of the subject require, it can be more entirely devoted to the best and most serious scholarship.' Flyfisher's Guide to Minnesota Mickey Johnson,2001 Minnesota has an almost limitless supply of fishable water, much of it only lightly flyfished. There are excellent trout streams in the southeast corner, strong salmon runs in the northeast, & more smallmouth, pike, & muskie fishing than seems possible. Other anglers have known for years what flyfishers are just discovering: Minnesota has some of the best fishing in the country -- & this book details it all. An all-in-one travel/fly fishing guidebook.
