Rise and Shine Simon Lewis,2010-05-01 “When I was thirty-five, my wife and I were both reported dead by the first paramedics to arrive at the scene of a seventy-five-mile-an-hour hit-and-run. My wife Marcy died instantly that day. With brain damage from a massive stroke and my body broken, I wasn’t expected to survive either.” So begins *Rise and Shine*, the dramatic story of Simon Lewis and his remarkable recovery from a horrific car accident. Told through the eyes of someone who has “lived through it” and successfully overcome the hurdles of the health insurance maze, *Rise and Shine* is a first-person account of unexpected tragedy and life-affirming courage, with lessons both medical and spiritual. *Rise and Shine* shows how much patients can achieve, beyond the limited horizons of insurance-based diagnosis, treatment and rehabilitation, to attain maximum regeneration and rebuild their lives. An inspiring story about what it means to return to life after a near-death experience, *Rise and Shine* is, essentially, an exploration of the nature of consciousness itself, and an impassioned tale about survival and recovery.

Monday mornings aren't supposed to be fun, but they should be predictable. However, on this particular Monday,

Stephanie Plum knows that something is amiss when she turns up for work at Vinnie's Bail Bonds to find that longtime office manager Connie Rosolli, who is as reliable as the tides in Atlantic City, hasn't shown up. Stephanie's worst fears are confirmed when she gets a call from Connie's abductor. He says he will only release her in exchange for a mysterious coin that a recently murdered man left as collateral for his bail. Unfortunately, this coin, which should be in the office—just like Connie—is nowhere to be found. The quest to discover the coin, learn its value, and save Connie will require the help of Stephanie's Grandma Mazur, her best pal Lula, her boyfriend Morelli, and hunky security expert Ranger. As they get closer to unraveling the reasons behind Connie's kidnapping, Connie's captor grows more threatening and soon Stephanie has no choice but to throw caution to the wind, follow her instincts, and go rogue.
