Dear Debt Melanie Lockert,2016-08-12 In her debut book Dear Debt, personal finance expert Melanie Lockert combines her endearing and humorous personal narrative with practical tools to help readers overcome the crippling effects of debt. Drawing from her personal experience of paying off eighty thousand dollars of student loan debt, Melanie provides a wealth of money-saving tips to help her community of debt fighters navigate the repayment process, increase current income, and ultimately become debt-free. By breaking down complex financial concepts into clear, manageable tools and step-by-step processes, Melanie has provided a venerable guide to overcoming debt fatigue and obtaining financial freedom. Inside Dear Debt you will learn to: • Find the debt repayment strategy most effective for your needs • Avoid spending temptations by knowing your triggers • Replace expensive habits with cheaper alternatives • Become a frugal friend without being rude • Start a side hustle to boost your current income • Negotiate your salary to maximize value • Develop a financial plan for life after debt

The Optometrist's Guide to Financial Freedom Aaron Neufeld,Dat Bui,2019-10-09 Fueled by the popular and rapidly growing ODsonFinance Facebook community of Optometrists and companion website, Co-founders Drs. Dat Bui and Aaron Neufeld created this comprehensive blueprint on techniques to overcome financial obstacles facing optometry students, residents, practicing doctors and other high-earning professionals. This book strives to teach both young and experienced optometrists financial topics that were never taught in school, ranging from strategies on how to use a high-income salary to attack massive student debt, budgeting and saving for retirement, avoiding predatory advice from financial advisers, using tax strategies to save money, creating passive income, stepping into private practice ownership and how to build wealth through long-term investing in an ever-changing optometric world. Clinical anecdotes and straightforward advice will keep students and new graduates entertained page after page while teaching important financial lessons to avoid potential pitfalls. This Book will cover topics such as: The harsh reality of Optometry and finding the right optometric career for you How to save money while in school and ways to attack student debt How to save for retirement and build wealth for the future through investing and real estate Practice ownership and creating a profitable practice Insurance and tax strategies, and when to hire professional help How to create your own side hustle Praise for the The Optometrist's Guide to Financial Freedom: This is it! The guide that every single optometrist should be reading! Why weren't we taught this in school? -Dr. Angela Wong O.D An amazing high-yielding personal finance guide for doctors and other high earning professionals! Very practical and straight to the point. -Dr. Andy Vu D.D.S. I've been following Dr. Dat and Dr. Aaron online for a while now, and I couldn't wait to pick up their new book! The financial advice they give is very practical and easy to follow. This is a must-read for any health care professional who wants to manage their money more efficiently. Highly recommended! -Dr. Austin Ofreneo, O.D. The ODsonFinance guys have done a great job in teaching young doctors how to tackle the unique financial issues that plague physicians! I felt so lost and helpless before I read this and now this book is a guiding light for my future wealth-building. -Dr. Rose Wei M.D.

Repaying Your Student Loans ,2002

The White Coat Investor James M. Dahle,2014-01 Written by a practicing emergency physician, The White Coat Investor is a high-yield manual that specifically deals with the financial issues facing medical students, residents, physicians, dentists, and similar high-income professionals. Doctors are highly-educated and extensively trained at making difficult diagnoses and performing life saving procedures. However, they receive little to no training in business, personal finance, investing, insurance, taxes, estate planning, and asset protection. This book fills in the gaps and will teach you to use your high income to escape from your student loans, provide for your family, build wealth, and stop getting ripped off by unscrupulous financial professionals. Straight talk and clear explanations allow the book to be easily digested by a novice to the subject matter yet the book also contains advanced concepts specific to physicians you won't find in other financial books. This book will teach you how to: Graduate from medical school with as little debt as possible Escape from student loans within two to five years of residency graduation Purchase the right types and amounts of insurance Decide when to buy a house and how much to spend on it Learn to invest in a sensible, low-cost and effective manner with or without the assistance of an advisor Avoid investments which are designed to be sold, not bought Select advisors who give great service and advice at a fair price Become a millionaire within five to ten years of residency graduation Use a Backdoor Roth IRA and Stealth IRA to boost your retirement funds and decrease your taxes Protect your hard-won assets from professional and personal lawsuits Avoid estate taxes, avoid probate, and ensure your children and your money go where you want when you die Minimize your tax burden, keeping more of your hard-earned money Decide between an employee job and an independent contractor job Choose between sole proprietorship, Limited Liability Company, S Corporation, and C Corporation Take a look at the first pages of the book by clicking on the Look Inside feature Praise For The White Coat Investor Much of my financial planning practice is helping doctors to correct mistakes that reading this book would have avoided in the first place. - Allan S. Roth, MBA, CPA, CFP(R), Author of How a Second Grader Beats Wall Street Jim Dahle has done a lot of thinking about the peculiar financial problems facing physicians, and you, lucky reader, are about to reap the bounty of both his experience and his research. - William J. Bernstein, MD, Author of The Investor's Manifesto and seven other investing books This book should be in every career counselor's office and delivered with every medical degree. - Rick Van Ness, Author of Common Sense Investing The White Coat Investor provides an expert consult for your finances. I now feel confident I can be a millionaire at 40 without feeling like a jerk. - Joe Jones, DO Jim Dahle has done for physician financial illiteracy what penicillin did for neurosyphilis. - Dennis Bethel, MD An excellent practical personal finance guide for physicians in training and in practice from a non biased source we can actually trust. - Greg E Wilde, M.D Scroll up, click the buy button, and get started today!

The Student Loan Handbook for Law Students and Attorneys Adam S. Minsky,2016-02-01

Student Loan Servicing Carly Adkins,2016 Student loans make up the nation's second largest consumer debt market, surpassing all other categories of consumer debt aside from mortgages. Servicers are a critical link between borrowers and lenders. They manage borrowers' accounts, process monthly payments, and communicate directly with borrowers. The servicer is often different than the lender, and a borrower typically has no control over which company services a loan. Regrettably, widespread servicing failures are being reported by both federal and private student loan borrowers. This book reviews and discusses public comments submitted in response to a request for information regarding student loan servicing by the Consumer Financial Protection Bureau. It includes recommendations for policymakers and market participants to improve borrower outcomes and reduce defaults, offering a roadmap for student loan servicing reform. This book also identifies a range of challenging issues for servicemembers with student loans.
