Columbus Pizza Jim Ellison,2017-09-04 For nearly a century Columbus, Ohio pizza parlors have served up delicious meals by the tray and by the slice. This history goes back to the 1930s, when TAT Ristorante began serving pizza. Today, it is the oldest family-owned restaurant in the city. Over the years, a specific style evolved guided by the experiences and culinary interpretations of local pizza pioneers like Jimmy Massey, Romeo Sirij, Tommy Iacono, Joe Gatto, Cosmo Leonardo, Pat Orecchio, Reuben Cohen, Guido Casa and Richie DiPaolo. The years of experimentation and refinement culminated in Columbus being crowned the pizza capital of the USA in the 1990s. Author and founder of the city's first pizza tour Jim Ellison chronicles one of the city's favorite foods.

The Royal Romeos Series Jenny Gardiner ,2019-04-19 Finally, the continuation of the It's Reigning Men series, set amidst the opulence and splendor of the Tuscan wine country, with the first three books bundled together for the first time. Red Hot Romeo Love the wine you're with... Alessandro Romeo is burned out after finally extricating himself from a nearly year-long relationship with a hot-tempered Italian model who set fire to his Lamborghini when she suspected him of cheating. He's sworn off the fairer sex and instead spends his waking hours overseeing the expansion of his family's hugely successful winery in the magnificent hills of Chianti, where he is happy to never see a model again, let alone date one. American supermodel Taylor McFarland might be blond, but she sure isn't dumb. And she's smart enough to know to avoid the shallow men who seem to migrate toward her type, the ones who presume that models are the wild women of the fashion industry who happily discard men like used tissues. Only Taylor's not that type at all; instead, she's intent on using the influence her position affords her to help those less fortunate than she. But when her good deeds means clashing with the quintessential heartless Italian player who she'd heard left model Gia Sandretti at the altar, well, she will happily give him a piece of her mind, and certainly not a piece of her heart. Black Sheep Romeo On cloud wine... Sometimes trouble seems to find Matteo Romeo whether he seeks it out or not. Long regarded as the black sheep of the famed Romeo winemaking family, he's hardly surprised when he finds himself in yet another predicament, this time harboring an unauthorized farmhand who he's discovered hiding in a tool shed just as the grape harvest gets underway. Freespirited Lizzie Moretti has long prized her independence. Lizzie's been wandering around the world, working odd jobs to earn just enough money to keep on the go. Forced to flee an aggressive host in the middle of a rainy night while working on a farm in Tuscany, she seeks the shelter of a tool shed until she can figure out a plan. Alas, it happens to be on the estate of the wealthy Romeo family on the eve of the coveted grape harvest, when strangers like Lizzie are most unwelcome. She's never put down roots. And he can't seem to escape the roots that sometimes feel like they're strangling him. They both walked away from family, but can they find salvation in the very family they've tried to run from? Red Carpet Romeo Look who's grown up now... Valentina Romeo loved a romantic wedding, and couldn't wait to serve as an attendant in her favorite cousin Prince Luca of Monaforte's upcoming nuptials. She and Luca had reveled in childhood summers at the family estate on the Ligurian Sea. Many of her fondest memories were made there, along with one of her most humiliating, when Luca's college roommate Parker shunned her brave declaration of love. Investment banker Parker Hornsby hadn't been back to Monaforte since he was in college. Back then he'd spent a glorious summer enjoying idyllic days at his best friend Luca's family beach home. The fun was marred only by Luca's obtrusive younger cousin Valentina, who could barely mask her crush on Parker, forcing him to flatly cut her off before she got her hopes up. The last thing Parker wanted was to be accused of going after his friend's jailbait cousin, even if she was about the sweetest fourteen-year old girl he'd ever met. But when Parker shows up in Monaforte, paired in Luca's wedding with Valentina, all bets are off on whether he can restrain himself from the beautiful—and fully grown-up—heiress to the world-famous Romeo wine label, or whether he remains the nemesis she thinks he is.

Behind the Store Vincent Romeo,2011-03 For the Romeo family of Cleveland, Ohio, in the 1950s, the kitchen table was the heart of the house. Not only was it the altar on which Mrs. Romeo served simple and healthy Italian food, but it had seen and heard everything. In his memoir, Behind the Store, author Vincent Romeo narrates the stories of his life, many of which revolved around the family's kitchen table. Romeo shares his childhood experiences that centered on his relationships with his mother, father, and sister; their grocery store; and their Mount Pleasant neighborhood. The memories are at times lively and poignant and at other times painful. While remaining true to the typical Italian American experience, with his mother's food as the family's focal point, Romeo recounts his struggle to become his authentic self, despite an abusive family member. With his mother's favorite Italian recipes included, Behind the Store shares the stories of one man's life journey from a boy who longed for his father's love and appreciation to a man who honors his Italian American heritage.
