Dannah Gresh

Secret Keeper Girl Dannah Gresh, 2017-09-05 Is your tween prepared for what's ahead? It used to be that middle school was the time to talk to kids about topics like modesty and body image. Unfortunately, the at-risk demographic for distorted views on the body is now girls ages 8–10. Fortunately, Dannah Gresh has provided a resource for this need. True Girl is geared to helping tween girls understand their dignity in Christ. It features a creative self-help text format that includes sidebars, quizzes, games, exploded quotes, and graphics to help them absorb the message. Here's what author Dannah Gresh has to say about the motivation behind the book: "My past fifteen years of studying at-risk teen and tween behavior has over and over again led me to good news: girls who are exposed to an age-appropriate, Bible-based understanding of beauty and fashion between the ages of 8-12 tend to be less likely to engage in early sexual activity or have body image issues. They are also more likely to have healthy friendships, excel academically, and become positive social contributors in their communities, all while expressing their beauty and value appropriately. It's not rocket science. It is social science paired with a whole lot of prayer and Bible study. We can change what tween girls see when they look in the mirror by changing what's inside their hearts." This is the heart behind True Girl: a desire to teach tween girls how valuable they are and how to honor their God-given dignity. Ultimately, it's about grounding girls in their identity in Christ so the tumultuous teen years don't uproot them. This book pairs with True Girl Mom-Daughter Devos, allowing moms a helpful resource for walking through this formative time with their tween girl.

Everybody Loves Our Town Mark Yarm,2011-09-06 Twenty years after the release of Nirvana's landmark album Nevermind comes *Everybody Loves Our Town: An Oral History of Grunge*, the definitive word on the grunge era, straight from the mouths of those at the center of it all. In 1986, fledgling Seattle label C/Z Records released *Deep Six*, a compilation featuring a half-dozen local bands: Soundgarden, Green River, Melvins, Malfunkshun, the U-Men and Skin Yard. Though it sold miserably, the record made music history by documenting a burgeoning regional sound, the raw fusion of heavy metal and punk rock that we now know as grunge. But it wasn't until five years later, with the seemingly overnight success of Nirvana's "Smells Like Teen Spirit," that grunge became a household word and Seattle ground zero for the nineties alternative-rock explosion. *Everybody Loves Our Town* captures the grunge era in the words of the musicians, producers, managers, record executives, video directors, photographers, journalists, publicists, club owners, roadies, scenesters and hangers-on who lived through it. The book tells the whole story: from the founding of the *Deep Six* bands to the worldwide success of grunge's big four (Nirvana, Pearl Jam, Soundgarden and Alice in Chains); from the rise of Seattle's cash-poor, hype-rich indie label Sub Pop to the major-label feeding frenzy that overtook the Pacific Northwest; from the simple joys of making noise at basement parties and tiny rock clubs to the tragic, lonely deaths of superstars Kurt Cobain and Layne Staley. Drawn from more than 250 new interviews—with members of Nirvana, Pearl Jam, Soundgarden, Alice in Chains, Screaming Trees, Hole, Melvins, Mudhoney, Green River, Mother Love Bone, Temple of the Dog, Mad Season, L7, Babes in Toyland, 7 Year Bitch, TAD, the U-Men, Candlebox and many more—and featuring previously untold stories and never-before-published photographs, *Everybody Loves Our Town* is at once a moving, funny, lurid, and hugely insightful portrait of an extraordinary musical era.

Camilla fears Jared will believe Steven's lies because of her shameful past. Jared has no time to return to Wyoming. Historical restoration contractors are in demand after the hurricane, and work takes him away from Camilla for longer stretches of time. He's concerned—someone is sending her flowers. When Steven threatens Jared, he fights back. But he won't marry Camilla if the only reason she sets a date is to avoid Steven. Together they learn their love is as steadfast as the Wyoming sky is blue, and Mardi Gras is the perfect time for a wedding.

Lies Women Believe Nancy Leigh DeMoss, 2007-05-01 Counter the lies that keep you from abundant living. Satan is the master deceiver and his lies are endless. And the lies Christian women believe are at the root of most of their struggles. Many women live under a cloud of personal guilt and condemnation, says Nancy DeMoss Wolgemuth. Many are in bondage to their past. Others are gripped by fear of rejection and a longing for approval. Still others are emotional prisoners. In best selling *Lies Women Believe*, Nancy exposes those areas of deception most commonly believed by Christian women—lies about God, sin, priorities, marriage and family, emotions, and more. She then sheds light on how we can be delivered from bondage and set free to walk in God's grace, forgiveness, and abundant life. Nancy offers the most effective weapon to counter and overcome Satan's deceptions: God's truth!

JonBenet Steve Thomas, Donald A. Davis, 2011-04-01 Finally, the information you've been waiting for: who really killed JonBenet? Perhaps the most compelling murder case of our day, the death of six-year-old JonBenet Ramsey galvanized the nation—and years after it occurred, the mystery still endures. Who killed the young beauty queen and why? Who is covering up for whom and who is simply lying? In *JonBenet*, the most authoritative and comprehensive study of the Ramsey murder, a former lead Boulder Police detective, Steve Thomas, explores the case in vivid and fascinating detail—pointing the way toward an analysis of the evidence some deem too shocking to consider. Here, Thomas raises these and many other provocative questions: -How was the investigation botched from the beginning—and why did police so carelessly allow the crime scene to be tampered with? -Why were John and Patsy Ramsey protected from early questioning and any lie-detector tests, even though their stories and behavior were erratic, suspicious and inconsistent? -Why was crucial evidence ignored, why were certain key witnesses unquestioned by detectives, and why were the Ramseys privy to sensitive information about the case and even police reports?

Model Michael Gross, 2011-10-18 Investigative journalist Michael Gross delves into the history of models and takes us into the private studios and hidden villas where models play and are preyed upon, going beyond modeling's carefully constructed facade of glamour to expose the scandal and untold truths that permeate the seemingly glamorous business. Here for the first time is the complete story of the international model business—and its evil twin: legalized flesh peddling. It's a tale of vast sums of money, rape both symbolic and of the flesh, sex and drugs, obsession and tragic death. At its heart is the most unholy combination in commerce: beautiful, young women and rich, lascivious men. Fashion insider Michael Gross has interviewed modeling's pioneers, survivors, and hangers-on, and he tells the story of the greats: Lisa Fonssagrives; Anita Colby, Candy Jones; Dorian Leigh and her sister Suzy Parker; Jean Shrimpton and Twiggy; Veruschka and Lauren Hutton; and today's supermodel trinity, Christy, Naomi and Linda.

26 Pebbles Eric Ulloa, 2017 On December 14, 2012, Adam Lanza walked into Sandy Hook Elementary School and killed twenty-six innocent souls before taking his own life. These twenty-six innocent deaths, like pebbles thrown into a pond, created ripples and vibrations that were felt far beyond the initial rings. This is the story of those vibrations. Similar in style to The Laramie Project, playwright Eric Ulloa conducted interviews with members of the community in Newtown and crafted them into an exploration of gun violence and a small town shaken by a horrific event.
