Want Not Jonathan Miles, 2013-11-05 A "shrewd, funny, and sometimes devastating" novel about the things we desire and the things we throw away (Entertainment Weekly). A New York Times Notable Book A highly inventive, corrosively funny story of our times, *Want Not* exposes three different worlds in various states of disrepair—a young freegan couple living off the grid in New York City; a once-prominent linguist, sacked at midlife by the dissolution of his marriage and his father's losing battle with Alzheimer's; and a self-made debt-collecting magnate, whose brute talent for squeezing money out of unlikely places has yielded him a royal existence, trophy wife included. Want and desire propel these characters forward toward something, anything, more, until their worlds collide, briefly, randomly, yet irrevocably, in a shattering ending that will haunt readers long after the last page is turned. "Its pleasures are endless.—Joshua Ferris, author of *Then We Came to the End* "Terrific...The novel may begin with prickly satire, it may dig deep into America's disposable lifestyle, but it ultimately pivots to scenes of surprising tenderness...a novel to hoard."—The Washington Post "Leaps nimbly from topic to topic...from freeganism to conspicuous consumption; from Manhattan's Alphabet City to residential New Jersey to the backwoods of Tennessee; and from neighbors with nothing but geographical location in common to sisters who share nothing but blood....Sitting down with *Want Not* is like finding yourself opposite the most interesting person at a dinner party. It pulls you in immediately; makes you shake your head in wonder and delight at your new companion's wit, originality, and compelling turns of phrase; and, best of all, surprises you into laughter."—Pittsburgh Post-Gazette "For readers who relish extravagant language, scathing wit and philosophical heft, *Want Not* wastes nothing."—Kirkus Reviews (starred review)

Summer Bird Blue Akemi Dawn Bowman, 2020-03-10 "A lyrical novel about grief, love, and finding oneself in the wake of a tragic loss." —Bustle "Gorgeous prose and heartbreaking storytelling." —Paste Magazine "Grabs your heart and won't let go." —Book Riot A Kirkus Reviews Best Book of the Year Three starred reviews for this stunning novel about a mixed-race teen who struggles to find her way back to her love of music in the wake of her sister's death, from the author of the William C. Morris Award finalist *Starfish*. Rumi Seto spends a lot of time worrying she doesn't have the answers to everything. What to eat, where to go, whom to love. But there is one thing she is absolutely sure of—she wants to spend the rest of her life writing music with her younger sister, Lea. Then Lea dies in a car accident, and her mother sends her away to live with her aunt in Hawaii while she deals with her own grief. Now thousands of miles from home, Rumi struggles to navigate the loss of her sister, being abandoned by her mother, and the absence of music in her life. With the help of the "boys next door"—a teenage surfer named Kai, who smiles too much and doesn't take anything seriously, and an eighty-year-old named George Watanabe, who succumbed to his own grief years ago—Rumi attempts to find her way back to her music, to write the song she and Lea never had the chance to finish. Aching, powerful, and unflinchingly honest, *Summer Bird Blue* explores big truths about insurmountable grief, unconditional love, and how to forgive even when it feels impossible.

A Dude's Guide to Baby Size Taylor Calmus, 2022-05-10 The viral video star behind Dude Dad offers a humorous and heartfelt guide to helping expectant fathers survive and thrive during the wild ride that is forty weeks of pregnancy. Numerous apps and books exist to help expectant parents understand their baby's development by comparing their unborn child to a raspberry or a stalk of broccoli, but Taylor Calmus takes issue with that. First off, your baby is not some wimpy little vegetable. Your baby is a hardcore little lug nut who is straight-up growing organs on a weekly basis. Second, how big is a stalk of broccoli? And what the heck is a kumquat? Clearly this situation calls for a better approach. Enter . . . *A Dude's Guide to Baby Size*. • At week nine, your little shredder resembles the circumference of a guitar pick. • At week twenty-four, your budding jalapeño is the size of some concession-stand nachos. • By week thirty-four, your little lopper is now the size of a sixteen-inch largemouth bass that weighs four to five pounds! This book is full of fun facts about your growing baby, advice on how to help Mom-to-be, as well as ideas and encouragement for you on your journey from Dude to Dude Dad. Buckle up for a wild ride full of maternity metaphors, gnarly playlists for all the special occasions, new parenting tales, dos and don'ts for expecting dads, and even an entire chapter dedicated to beef brisket!

Nickel and Dime Barbara Ehrenreich, 2010-04-01 The New York Times bestselling work of undercover reportage from our sharpest and most original social critic, with a new foreword by Matthew Desmond, author of *Evicted* Millions of Americans work full time, year round, for poverty-level wages. In 1998, Barbara Ehrenreich decided to join them. She was inspired in part by the rhetoric surrounding welfare reform, which promised that a job—any job—can be the ticket to a better life. But how does anyone survive, let alone prosper, on \$6 an hour? To find out, Ehrenreich left her home, took the cheapest lodgings she could find, and accepted whatever jobs she was offered. Moving from Florida to Maine to Minnesota, she worked as a waitress, a hotel maid, a cleaning woman, a nursing-home aide, and a Wal-Mart sales clerk. She lived in trailer parks and crumbling residential motels. Very quickly, she discovered that no job is truly unskilled, that even the lowliest occupations require exhausting mental and muscular effort. She also learned that one job is not enough; you need at least two if you intend to live indoors. *Nickel and Dime* reveals low-rent America in

all its tenacity, anxiety, and surprising generosity—a land of Big Boxes, fast food, and a thousand desperate stratagems for survival. Read it for the smoldering clarity of Ehrenreich's perspective and for a rare view of how prosperity looks from the bottom. And now, in a new foreword, Matthew Desmond, author of *Evicted: Poverty and Profit in the American City*, explains why, twenty years on in America, Nickel and Dimed is more relevant than ever.

Raising the Bar Gary Erickson, 2012-06-22 In April of 2000, Gary Erickson turned down a \$120 million offer to buy his thriving company. Today, instead of taking it easy for the rest of his life and enjoying a luxurious retirement, he's working harder than ever. Why would any sane person pass up the financial opportunity of a lifetime? *Raising the Bar* tells the amazing story of Clif Bar's Gary Erickson and shows that some things are more important than money. Gary Erickson and coauthor Lois Lorentzen tell the unusual and inspiring story about following your passion, the freedom to create, sustaining a business over the long haul, and living responsibly in your community and on the earth. *Raising the Bar* chronicles Clif Bar's ascent from a homemade energy bar to a \$100 million phenomenon with an estimated 35 million consumers, and a company hailed by Inc. magazine as one of the fastest-growing private companies in the U.S. four years in a row. The book is filled with compelling personal stories from Erickson's life-trekking in the Himalayan mountains, riding his bicycle over roadless European mountain passes, climbing in the Sierra Nevada range--as inspiration for his philosophy of business. Throughout the book, Erickson--a competitive cyclist, jazz musician, world traveler, mountain climber, wilderness guide, and entrepreneur--convinces us that sustaining one's employees, community, and environment is good business. If you are a manager, executive, business owner, or board member, *Raising the Bar* is your personal guide to corporate integrity. If you are a sports enthusiast, environmentalist, adventure lover, intrigued by a unique corporate culture, or just interested in a good story, *Raising the Bar* is for you.

The Measure Nikki Erlick, 2022-06-28 INSTANT NEW YORK TIMES BESTSELLER - The Read With Jenna Today Show Book Club Pick! A story of love and hope as interweaving characters display: how all moments, big and small, can measure a life. If you want joy, love, romance, and hope—read with us. —Jenna Bush Hager A luminous, spirit-lifting blockbuster for readers of *The Midnight Library*. Eight ordinary people. One extraordinary choice. It seems like any other day. You wake up, pour a cup of coffee, and head out. But today, when you open your front door, waiting for you is a small wooden box. This box holds your fate inside: the answer to the exact number of years you will live. From suburban doorsteps to desert tents, every person on every continent receives the same box. In an instant, the world is thrust into a collective frenzy. Where did these boxes come from? What do they mean? Is there truth to what they promise? As society comes together and pulls apart, everyone faces the same shocking choice: Do they wish to know how long they'll live? And, if so, what will they do with that knowledge? *The Measure* charts the dawn of this new world through an unforgettable cast of characters whose decisions and fates interweave with one another: best friends whose dreams are forever entwined, pen pals finding refuge in the unknown, a couple who thought they didn't have to rush, a doctor who cannot save himself, and a politician whose box becomes the powder keg that ultimately changes everything. Enchanting and deeply uplifting, *The Measure* is a sweeping, ambitious, and invigorating story about family, friendship, hope, and destiny that encourages us to live life to the fullest.

The Teleportation Accident Ned Beaman, 2013-02-26 Long-listed for the 2012 Man Booker Prize, *The Teleportation Accident* is a hilarious sci-fi noir about sex, Satan, and teleportation devices. When you haven't had sex in a long time, it feels like the worst thing that could ever happen. If you're living in Germany in the 1930s, it probably isn't. But that's no consolation to Egon Loeser, whose carnal misfortunes will push him from the experimental theaters of Berlin to the absinthe bars of Paris to the physics laboratories of Los Angeles, trying all the while to solve two mysteries: Was it really a deal with Satan that claimed the life of his hero, Renaissance set designer Adriano Lavicini, creator of the so-called Teleportation Device? And why is it that a handsome, clever, modest guy like him can't-just once in a while-get himself laid? Ned Bauman has crafted a stunningly inventive, exceptionally funny, dangerously unsteady and (largely) coherent novel about sex, violence, space, time, and how the best way to deal with history is to ignore it.

Black Swan Green David Mitchell, 2007-02-27 By the New York Times bestselling author of *The Bone Clocks* and *Cloud Atlas* | Longlisted for the Man Booker Prize Selected by Time as One of the Ten Best Books of the Year | A New York Times Notable Book | Named One of the Best Books of the Year by The Washington Post Book World, The Christian Science Monitor, Rocky Mountain News, and Kirkus Reviews | A Los Angeles Times Book Prize Finalist | Winner of the ALA Alex Award | Finalist for the Costa Novel Award From award-winning writer David Mitchell comes a sinewy, meditative novel of boyhood on the cusp of adulthood and the old on the cusp of the new. *Black Swan Green* tracks a single year in what is, for thirteen-year-old Jason Taylor, the sleepiest village in muddiest Worcestershire in a dying Cold War England, 1982. But the thirteen chapters, each a short story in its own right, create an exquisitely observed world that is anything but sleepy. A world of Kissingeresque realpolitik enacted in boys' games on a frozen lake; of "nightcreeping" through the summer backyards of strangers; of the tabloid-fueled thrills of the Falklands War and its human toll; of the cruel, luscious Dawn Madden and her power-hungry boyfriend, Ross Wilcox; of a certain Madame Eva van Outryve de Crommelynck, an elderly bohemian emigré who is both more and less than she appears; of Jason's search to replace his dead grandfather's irreplaceable smashed watch before the crime is discovered; of first cigarettes, first kisses, first Duran Duran LPs, and first deaths; of

Margaret Thatcher’s recession; of Gypsies camping in the woods and the hysteria they inspire; and, even closer to home, of a slow-motion divorce in four seasons. Pointed, funny, profound, left-field, elegiac, and painted with the stuff of life, *Black Swan Green* is David Mitchell’s subtlest and most effective achievement to date. Praise for *Black Swan Green* “[David Mitchell has created] one of the most endearing, smart, and funny young narrators ever to rise up from the pages of a novel. . . . The always fresh and brilliant writing will carry readers back to their own childhoods. . . . This enchanting novel makes us remember exactly what it was like.”—The Boston Globe “[David Mitchell is a] prodigiously daring and imaginative young writer. . . . As in the works of Thomas Pynchon and Herman Melville, one feels the roof of the narrative lifted off and oneself in thrall.”—Time

Having and Being Had Eula Biss,2020-09-01 A NEW YORK TIMES EDITORS’ CHOICE NAMED A BEST BOOK OF THE YEAR BY TIME , NPR, INSTYLE, AND GOOD HOUSEKEEPING “A sensational new book [that] tries to figure out whether it’s possible to live an ethical life in a capitalist society. . . . The results are enthralling.” —Associated Press A timely and arresting new look at affluence by the New York Times bestselling author, “one of the leading lights of the modern American essay.” —Financial Times “My adult life can be divided into two distinct parts,” Eula Biss writes, “the time before I owned a washing machine and the time after.” Having just purchased her first home, the poet and essayist now embarks on a provocative exploration of the value system she has bought into. Through a series of engaging exchanges—in libraries and laundromats, over barstools and backyard fences—she examines our assumptions about class and property and the ways we internalize the demands of capitalism. Described by the New York Times as a writer who “advances from all sides, like a chess player,” Biss offers an uncommonly immersive and deeply revealing new portrait of work and luxury, of accumulation and consumption, of the value of time and how we spend it. Ranging from IKEA to Beyoncé to Pokemon, Biss asks, of both herself and her class, “In what have we invested?”
