Southern Snacks Perre Coleman Magness,2018-08-06 This cookbook is dedicated to the truth that southerners are just as skilled and generous with the snack as they are with their bounteous, overflowing meals. In seventy-seven recipes that range from classic to contemporary, Perre Coleman Magness embraces the southern approach to snacking, including all the small bites you'll need for any event, whether a football game, a party, or, if things are looking down, a funeral. Many of the recipes are inspired by southern community cookbooks, home cooks, and chefs who put new twists on southern flavors. Highlighting local ingredients and traditional techniques, these snacks—from Fried Dill Pickles with Delta Comeback Sauce to Louisiana's Natchitoches Meat Pies and Charleston's Benne Wafers—shine a light on the diversity of regionally distinct southern cuisine. The contemporary recipes work ingeniously with familiar southern ingredients, from Field Pea Hummus and Country Ham Pate to Smoked Catfish Spread and Sweet Tea Pecans. The recipes are enriched with delightful stories and lore, along with thirty-six lush color photographs. Getting together with friends and family? You will never arrive empty-handed again.

The Best Simple Recipes America's Test Kitchen,2018-11-06 The Best Simple Recipes offers more than 200 full-flavored easy-to-prepare recipes that can be on the table in 30 minutes or less in an easy-to-read paperback format. Just because time is short, it doesn't mean you have to settle for a can of soup or a sandwich for dinner, or making one of the many boring and flavorless fast recipes (which often aren't even as fast as they promise). Our test cooks have created more than 200 recipes that keep the ingredients and cooking time to a minimum and offer tons of flavor and plenty of variety. By combining steps, minimizing pans, and employing a little test kitchen trickery, our test cooks have made naturally fast recipes even faster, and they've made recipes that traditionally take hours ready for the table in half an hour. And while they used a minimum of ingredients, one thing they didn't minimize was flavor.

Cooking with Texas Highways Nola McKey,2010-07-22 “Reflects the great ethnic diversity of the contemporary Texas table, offering everything from Sauerbraten . . . to Crawfish Etouffee.” —The Austin Chronicle Whether you’re hungry for down-home barbecue and Tex-Mex, or you want to try more exotic dishes such as Paella Valenciana and Thai Pesto, Texas Highways has long been a trusted source for delicious recipes that reflect wide-ranging Lone Star tastes. The state’s official travel magazine published its first Texas Highways Cookbook in 1986. Responding to the public’s demand for a new collection of the magazine’s recipes, the editors compiled *Cooking with Texas Highways*, a collection of more than 250 recipes that are as richly diverse and flavorful as Texas itself. *Cooking with Texas Highways* samples all the major ethnic cuisines of the state with recipes from home cooks, well-known chefs, and popular restaurants. It offers a varied and intriguing selection of snacks and beverages, breads, soups and salads, main dishes, vegetables and sides, sauces and spreads, desserts, and more. A special feature of this cookbook is a chapter on Dutch-oven cooking, which covers all the basics for cooking outdoors with live coals, including seventeen mouthwatering recipes. In addition, you’ll find dozens of the lovely color photographs that have long made Texas Highways such a feast for the eyes, along with tips on cooking techniques and sources for ingredients and stories about some of the folks who created the recipes. If you want to sample all the tastes of Texas, there’s no better place to start than *Cooking with Texas Highways*. “Texas culture in all its multi-ethnic variety is well represented.” —Texas Cooking

Well, Butter My Butt & Call Me A Biscuit Lori Plegge,2016-07-30 This cookbook has 6 generations of good ole southern family recipes as well as some fun ones. There are around 600 recipes in this book. You will find anything from purple hull peas to jalapeno cornbread, chocolate pie to frog legs, Dutch oven recipes to gifts in a jar, roadkill to potato soup. There is such a wide variety, you've got a lot recipes to choose from. I wrote this cookbook to share with others the delicious foods we grew up on and have passed on to our children. These recipes bring back childhood memories when our families would get together and have home cooked meals. Now a days, people don't want to cook from scratch because it is so much easier to just go out and get fast food. I miss the days of home cooked meals. I hope these meals put a smile on your face, bring back some childhood memories, and will allow your families to spend some quality time together. Enjoy!!!
