A Portrait of the Auteur as Fanboy Anastasia Salter,Mel Stanfill,2020-10-15 Increasingly over the past decade, fan credentials on the part of writers, directors, and producers have come to be seen as a guarantee of quality media making—the “fanboy auteur.” Figures like Joss Whedon are both one of “us” and one of “them.” This is a strategy of marketing and branding—it is a claim from the auteur himself or industry PR machines that the presence of an auteur who is also a fan means the product is worth consuming. Such claims that fan credentials guarantee quality are often contested, with fans and critics alike rejecting various auteur figures as the true leader of their respective franchises. That split, between assertions of fan and auteur status and acceptance (or not) of that status, is key to unravelling the fan auteur. In *A Portrait of the Auteur as Fanboy: The Construction of Authorship in Transmedia Franchises*, authors Anastasia Salter and Mel Stanfill examine this phenomenon through a series of case studies featuring fanboys. The volume discusses both popular fanboys, such as J. J. Abrams, Kevin Smith, and Joss Whedon, as well as fangirls like J. K. Rowling, E L James, and Patty Jenkins, and dissects how the fanboy-fangirl auteur dichotomy is constructed and defended by popular media and fans in online spaces, and how this discourse has played in maintaining the exclusionary status quo of geek culture. This book is particularly timely given current discourse, including such incidents as the controversy surrounding Joss Whedon’s so-called feminism, the publication of *Harry Potter and the Cursed Child*, and contestation over authorial voices in the DC cinematic universe, as well as broader conversations about toxic masculinity and sexual harassment in Hollywood.

A Dictionary of Film Studies Annette Kuhn,Guy Westwell,2020-04-28 *A Dictionary of Film Studies* covers all aspects of its discipline as it is currently taught at undergraduate level. Offering exhaustive and authoritative coverage, this A-Z is written by experts in the field, and covers terms, concepts, debates, and movements in film theory and criticism; national, international, and transnational cinemas; film history, movements, and genres; film industry organizations and practices; and key technical terms and concepts. Since its first publication in 2012, the dictionary has been updated to incorporate over 40 new entries, including computer games and film, disability, ecocinema, identity, portmanteau film, Practice as Research, and film in Vietnam. Moreover, numerous revisions have been made to existing entries to account for developments in the discipline, and changes to film institutions more generally. Indices of films and filmmakers mentioned in the text are included for easy access to relevant entries. The dictionary also has 13 feature articles on popular topics and terms, revised and informative bibliographies for most entries, and more than 100 web links to supplement the text.

Billboard ,2009-05-02 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Rats Saw God Rob Thomas,2007-05-22 For Steve York, life was good. He had a 4.0 GPA, friends he could trust, and a girl he loved. Now he spends his days smoked out, not so much living as simply existing. But his herbal endeavors -- and personal demons -- have lead to a severe lack of motivation. Steve's flunking out, but if he writes a one-hundred-page paper, he can graduate. Steve realizes he must write what he knows. And through telling the story of how he got to where he is, he discovers exactly where he wants to be....

Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Nostalgia Now Michael Hviid Jacobsen,2020-02-25 This volume explores the nature of nostalgia as an important emotion in contemporary society and social theory. Situated between the ‘sociology of emotions’ and ‘nostalgia studies’, it considers the reasons for which nostalgia appears to be becoming an increasingly significant and debated emotion in late-modern culture. With chapters offering studies of nostalgia at micro-, meso- and macro-levels of society, it offers insights into the rise to prominence of nostalgia and the attendant consequences. Thematically organised and examining the

role of nostalgia on an individual level – in the lives of concrete individuals – as well as analysing its function on a more historical social level as a collective and culturally shared emotion, *Nostalgia Now* brings together the latest empirical and theoretical work on an important contemporary emotion and proposes new agendas for research. As such, it will appeal to scholars of sociology, social theory, psychology and cultural studies with interests in the emotions.

*Open TV* Aymar Jean Christian, 2018-01-09 Introduction: independents change the channel -- Developing open tv: innovation for the open network, 1995-2005 -- Open tv production: revaluing creative labor -- Open tv representation: reforming cultural politics -- Open tv distribution: struggling for an independent market -- Scaling open tv: the challenges of big data television -- Epilogue: open tv and the future of the networked era

**Beyond Bombshells** Jeffrey A. Brown, 2015-09-09 *Beyond Bombshells* analyzes the cultural importance of strong women in a variety of current media forms. Action heroines are now more popular in movies, comic books, television, and literature than they have ever been. Their spectacular presence represents shifting ideas about female agency, power, and sexuality. *Beyond Bombshells* explores how action heroines reveal and reconfigure perceptions about how and why women are capable of physically dominating roles in modern fiction, indicating the various strategies used to contain and/or exploit female violence. Focusing on a range of successful and controversial recent heroines in the mass media, including Katniss Everdeen from *The Hunger Games* books and movies, Lisbeth Salander from *The Girl with the Dragon Tattoo* novels and films, and Hit-Girl from the *Kick-Ass* movies and comic books, Brown argues that the role of action heroine reveals evolving beliefs about femininity. While women in action roles are still heavily sexualized and objectified, they also challenge preconceived myths about normal or culturally appropriate gender behavior. The ascribed sexuality of modern heroines remains Brown's consistent theme, particularly how objectification intersects with issues of racial stereotyping, romantic fantasies, images of violent adolescent and preadolescent girls, and neoliberal feminist revolutionary parables. Individual chapters study the gendered dynamics of torture in action films, the role of women in partnerships with male colleagues, young women as well as revolutionary leaders in dystopic societies, adolescent sexuality and romance in action narratives, the historical import of non-white heroines, and how modern African American, Asian, and Latina heroines both challenge and are restricted by longstanding racial stereotypes.

*Serenity* Frederick Blichert, 2017-11-28 Joss Whedon's *Serenity* (2005) is at once a symbol of failure and a triumphant success of fan activism. The cult television icon's feature directorial debut functions as an extension of his canceled Fox series *Firefly*. Mourning their loss, fans of the show fought for more, making *Serenity* not just a cult film but a monument to cultdom. A minor box-office success upon first release, *Serenity* continues to be a sci-fi favorite, attracting fans, cosplayers, fan fiction authors, and more to conventions and charity screenings internationally. This book examines the relationship between the film and its peculiar cult following, largely established before a cult object even existed, and situates the film in relation to the series and its other transmedia continuations to plumb the status of different media texts and their platforms. Additionally, it explores those cult features of *Serenity*—a playful engagement with genre, with high and low culture, with gender roles—that predisposed it to such a fierce following, one that would follow Whedon into future series and blockbuster projects such as *The Avengers*.

**The Greatest Cult Television Shows of All Time** Christopher J. Olson, CarrieLynn D. Reinhard, 2020-05-29 Reaching back to the beginnings of television, *The Greatest Cult Television Shows* offers readers a fun and accessible look at the 100 most significant cult television series of all time, compiled in a single resource that includes valuable information on the shows and their creators. While they generally lack mainstream appeal, cult television shows develop devout followings over time and exert some sort of impact on a given community, society, culture, or even media industry. Cult television shows have been around since at least the 1960s, with *Star Trek* perhaps the most famous of that era. However, the rise of cable contributed to the rise of cult television throughout the 1980s and 1990s, and now, with the plethora of streaming options available, more shows can be added to this categorization. Reaching back to the beginnings of television, the book includes such groundbreaking series as *The Twilight Zone* and *The Prisoner* alongside more contemporary examples like *Crazy Ex-Girlfriend* and *Hannibal*. The authors provide production history for each series and discuss their relevance to global pop culture. To provide a more global approach to the topic, the authors also consider several non-American cult TV series, including British, Canadian, and Japanese shows. Thus, *Monty Python's Flying Circus* appears alongside *Sailor Moon* and *Degrassi Junior High*. Additionally, to move beyond the conception of “cult” as a primarily white, heteronormative, fanboy obsession, the book contains shows that speak to a variety of cult audiences and experiences, such as *Queer as Folk* and *Charmed*. With detailed arguments for why these shows deserve to be considered the greatest of all time, Olson and Reinhard provide ideas for discussion and debate on cult television. Each entry in this book demonstrates the importance of the 100 shows chosen for inclusion and highlights how they offer insight into the period and the cults that formed around them.

**Billboard**, 2009-10-10 In its 114th year, *Billboard* remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. *Billboard* publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

*More about Thomas the Tank Engine* Christopher Awdry, Clive Spong, 2007 The Reverend Awdry created *Thomas the Tank Engine* for his son,

Christopher Awdry, who continued his father's work by writing a further 14 books. Thomas fans will be delighted to see all of Christopher Awdry's stories beautifully reproduced and printed for the first time since 1996. Christopher Awdry's first Thomas book for 10 years is also being published by Egmont in September 2007.

**Mediated Nostalgia** Ryan Lizardi,2014-11-06 Considering the current rash of film remakes, vintage video game downloads, and box sets of bygone television shows, media today is obsessed with nostalgia. Instead of presenting a past that functions as an adaptive mirror with which we can compare our contemporary situation, the past is instead presented as an individualized version that transfixes us as uncritical citizens of our own culture. Mediated Nostalgia: Individual Memory and Contemporary Mass Media argues that the cultural implication of a cross-media eternal return to nostalgia is an increasing reliance on defining who we are as people and societies by what media we consumed as children. The unblinking eye toward the past knows no progress, or at the very least, does not employ the past to compare and adaptively engage with the present or future. Examining film, literature, television, and video games, Ryan Lizardi tackles the idea of why that strong sense of nostalgia is such a popular tactic for the media industry, and why it is problematic.

**Distribution Revolution** Michael Curtin,Jennifer Holt,Kevin Sanson,2014-09-05 Distribution Revolution is a collection of interviews with leading film and TV professionals concerning the many ways that digital delivery systems are transforming the entertainment business. These interviews provide lively insider accounts from studio executives, distribution professionals, and creative talent of the tumultuous transformation of film and TV in the digital era. The first section features interviews with top executives at major Hollywood studios, providing a window into the big-picture concerns of media conglomerates with respect to changing business models, revenue streams, and audience behaviors. The second focuses on innovative enterprises that are providing path-breaking models for new modes of content creation, curation, and distribution—creatively meshing the strategies and practices of Hollywood and Silicon Valley. And the final section offers insights from creative talent whose professional practices, compensation, and everyday working conditions have been transformed over the past ten years. Taken together, these interviews demonstrate that virtually every aspect of the film and television businesses is being affected by the digital distribution revolution, a revolution that has likely just begun. Interviewees include: • Gary Newman, Chairman, 20th Century Fox Television • Kelly Summers, Former Vice President, Global Business Development and New Media Strategy, Walt Disney Studios • Thomas Gewecke, Chief Digital Officer and Executive Vice President, Strategy and Business Development, Warner Bros. Entertainment • Ted Sarandos, Chief Content Officer, Netflix • Felicia D. Henderson, Writer-Producer, Soul Food, Gossip Girl • Dick Wolf, Executive Producer and Creator, Law & Order

**Investigating Veronica Mars** Rhonda V. Wilcox,Sue Turnbull,2011-03-08 During the course of its three seasons, Veronica Mars captured the attention of fans and academics alike. The 12 scholarly essays in this collection examine the show’s most compelling elements. Topics covered include vintage television, the search for the mother, fatherhood, the show’s connection to classical Greek paradigms, the anti-hero’s journey, rape narrative and meaning, and television fandom. Collectively, these essays reveal how a teen television show—equal parts noir, romance, social realism and father-daughter drama—became a worthy subject for scholarly study.

**Rob Thomas Fanbase Introduction**

Rob Thomas Fanbase Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Rob Thomas Fanbase Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Rob Thomas Fanbase : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding

various publications. Internet Archive for Rob Thomas Fanbase : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Rob Thomas Fanbase Offers a diverse range of free eBooks across various genres. Rob Thomas Fanbase Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Rob Thomas Fanbase Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Rob Thomas Fanbase, especially related to Rob Thomas Fanbase, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Rob Thomas Fanbase, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Rob Thomas Fanbase books or magazines might include. Look for these in online stores or libraries. Remember that while Rob Thomas Fanbase, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Rob Thomas Fanbase eBooks for free, including popular titles.Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books.Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Rob Thomas Fanbase full book , it can give you a taste of the authors writing style.Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Rob Thomas Fanbase eBooks, including some popular titles.

**FAQs About Rob Thomas Fanbase Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate

multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Rob Thomas Fanbase is one of the best book in our library for free trial. We provide copy of Rob Thomas Fanbase in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Rob Thomas Fanbase. Where to download Rob Thomas Fanbase online for free? Are you looking for Rob Thomas Fanbase PDF? This is definitely going to save you time and cash in something you should think about.
