Evermore Alyson Noël,2009-02-03 Don't miss *Evermore*, the first book in Alyson Noël's #1 New York Times bestselling *The Immortals* series. Enter an enchanting new world where true love never dies. . . After a horrible accident claimed the lives of her family, sixteen-year-old Ever Bloom can see people's auras, hear their thoughts, and know someone's entire life story by touching them. Going out of her way to avoid human contact and suppress her abilities, she has been branded a freak at her new high school—but everything changes when she meets Damen Auguste. Damen is gorgeous, exotic and wealthy. He's the only one who can silence the noise and random energy in her head—wielding a magic so intense, it's as though he can peer straight into her soul. As Ever is drawn deeper into his enticing world of secrets and mystery, she's left with more questions than answers. And she has no idea just who he really is—or what he is. The only thing she knows to be true is that she's falling deeply and helplessly in love with him.

Raising the Bar Gary Erickson,2012-06-22 In April of 2000, Gary Erickson turned down a \$120 million offer to buy his thriving company. Today, instead of taking it easy for the rest of his life and enjoying a luxurious retirement, he's working harder than ever. Why would any sane person pass up the financial opportunity of a lifetime? *Raising the Bar* tells the amazing story of Clif Bar's Gary

Erickson and shows that some things are more important than money. Gary Erickson and coauthor Lois Lorentzen tell the unusual and inspiring story about following your passion, the freedom to create, sustaining a business over the long haul, and living responsibly in your community and on the earth. Raising the Bar chronicles Clif Bar's ascent from a homemade energy bar to a \$100 million phenomenon with an estimated 35 million consumers, and a company hailed by Inc. magazine as one of the fastest-growing private companies in the U.S. four years in a row. The book is filled with compelling personal stories from Erickson's life-trekking in the Himalayan mountains, riding his bicycle over roadless European mountain passes, climbing in the Sierra Nevada range--as inspiration for his philosophy of business. Throughout the book, Erickson--a competitive cyclist, jazz musician, world traveler, mountain climber, wilderness guide, and entrepreneur--convinces us that sustaining one's employees, community, and environment is good business. If you are a manager, executive, business owner, or board member, Raising the Bar is your personal guide to corporate integrity. If you are a sports enthusiast, environmentalist, adventure lover, intrigued by a unique corporate culture, or just interested in a good story, Raising the Bar is for you.
