The Road Less Travel: The Road Warrior Anthony Ruben Lee,2011-06-10 I try to tell people be real with yourself with real problems in a real world itself. It's real but don't let your guard down, not for one bit and that road that you are traveling on is just around the corner just a few steps through your soul. A close encounter comes, you have a burning passion inside of you, and you do not know what to do. Sometimes we can go too fast on our own road. Slow down try to catch up with God and He has been there with you the whole time by your side so get up, don't quit. I am 38 years old with just a high school diploma in 1991. A born again Christian, single guy and blessed to have my mom and dad still living and the family is growing. I have accomplished a lot of stuff but not enough in life. By comparing to this book I think it was time for the world to know my small talent. I can express myself when God comes in more than I can speak it so it has grown very fast over the years. It was a small blank page journal started out to be and the rest is history.

The evolution of Jeep is covered from the 1960s through the 2000s. Features include some 225 photographs; a listing of AMC / Rambler clubs, organizations and business entities, with contact details; tables of detailed specifications and performance data; data on technical devices, trim packages and all model variations; a comprehensive account of AMC / Rambler appearances in film, television and cartoons.
