Derecho penal económico y de la empresa. Norberto Javier de la Mata Barranco,2018-07-18 Que este libro se llame Derecho penal económico y de la empresa refleja que no está claro qué es el Derecho penal económico, o “socioeconómico”, que es el adjetivo que aparece en nuestro Código Penal. Una mención esta que tampoco nos saca de dudas, pues los delitos socioeconómicos son una parte indeterminada de un macrotítulo en el que conviven con los patrimoniales y que no engloba delitos indubitadamente económicos, como los de defraudación tributaria. No sabemos muy bien qué son o hasta dónde alcanzan los delitos económicos pero sí que no obstante son objeto de especial preocupación social y atención judicial y académica. La sociedad está alarmada por la delincuencia económica y los cada vez más minuciosos y brillantes estudios doctrinales no hacen sino reflejar dicha consternación y tratar de paliarla con nuevas propuestas legislativas o con mejores lecturas de los tipos penales existentes.Preocupa la delincuencia económica y de la empresa como delincuencia “de ricos”, de “cuello blanco”, rasgo criminológico que resta comprensión y suma indignación a la irregularidad movida por el lucro. Preocupa también por su imbricación en la corrupción pública: por la percepción de que ciertos delitos económicos terminan haciendo tambalear nuestras instituciones democráticas. Y preocupa también, ahora académicamente y en un cierto sentido inversamente, el que tal preocupación provoque una reacción normativa e interpretativa que debilite las asentadas garantías sustantivas y procesales.

Making Online News Chris A. Paterson,David Domingo,2008 Volume 2 summary: Online journalism has taken center stage in debates about the future of news. Instead of speculating, this volume offers rich empirical evidence about actual developments in online newsrooms. The authors use ethnographic methodologies to provide a vivid, close analysis of processes like newsroom integration, the transition of newspaper and radio journalists to digital multimedia production, the management of user-generated content, the coverage of electoral campaigns, the pressure of marketing logics, the relationship with bloggers or the redefinition of news genres. -- Publisher description.

The Client-Centered Law Firm Jack Newton,2020-01-28 The legal industry has long been risk averse, but when it comes to adapting to the experience-driven world created by companies like Netflix, Uber, and Airbnb, adherence to the old status quo could be the death knell for today's law firms. In The Client-Centered Law Firm, Clio cofounder Jack Newton offers a clear-eyed and timely look at how providing a client-centered experience and running an efficient, profitable law firm aren't opposing ideas. With this approach, they drive each other. Covering the what, why, and how of running a client-centered practice, with examples from law firms leading this revolution as well as practical strategies for implementation, The Client-Centered Law Firm is a rallying call to unlock the enormous latent demand in the legal market by providing client-centered experiences, improving internal processes, and raising the bottom line.

Legal Upheaval Michele DeStefano,2018 This book is for anyone invested in the future of the legal profession, be it someone tasked with transforming their practice, someone looking to approach their work in a new way, someone looking for a fresh approach to client relations, or someone new to the field interested in a forecast of the world to come.

Prepare for War Rebecca Brown,1992-09-01 In this spiritual warfare manual, Dr. Rebecca Brown writes from seven years’ experience helping deliver many, many people out of hard-core satanism. A sequel to Dr. Brown’s best seller He Came to Set the Captives Free, this book will show you how to: Stand victoriously against Satan Deal with the dangerous New Age teachings Recognize and deal with satanic ritualistic abuse of children Minister in the area of deliverance Handle the rarely discussed problems people face after deliverance It’s shocking! It’s graphic! But this is war! Do you know how Satan can use “doorways,” including yoga, role-playing games, and meditation, to bring demonic destruction into your home? Satan hates you and wants to destroy you. To be victorious, you must Prepare for War.

Canadian Criminology John Winterdyk,2023-03-21 Taking a well-rounded, interdisciplinary approach, Canadian Criminology draws on a wealth of research, theory, examples, and the latest Canadian statistics to provide a comprehensive and accessible overview of the field today. Canadian Criminology offers students the foundation they need to think critically about how we define criminal acts, why these acts occur, and what Canadian society should do about it.

He Came to Set the Captives Free Rebecca Brown,1992-07-01 For seventeen years, Elaine served her master, Satan, with total commitment. Then she met Dr. Rebecca Brown, who served her master, Jesus Christ, with equal commitment. Elaine, one of the top witches in the U.S., clashed with Dr. Brown, who stood against her alone. In the titanic life-and-death struggle that followed, Dr. Brown nearly lost her life. Elaine, finding a power and love greater than anything Satan could give her, left Satan and totally committed her life to Jesus Christ. This is an honest, in-depth account of Satan's activities today. You'll see how to: Recognize and combat the many satanists who regularly infiltrate and destroy Christian churches. Recognize and combat satanic attacks. Recognize those serving Satan, and bring them to Jesus Christ.

The Value of Values Ed Gagnon,2009-09-01 An individual's values are established in childhood and serve as filters when determining right from wrong throughout the person's life. In today's society, this process of establishing values within our children is given little concern. The responsibilities of parenting have become a reactionary process whereby each parent is doing whatever he or she must do in order to get through life. By default, we are teaching our children that values such as integrity, respect for life, courage of conviction, purposefulness and generosity are secondary to making a living. In truth, there is nothing stopping us from being true to good and meaningful values except ourselves. The Value of Values teaches us the required actions and the reasons this important transition is needed. This book identifies what it will take from each of us to sustain the drive to pass our values onto our children. Ed Gagnon is a vice president at a manufacturing company in North Attleboro, Massachusetts.

The Value of Values is his fifth published book, and he has more in the works.

The Christian In Complete Armour William Gurnall,2021 In a world where war is a persistent reality in media and in film, there is a larger, consequential war being waged everyday that is often neglected: the Spiritual war inside of us. Written in the English Puritan era but just as powerful and inspiring today, William Gurnall's timeless epic *The Christian in Complete Armour* serves as a beautifully written and action-packed spiritual guidebook A call to arms for Christians, Gurnall's expounded sermons on Ephesians 6:10-20 are as practical as they are illuminating. With stunning prose and page-turning excitement, the battle for the soul and the descriptions of the God-given protections and weapons ascribed to the believer are detailed and explained. Gurnall's masterpiece has been inspiring Christians since the 17th century, and has never been as applicable and urgently needed as the present day. Praise of the work: If I might read only one book beside the Bible, I would choose *The Christian in Complete Armour*. -John Newton Peerless and priceless; every line full of wisdom. -C. H. Spurgeon A beautiful feature in Gurnall's book is its richness in pithy, pointed, and epigrammatical sayings. You will often find in a line and a half some great truth, put so concisely, and yet so fully, that you really marvel how so much thought could be got into so few words. -J. C. Ryle
