Water-Blue Eyes Domingo Villar, Martin Schifino, 2013-07-01 Amid the aroma of the sea and the Galician pines, a young saxophonist is found dead in his swanky flat overlooking the beach. The murder seems to have taken place after a sexual encounter with a lover: there are two glasses filled with gin in the living room, and the dead man, Luis Reigosa, is tied by the wrists to the headboard of the bed. But the way he was killed makes it impossible to obtain any more clues about his activities that night: his stomach, groin and thighs are horribly burned, and his genitals look hideously like a toasted cashew. The unusually cold-blooded and cruel murder is assigned to Leo Caldas, a disheartened police inspector still searching for his place in the world. The case unfolds between inviting nights at the jazz clubs and the tense, affected atmosphere of affluent Vigo.

Want Not Jonathan Miles, 2013-11-05 A “shrewd, funny, and sometimes devastating” novel about the things we desire and the things we throw away (Entertainment Weekly). A New York Times Notable Book A highly inventive, corrosively funny story of our times, *Want Not* exposes three different worlds in various states of disrepair—a young freegan couple living off the grid in New York City; a once-prominent linguist, sacked at midlife by the dissolution of his marriage and his father’s losing battle with Alzheimer’s; and a self-made debt-collecting magnate, whose brute talent for squeezing money out of unlikely places has yielded him a royal existence, trophy wife included. *Want and desire* propel these characters forward toward something, anything, more, until their worlds collide, briefly, randomly, yet irrevocably, in a shattering ending that will haunt readers long after the last page is turned. “Its pleasures are endless.—Joshua Ferris, author of *Then We Came to the End* “Terrific...The novel may begin with prickly satire, it may dig deep into America’s disposable lifestyle, but it ultimately pivots to scenes of surprising tenderness...a novel to hoard.”—The Washington Post “Leaps nimbly from topic to topic...from freeganism to conspicuous consumption; from Manhattan’s Alphabet City to residential New Jersey to the backwoods of Tennessee; and from neighbors with nothing but geographical location in common to sisters who share nothing but blood....Sitting down with *Want Not* is like finding yourself opposite the most interesting person at a dinner party. It pulls you in immediately; makes you shake your head in wonder and delight at your new companion’s wit, originality, and compelling turns of phrase; and, best of all, surprises you into laughter.”—Pittsburgh Post-Gazette “For readers who relish extravagant language, scathing wit and philosophical heft, *Want Not* wastes nothing.”—Kirkus Reviews (starred review)

Black Swan Green David Mitchell,2007-02-27 By the New York Times bestselling author of *The Bone Clocks* and *Cloud Atlas* | Longlisted for the Man Booker Prize Selected by Time as One of the Ten Best Books of the Year | A New York Times Notable Book | Named One of the Best Books of the Year by The Washington Post Book World, The Christian Science Monitor, Rocky Mountain News, and Kirkus Reviews | A Los Angeles Times Book Prize Finalist | Winner of the ALA Alex Award | Finalist for the Costa Novel Award From award-winning writer David Mitchell comes a sinewy, meditative novel of boyhood on the cusp of adulthood and the old on the cusp of the new. *Black Swan Green* tracks a single year in what is, for thirteen-year-old Jason Taylor, the sleepiest village in muddiest Worcestershire in a dying Cold War England, 1982. But the thirteen chapters, each a short story in its own right, create an exquisitely observed world that is anything but sleepy. A world of Kissingeresque realpolitik enacted in boys' games on a frozen lake; of "nightcreeping" through the summer backyards of strangers; of the tabloid-fueled thrills of the Falklands War and its human toll; of the cruel, luscious Dawn Madden and her power-hungry boyfriend, Ross Wilcox; of a certain Madame Eva van Outryve de Crommelynck, an elderly bohemian emigré who is both more and less than she appears; of Jason's search to replace his dead grandfather's irreplaceable smashed watch before the crime is discovered; of first cigarettes, first kisses, first Duran Duran LPs, and first deaths; of Margaret Thatcher's recession; of Gypsies camping in the woods and the hysteria they inspire; and, even closer to home, of a slow-motion divorce in four seasons. Pointed, funny, profound, left-field, elegiac, and painted with the stuff of life, *Black Swan Green* is David Mitchell's subtlest and most effective achievement to date. Praise for *Black Swan Green* "[David Mitchell has created] one of the most endearing, smart, and funny young narrators ever to rise up from the pages of a novel. . . . The always fresh and brilliant writing will carry readers back to their own childhoods. . . . This enchanting novel makes us remember exactly what it was like."—The Boston Globe "[David Mitchell is a] prodigiously daring and imaginative young writer. . . . As in the works of Thomas Pynchon and Herman Melville, one feels the roof of the narrative lifted off and oneself in thrall."—Time

Raising the Bar Gary Erickson,2012-06-22 In April of 2000, Gary Erickson turned down a \$120 million offer to buy his thriving company. Today, instead of taking it easy for the rest of his life and enjoying a luxurious retirement, he's working harder than ever. Why would any sane person pass up the financial opportunity of a lifetime? *Raising the Bar* tells the amazing story of Clif Bar's Gary Erickson and shows that some things are more important than money. Gary Erickson and coauthor Lois Lorentzen tell the unusual and inspiring story about following your passion, the freedom to create, sustaining a business over the long haul, and living responsibly in your community and on the earth. *Raising the Bar* chronicles Clif Bar's ascent from a homemade energy bar to a \$100 million phenomenon with an estimated 35 million consumers, and a company hailed by Inc. magazine as one of the fastest-growing private companies in the U.S. four years in a row. The book is filled with compelling personal stories from Erickson's life-trekking in the Himalayan mountains, riding his bicycle over roadless European mountain passes, climbing in the Sierra Nevada range--as inspiration for his philosophy of business. Throughout the book, Erickson--a competitive cyclist, jazz musician, world traveler, mountain climber, wilderness guide, and entrepreneur--convinces us that sustaining one's employees, community, and environment is good business. If you are a manager, executive, business owner, or board member, *Raising the Bar* is your personal guide to corporate integrity. If you are a sports enthusiast, environmentalist, adventure lover, intrigued by a unique corporate culture, or

just interested in a good story, Raising the Bar is for you.

The Voynich Manuscript M. E. D'Imperio,1978 In spite of all the papers that others have written about the manuscript, there is no complete survey of all the approaches, ideas, background information and analytic studies that have accumulated over the nearly fifty-five years since the manuscript was discovered by Wilfrid M. Voynich in 1912. This report pulls together all the information the author could obtain from all the sources she has examined, and to present it in an orderly fashion. The resulting survey will provide a firm basis upon which other students may build their work, whether they seek to decipher the text or simply to learn more about the problem.
