*Root Magic* Eden Royce,2021-01-05 "A poignant, necessary entry into the children's literary canon, *Root Magic* brings to life the history and culture of Gullah people while highlighting the timeless plight of Black Americans. Add in a fun, magical adventure and you get everything I want in a book!"—Justina Ireland, New York Times bestselling author of *Dread Nation* Debut author Eden Royce arrives with a wondrous story of love, bravery, friendship, and family, filled to the brim with magic great and small. It's 1963, and things are changing for Jezebel Turner. Her beloved grandmother has just passed away. The local police deputy won't stop harassing her family. With school integration arriving in South Carolina, Jez and her twin brother, Jay, are about to begin the school year with a bunch of new kids. But the biggest change comes when Jez and Jay turn eleven— and their uncle, Doc, tells them he's going to train them in rootwork. Jez and Jay have always been fascinated by the African American folk magic that has been the legacy of their family for generations—especially the curious potions and powders Doc and Gran would make for the people on their island. But Jez soon finds out that her family's true power goes far beyond small charms and elixirs...and not a moment too soon. Because when evil both natural and supernatural comes to show itself in town, it's going to take every bit of the magic she has inside her to see her through. All About Roots Claire Throp,2014-09-11 Books in this series introduce children to different parts of plants. Simple, accessible text breaks down crucial concepts and key vocabulary, and stunning photographs of a wide variety of plants show how diverse plants can be. In *Roots*, children learn about roots, including where they can be found, what they look like and the vital jobs they do for plants.

**The Spiritual Root of the Matter Is Found in Me!** Pamela McKissack,2012-06 This work is being released after being hindered for a little over 3 years. However, due to the importance, continued promptings, encouragement, consistent help and steadfastness of the Holy Spirit, we are finally able to release it to the body of Christ as led and directed by the Lord. Seeing that none of us are perfect, we have done our best to help you understand how the Lord is desiring us to gain the ability to resist dark spirit infiltrations, development and infestations against our body, soul, spirit life and relationships, which could lead to spiritual captivity, spiritual spoil, spirit domination and can even cause or produce servants of corruption without, consistent releases from dark spirit activity and intrusions of dark spirit life. Although, it may not be a perfect work (it is the Lord that perfects His work in our lives), it is a complete assignment within itself. None of us will ever be perfect outside of Christ. We have stood in the gap to complete this work for the body of Christ and those desiring to be in the Lord's camp, by the will of the Lord and by His grace we humbly release this writing, to help you stand in these last days, in obedience to the Lord and we pray to do a Volume Two to continue working towards perfecting anything we could have missed while continuing to stand, during try times and hindrances, to complete this work. It continues to be a good fight of faith all the way for the honor and glory of His name! Eze 22.30. Sam 15.22. Eph 6.13. Please remember that our independent flow charts are now available (to help preserve the body, soul and/or spirit life and situations in Christ) and can be used as a supplement to this writing to help you stand in battle in these areas and/or withstand whatever and however the enemy is trying to affect and/or operate in your life. Be encouraged, there is hope in Christ Jesus because of His complete work at Calvary. HE IS RISEN! He is Lord, in the spirit realm. He is Lord of all! Mt. 28.6. We bless you in the name of the Lord! Below the Root Zilpha Keatley Snyder,2012-12-04 In the "Newbery Honor-winning author's compelling fantasy" for young adults, a boy is chosen to rule his idyllic land—only to discover its dark secrets (Publishers Weekly). Green-sky is an ideal place. Violence doesn't exist. Its citizens, the Kindar, glide from tree to tree and exchange happy thoughts. This is all thanks to their rulers, the Ol-zhaan. And on his thirteenth birthday, Raamo D'ok is chosen to become one of the Ol-zhaan. Raamo is surprised to be named a Chosen. He isn't a very good student—but the Ol-zhaan believe he has strong Spirit-force. But during his training, Raamo discovers that these good rulers aren't as benevolent as they appear. They harbor secrets about his people, his family, and what lies below the forest floor. Now Raamo must decide: Should he keep the peace, or reveal the secrets that the Ol-zhaan have protected for so long? This ebook features an extended biography of Zilpha Keatley Snyder.

Root Issues Mayra Leon,2008-05-01 What price would you pay for true peace, joy, and purpose? Sometimes we have to go back before we can go forward. What is holding you back? In *Root Issues*, author Dr. Mayra Leon not only exposes her life to help yours, but also challenges you to look into your own mirror long and hard. In order for you to transform into the great individual that you are called to be, you need to deal with your past in your now. This is the time to uproot some things that have long been dormant or growing out of control. Facing the real you is what *Root Issues* is really all about.

What Are Your Blind Spots? Conquering the 5 Misconceptions that Hold Leaders Back Jim Haudan,Rich Berens,2018-10-05 Uncover your blind spots and reset your leadership approach for long-lasting success in any business Far too many business leaders today are using outdated practices to engage and motivate their people—and they're failing miserably. Truly resilient, thriving organizations are those that are purpose driven and focus on more than pure profits. Purpose, or an underlying company philosophy, not only drives strategic change, but also encourages customer loyalty and employee engagement. In order to succeed, leaders must be willing to discard old ways of thinking and detrimental business habits—and recognize their blind spots. Authors Jim Haudan and Rich Berens identify the five most common leadership blind spots that hamper success: Purpose, Story, Engagement, Trust, and Truth. They take you straight into the board room of well-known leadership teams to illustrate how these blind spots play out and the impact they have on organizations. You'll learn how to identify and overcome your own blind spots and embrace positive, forward-thinking new practices. *What Are Your Blind Spots* equips you with the tools needed for a personal leadership reset. You'll discover how to increase engagement, productivity, and growth in your own organization. This is an invaluable guide for executives, managers, team leaders, and human resource professionals looking for an effective way to engage and motivate employees at every level of an

organization.

**Taking Root** Girls Write Now, 2022-08-09 This anthology is a catalog of seeds—the work of a network of young writers and mentors, each cultivating a shimmering, emergent voice. For the past two years, New York City high school students have weathered an adolescence shaped by an ongoing global pandemic. Throughout it all, they have found new ways to build community and take root. Roots allow for living beings to journey into our past and forward into the future, toward and away from home, and enable us to withstand the storms that invariably pass through. In short stories, personal essays, poetry, and more, the students reflect on endurance, change, and growth. For twenty-five years, Girls Write Now has been amplifying transformative stories that break down the barriers of gender, race, age and poverty. In addition to being the first writing and mentoring organization of its kind, Girls Write Now continually ranks among the top programs nationwide for driving social-emotional growth for youth. The nationally award-winning nonprofit mentors the next generation of female and gender expansive writers and leaders who are shaping culture, impacting businesses and creating change.

**Root Shock** Mindy Thompson Fullilove, 2016-10-24 Dr. Mindy Thompson Fullilove, a clinical psychiatrist, exposes the devastating outcome of decades of urban renewal projects to our nation's marginalized communities. Examining the traumatic stress of "root shock" in three African American communities and similar widespread damage in other cities, she makes an impassioned and powerful argument against the continued invasive and unjust development practices of displacing poor neighborhoods.

**Root** Liliana Marchesi, 2016-03-07 A dystopian saga built on the belief that man knows about and uses only a fraction of the brain's real ability. A saga in which heart and mind collide against a backdrop of unrest, passions, plotting, and extreme actions. A story that will shock you! A perfect world where there is no place for crime. A flawless system, the Mind, which has been able to eradicate the corruption from society and give everyone a peaceful and happy life. Of course, the differences between social classes are still there, but everyone is given the opportunity to live with dignity. Only a scourge afflicts humanity: the numerous and unexplained infant deaths which no one seems to care much about. No one but Kendall, who finds herself unwillingly involved in the incredible truth that lies behind these deaths. On a cold night in Brooklyn, Kendall Green's life will be upset by an unexpected encounter that will reveal the existence of the Orphans, a secret faction that has managed to escape the control of the Mind and who will do anything to bring this empire of lies to the ground. What makes us unique is the freedom to be ourselves. If you take away this... it is as if we are condemned to live in nothing but death's wake. To find out more about the R.I.G. Saga and about the author herself, please stop by her website: [www.lilianamarchesi.it](http://www.lilianamarchesi.it)

**Oliver Finds His Way** Phyllis Root, 2002 Oliver the bear becomes lost when he chases a leaf to the edge of the woods, but then he comes up with an idea to find his way back home.

**Mandrake Root** Norma T. Harari, 2011-04-15 Josephina, a journalist living in Manhattan, flies to Jerusalem to meet David, her occasional lover, for whom she works sometimes as a freelance reporter. On this trip, she decides to look up Gloria, a woman she first met on a trip to the Holy Land when they were both fresh out of college. Unlike Josephina, Gloria has decided to live in Israel, stay married to one man, raise her children, and teach school. For Josephina, Gloria's life represents the road not taken, a stark contrast to her sophisticated milieu of Manhattan and her urbane life spent visiting places of interest all over the world. As part of her assignment for David, Josephina interviews United Nations forces in Eilat along the Lebanese border. She has an absurd meeting with the head of the Chemical Concern, one of the major polluters of the Eastern Mediterranean, and then flies off to cover the wedding of Princess Diana and Prince Charles in London. But is she truly happy? *Mandrake Root* is a love story juxtaposed against the turbulent times in the Middle East and the challenges of the eighties.

**Root of the Olive Tree** Adonica Schultz Aune PhD, 2017-09-26 When Susan Schultz discovers she is unexpectedly pregnant with a biracial baby, she makes the enormous decision to raise it on her own and not tell the birth father as their religious differences are too big of an obstacle to overcome. While somehow managing to avoid him and keep her secret, Susan feels that something wonderful is in store for her baby and her. After her path leads her to meet Jacob Olson, a handsome suitor of her own culture, Susan gives birth to a beautiful daughter, Olivia, and eventually marries him. As they settle into a peaceful existence in the woods that allows Olivia to grow up a happy little girl who enjoys spending time with her imaginary friend and spirit guide, and seems to have an uncanny ability to predict death and bring souls back from the brink of it. When the public learns of her abilities, Olivia quickly becomes a celebrity. But when she is abducted one night from her bed, Olivia and Susan have no idea that a perilous journey has just begun. In this magical tale, a little girl born with special abilities must rely on help from her spirit guide and loving mother as she sets out to realize her destiny.

**Happenstance** Robert Root, 2013-11-01 Reflecting on how a student's parents met because of a fly ball to center field in a summer softball game, author Robert Root wondered how the lives of that student's parents and of the student himself would have changed had the batter bunted or struck out. Haunted by this pure example of happenstance, he began to ponder his own existence, dependent in part on geology (the Niagara Escarpment) and history (the Erie Canal). He wondered how happenstance had influenced the course of his parents' lives, in particular their marriages (they married and divorced each other twice), and consequently the shaping of his identity. *Happenstance* investigates the effects of that phenomenon and choice on one man's life. Root explores this theme in interwoven strands of narrative, interpretation, and reflection. One strand, "The Hundred Days," follows his attempt to write one hundred journal entries, each about a different day in his life, to recover memories of specific moments or collections of moments. In the strand headed "Album," he examines and interprets old family photographs in light of the way he reads them in the present, as someone now privy to a family secret that directed his and his siblings' lives without their knowledge. Interspersed among these brief interpretations and narratives are reflections on happenstance and choice, a sequence contemplating their effect on his life and perhaps on all our lives. Through juxtaposition and accumulation, the book's incremental unraveling of meaning imitates the process of unexpected epiphanies and gradual self-discovery in anyone's life. By revisiting individual days, giving voice to photographs that mutely preserve family moments, and reflecting on the way happenstance and choice determine the directions lives take, Robert Root generates a meditation on identity anchored in an album in words and images of a mid-twentieth-century life.
