Living Your Love Every Day Judith Sherven, James Sniechowski, 2016-02-22 Whether you are married or dating, there's so much more for you to enjoy . . . Truly! In Living Your Love Every Day' we share with you short stories from our marriage to highlight what it means to keep romance alive and make love out of bed! We share the kinds of little and larger moments that fuel the pleasure of daily romance and real life love - so you can be inspired to create this kind of daily romance in your own life! ***** Wondrous Intimacy Thank you Judith & Jim for coining up with, what is for me, the phrase of the millennium - The Magic of Differences. It's the true way for wondrous intimacy and the way for peace on earth. And I love that you included that magic in all the beautiful stories you share in Living Your Love Every Day. It's such a moving and fun read! Harrigan Logan, Santa Barbara, CA Best Fruits of Their Wisdom Judith and Jim share the best fruits of their wisdom in Living Your Love Every Day. It's a deep glimpse into their beautiful partnership and marriage (since they met in 1987 and married in 1988), their mutual life's work, and the essence of their other relationship books. Pure enjoyment! Jalel Sager, Hanoi, Viet Nam ***** You see, when we knew we were a serious couple, we made an agreement, a solemn oath, to make sure we found the personal and spiritual lessons, the hidden blessings . . . in our differences . . . and of course what that really meant was in any conflict that we would inevitably get into. That's how we discovered the magic in our differences . . . Just like they exist in your differences . . . Oh, Yes they do! You see, when we had to resolve our conflicts so both of us benefitted . . . Cause that's what it means when you love someone . . . you can't want to wipe someone out and emotionally clobber them . . . and call it love . . . No way! So through practicing healthy conflict resolution that's how we realized the very real magic in our differences, the real-life magic that continues to help us reach further and further for the truth . . . Far beyond our nutty, unconscious blind spots that were responsible for most if not all of the conflicts we've gotten into. We're also committed to the joy of affection across those differences . . . and that's opened up a whole new powerful world of Small Kindnesses That creates an atmosphere of playful sweetness between us all the rest of the time that we call The Joy of Small Kindnesses. There's something more about our differences that's been majorly important . . . and we know it's hugely important to you. You see, it's been in those differences that we've also discovered the romantic power, the sweet little passions in what we call Small Kindnesses . . . the tiny little endearments that rekindle romance and keep love ready to move you forward. You know yourself that you always want to be remembered . . . you want to know that you're still special in the eyes and heart of the one you love . . . So, that's why Small Kindnesses are so important. And in Living Your Love Every Day you'll get to read about how we weave them into our everyday life. You see this book isn't an academic or psychological text. It's not even your typical self-help book. You might have been expecting that because we've been teaching singles and couples about real love and sweet romance in seminars, keynotes, newsletters . . . you name it . . . for decades and we have 4 books out there on the subject . . . Even if you have a pretty good relationship, you still want to know how to make it better, how to make it more passionate, more fun, more . . . well, you know . . . It's waiting for you. It really really is. Find out now how to create it in your everyday life. We show you how.

Finding a Life Partner Rajendra Gour, 2011-04-06 This is a valuable journey that the writer takes us all on in his book. He hopes the lesson he learned and the tips his book offers its readers will make their life journey smooth and happy. Is There a New and Better Way? The writer tries to show how we can find and build a good relationship with a marriage partner. Love and Intimacy in Online Cross-Cultural Relationships Wilasinee Pananakhonsab, 2016-11-16 This book challenges assumptions about the motivations that drive women from relatively poor, developing countries to use intermarriage dating sites to find partners from relatively wealthy, developed countries. It is generally assumed that economic deprivation or economic opportunities are the main factors, but this book instead focuses on the work of women's imagination in online cross-cultural relationships, including the role of desire, love and intimacy. The experiences of Thai women are used to explore how they initiate, develop and maintain love and intimacy with Western men across distance and time. The book shows that, in the absence of opportunities to search and meet partners from geographically distant parts of the world, the technology of the internet offers new ways of searching for and managing relationships and has significant consequences for local experiences and expectations of love and partnering. The book will be of interest to scholars and students with an interest in family and intimate life, gender and sexualities, Asian and Thai studies, globalization and nationalism, culture and media, sociology and anthropology.

Unguarded Moments M. L. Broome, Julie Soper, 2019-07-08 From the Moment We Met, the first book in the romantic saga, *A Series of Moments*, introduced us to Jacob Edmonton and Lilly Staver, and a love neither believed possible. But life is all about the choices you carry with you and those you leave behind. Love is no different. Now, in *Unguarded Moments*, Jacob realizes that his actions have consequences, and his heart is paying the price. Jacob made a choice. Now, in *Unguarded Moments*, he realizes he's made the wrong one. The lights of Hollywood do shine, but not nearly as bright as the light of love. He's ready to fight tooth and nail to bring Lilly back into his life but is it too late to undo the damage? Lilly saw the writing on the wall, but she chose to follow her heart instead. Her foolish, naïve heart. She's learned her lesson many times over-loving Jacob was a bad idea in every sense of the word. She vows to never make the same mistake again...but can she resist the one man who still holds all the pieces of her shattered soul? She gave him her love, but instead of loving her back-he watched her walk away. Thousands of kilometers lie between them now, but the distance isn't Jacob's toughest hurdle. It will be far more difficult to convince Lilly that loving him wasn't the gravest mistake she's ever made. The heart wants what the heart wants-but can Lilly believe in Jacob again, or will her fears end any chance of their reconciliation? This is the second of three books in 'A Series of Moments,' chronicling the timeless and heart-wrenching love story of Jacob Edmonton & Lilly Staver.

From Chernobyl with Love Katya Cengel,2023-05-15 2019 Foreword INDIES Award, Gold for Autobiography & Memoir Bronze Medal winner in the Independent Book Publishers Awards In the wake of the fall of the Berlin Wall, the late twentieth century was a time of unprecedented hope for democracy and freedom in Eastern Europe. The collapse of the Soviet Union left in its wake a number of independent countries where the Scorpions' 1990 pop ballad Wind of Change became a rallying cry. Communist propaganda was finally being displaced by Western ideals of a free press. Less than two decades ago, young writers, journalists, and adventurers such as Katya Cengel flocked from the West eastward to cities like Prague and Budapest, seeking out terra nova. Despite the region's appeal, neither Kyiv in the Ukraine nor Riga in Latvia was the type of place you would expect to find a twenty-two-year-old Californian just out of college. Kyiv was too close to Moscow. Riga was too small to matter--and too cold. But Cengel ended up living and working in both. This book is her remarkable story. Cengel first took a job at the Baltic Times just seven years after Latvia regained its independence. The idea of a free press in the Eastern Bloc was still so promising that she ultimately moved to the Ukraine. From there Cengel made several trips to Chernobyl, site of the world's worst nuclear disaster. It was at Chernobyl that she met her fiancé, but as she fell in love, the Ukraine collapsed into what would become the Orange Revolution, bringing it to the brink of political disintegration and civil war. Ultimately, this fall of idealism in the East underscores Cengel's own loss of innocence. From Chernobyl with Love is an indelible portrait of this historical epoch and a memoir of the highest order.

Sex, Love, and Friendship Adrienne Leigh McEvoy,2011-08 The joke is that all the prostitutes go on vacation when the philosophers come to town. The reason that the other conventioners do it; philosophers just talk about it. And talk about sex and love, and friendship is what the contributors to this volume do! They talk and argue, split hairs and clarify, all trying to advance our understanding of this most interesting practice of the human species. Some of the best minds on three continents, from four nations, and eighteen of the United States discuss such topics as adultery, commitment, cross dressing, gender politics, date rape, family, friendship, friends as lovers, gayness, love, marital pluralism, marriage, prostitution, religiously motivated anti-queer sentiments, same sex marriage, seduction, and self-respect. Rather than preach, participants probe our attitudes and practices involving these issues with the aim of better understanding the broad range of sexual practices of our species. The result is a collection of stimulating essays that can enliven class discussions as well as provide guidance for the sexually perplexed. The work is accessible to readers from high school through college and beyond.
