Rma Certification Exam Self-practice Review Questions for Registered Medical Assistant Candidates 2015

Examreview,2015-01-12 The American Medical Technologists AMT is a nationally and internationally recognized certification agency and membership society which administers the Registered Medical Assistant RMA certification exam. This book has questions covering the topics of Medical Laws, Insurance and Administrative Issues. We create these self-practice test questions referencing the concepts and principles currently valid in the exam. Each question comes with an answer and a short explanation which aids you in seeking further study information. For purpose of exam readiness drilling, this product includes questions that have varying numbers of choices. Some have 2 while some have 5 or 6. We want to make sure these questions are tough enough to really test your readiness and draw your focus to the weak areas. Think of these

as challenges presented to you so to assess your comprehension of the subject matters. The goal is to reinforce learning, to validate successful transference of knowledge and to identify areas of weakness that require remediation. The questions are NOT designed to “simulate” actual exam questions. “realistic” or actual questions that are for cheating purpose are not available in any of our products.
