**Tales of King Arthur and the Round Table** Andrew Lang, 2020-06-17 Andrew Lang, (born March 31, 1844, Selkirk, Selkirkshire, Scot.--died July 20, 1912, Banchory, Aberdeenshire), Scottish scholar and man of letters noted for his collections of fairy tales and translations of Homer. Educated at St. Andrews University and at Balliol College, Oxford, he held an open fellowship at Merton College until 1875, when he moved to

London. He quickly became famous for his critical articles in The Daily News and other papers. He displayed talent as a poet in Ballads and Lyrics of Old France (1872), Helen of Troy (1882), and Grass of Parnassus (1888) and as a novelist with The Mark of Cain (1886) and The Disentangled (1902). He earned special praise for his 12-volume collection of fairy tales, the first volume of which was The Blue Fairy Book (1889) and the last The Lilac Fairy Book (1910). His own fairy tales, The Gold of Fairnilee (1888), Prince Prigio (1889), and Prince Ricardo of Pantouflia (1893) became children's classics. Lang also did important pioneer work in such volumes as Custom and Myth (1884) and Myth, Ritual and Religion (1887). Later he turned to history and historical mysteries, notably Pickle the Spy (1897), A History of Scotland from the Roman Occupation, 4 vol. (1900-07), Historical Mysteries (1904), and The Maid of France (1908). His lifelong devotion to Homer produced well-known prose translations of the Odyssey (1879), in collaboration with S.H. Butcher, and of the Iliad (1883), with Walter Leaf and Ernest Myers. He defended the theory of the unity of Homeric literature, and his World of Homer (1910) is an important study. (wikipedia.org)

The Round House Louise Erdrich, 2012-10-02 Winner of the National Book Award • Washington Post Best Book of the Year • A New York Times Notable Book From one of the most revered

novelists of our time, an exquisitely told story of a boy on the cusp of manhood who seeks justice and understanding in the wake of a terrible crime that upends and forever transforms his family. One Sunday in the spring of 1988, a woman living on a reservation in North Dakota is attacked. The details of the crime are slow to surface because Geraldine Coutts is traumatized and reluctant to relive or reveal what happened, either to the police or to her husband, Bazil, and thirteen-year-old son, Joe. In one day, Joe's life is irrevocably transformed. He tries to heal his mother, but she will not leave her bed and slips into an abyss of solitude. Increasingly alone, Joe finds himself thrust prematurely into an adult world for which he is ill prepared. While his father, a tribal judge, endeavors to wrest justice from a situation that defies his efforts, Joe becomes frustrated with the official investigation and sets out with his trusted friends, Cappy, Zack, and Angus, to get some answers of his own. Their quest takes them first to the Round House, a sacred space and place of worship for the Ojibwe. And this is only the beginning. The Round House is a page-turning masterpiece—at once a powerful coming-of-age story, a mystery, and a tender, moving novel of family, history, and culture.

The Ball is Round David Goldblatt, 2008-01-02 The definitive book about soccer, from the author of *The Games: A Global History of the Olympics*. There may be no cultural practice more global than soccer. Rites of birth and marriage are infinitely diverse, but the rules of soccer are universal. No world religion can match its geographical scope. The single greatest simultaneous human collective experience is the World Cup final. In this extraordinary tour de force, David Goldblatt tells the full story of soccer's rise from chaotic folk ritual to the world's most popular sport-now poised to fully establish itself in the USA. Already celebrated internationally, *The Ball Is Round* illuminates soccer's role in the political and social histories of modern societies, but never loses sight of the beauty, joy, and excitement of the game itself.
