The Chosen One Holly Carroll,2011-11-09 The Chosen One Gone are the days of hiding a man in my closet so he doesn't get shot or for that matter-both of us. Otherwise, I wouldn't be here to talk about it. It seems like another me, another life-time. I can't believe that I led that kind of life. It was pretty hectic! My God, married and having 3 boyfriends at the same time. It was hard keeping track. It was insanity but at the time it seemed normal. But people do grow up and get wiser, hopefully. The last 24 years of my life have been the most content and peaceful since leaving home at 21.

A Tangled Tale Lewis Carroll,2021-01-01 A Tangled Tale is a collection of 10 brief humorous stories, published serially between April 1880 and March 1885 in The Monthly Packet magazine. The stories, or Knots as Carroll calls them, present mathematical problems. In a later issue, Carroll gives the solution to a Knot and discusses readers' answers. The mathematical interpretations of the Knots are not always straightforward. In the December 1885 book preface Carroll wrote: 'The writer's intention was to embody in each Knot (like medicine so dexterously, but ineffectually, concealed in the jam of our early childhood) one or more mathematical questions – in Arithmetic, Algebra, or Geometry, as the case might be – for the amusement, and possible edification, of the fair readers of that magazine.'

Wren R. Carroll,2015-06-20 Never take your own revenge, beloved, but leave room for the wrath of God, for it is written, Vengeance is Mine, I will repay, say the Lord. But if your enemy is hungry, feed him, and if he is thirsty, give him drink; for in so doing you will heap burning coals on his head. Do not be overcome by evil, but overcome evil with good. Romans 12: 19-21 The old saying that time heals all wounds may well be true, but it reveals nothing about the time necessary to accomplish the healing. And even though the wound may be restored, the scar will remain: a blemish that is always a reminder that the need for justice never is diminished by the passage of days. For it has been said that Revenge is man's domain, and Justice, God's. So, this is our story. An ancient wrong is left to be righted; spirits lost, and finally redeemed. The mark to fade away. Two Portraits Dan Carroll,2012 Is a verbal portrait a valid concept? If so, these pages contain two vastly different portraits- one of a dying drunk, another of an 18-month-old child. The preface makes it clear these are not stories. The first portrait is drawn within an old farmhouse. The second portrait is drawn with an amusement park in the background. Like traditional portraits, these two verbal portraits may be analyzed from various angles. But, ultimately, the viewer is seeing the portrait painter himself. Every man's work, said the novelist, Samuel Butler, whether it be literature or music or pictures or architecture or anything else is always a portrait of himself.

The Woman who Married a Cloud Jonathan Carroll,2012 The collected short stories of Jonathan Carroll--Jacket.

Stories of Passion: Five Petals of a Potpourri Dan Carroll,2016-12-02 We find 'passion' in each story-not only the passion of love, but also lust, infatuation, fury, and self-determination. In the first story, JULIANNA, we find the roots of The Slum Trilogy which launched the author into becoming a prize-winning novelist. In CARESSE, we learn how an artist is overtaken by lust who tragically ends up with more than what she wanted. In HOLDING HANDS we find that 'puppy love' or infatuation can be an experience as powerful as full-blown love. Here a Moslem-influenced teenager arrives in New York from Abekestan and is exposed to a one-on-one encounter with a boy for the first time in her life. In PURGE we meet Emily, a sixty-five-year-old woman who has lived a life of fury, but who ends up realizing that only the experience of love can bring happiness. Finally, in CHRISTMAS TEARS, we follow a six-year-old girl, Millie,

who emerges from a life of parental abuse to the realization that she can develop her own personal inner strength.

The Agony of Lewis Carroll Richard Wallace,1990 Rage-filled by abuse, author Lewis Carroll hid smut in his children's books. -- Was on the short list for the Children's Literature Association's annual award based on the quality of its research. -- Shows how the famous Alice books were filled with hidden smut and intended to fool both children and adults. -- This work suggests strongly why Carroll's children's books are decidedly not for children. -- The research on this title identified a very angry man and led to its 1996 sequel, *Jack the Ripper: Light-hearted Friend* which identified Lewis Carroll as the famous murderer of London prostitutes. A psychological biography of Charles Dodgson, aka Lewis Carroll. It identifies the rage which lies buried in his children's books, including the famous Alice works, and the origins of that rage. Identifies where Dodgson coyly revealed the presence of this hidden material, and presents numerous examples to prove that they are not accidental.

Heart Remembers Lenore Carroll,1993-10-28 It began in 1964 . . . and never really ended. Fresh out of grad school, Jess Shelby is on her way to work for the U.S. Geological Survey in Wyoming when she meets and falls for fledgling photographer Kip Kilpatrick. And though he is destined to leave her, neither's heart can forget. . . .

A Tangled Tale Lewis Carroll,2016-12-20 *A Tangled Tale* Lewis Carroll *A Tangled Tale* is a collection of 10 brief humorous stories by Lewis Carroll (Charles Lutwidge Dodgson), published serially between April 1880 and March 1885 in *The Monthly Packet* magazine. Arthur B. Frost added illustrations when the series was printed in book form. The stories, or Knots as Carroll calls them, present mathematical problems. Describing why he was ending the series, Carroll writes to his readers that the Knots were but a lame attempt. Others were more receptive: In 1888 Stuart Dodgson Collingwood wrote, With some people, this is the most popular of all his books; it is certainly the most successful attempt he ever made to combine mathematics and humour. They have more recently been described as having all the charm and wit of his better-known works.

The Petting Zoo Jim Carroll,2010 A final work by the late author of *The Basketball Diaries* follows the story of enigmatic New York artist Billy, who suffers an emotional breakdown after attending a Velázquez show and agonizingly searches for divine inspiration for his own work.
