

Route 66

Rick Antonson

Hip to the Trip Peter B. Dedek, 2007-04-16 Dedek paints a complex portrait of America's most famous highway.

Roadtrippers Route 66 Parent ROADTRIPPERS, Tatiana Parent, 2021 This guide to road-tripping along Route 66 presents the highway's very best stops--and it's the only guidebook with a fully integrated app.

Route 66 Susan Croce Kelly, 1990 U.S. Highway 66 was always different from other roads. During the decades it served American travelers, Route 66 became the subject of a world-famous novel, an Oscar-winning film, a hit song, and a long running television program. The 2,000 mile concrete slab also became a seven-year obsession for Susan Croce Kelly and Quinta Scott. They traveled Route 66, photographing buildings, knocking on doors, and interviewing the people who had built the buildings and run the businesses along the highway. Drawing on the oral tradition of those rural Americans who populated the edge of old Route 66, Scott and Kelly have pieced together the story of a highway that was conceived in Tulsa, Oklahoma; linked Chicago to Los Angeles; and played a role in the great social changes of the early twentieth century. Using the words of the people themselves and documents they left behind, Kelly describes the life changes of Route 66 from the dirt-and-gravel days until the time when new technology and different life-styles decreed that it be abandoned to the small towns it had nurtured over the course of thirty years. Scott's photographic essay shows the faces of those 66 people and gives a feeling of what can be seen along the old highway today, from the seminal highway architecture to the grainfields of the Illinois prairie, the windbent trees of western Oklahoma, the

emptiness of New Mexico, and the bustling pier where the highway ends on the edge of the Pacific Ocean. Route 66 uses oral history and photography as the basis for a human study of this country's most famous road. Historic times, dates, places, and events are described in the words of men and women who were there: driving the highway, cooking hamburgers, creating pottery, and pumping gas. As much as the concrete, gravel, and tar spread in a sweeping arc from Chicago to Santa Monica, those people are Route 66. Their stories and portraits are the biography of the highway.

Travel Route 66 Jim Hinckley, 2014-03-15 A guide to destinations and sights along historic Route 66, with historical background and travel tips--

Along Route 66 Quinta Scott, 2001-11-15 It was the way out. Invented on the cusp of the depression, Route 66 was the road out of the mines, off the farm, away from troubled Main Street. It was the road to opportunity. Between 1926 and 1956, many people from the southern and plains states trekked west to California on Route 66, the Mother Road. Some never reached California. Instead, they settled along the road, building restaurants, tourist attractions, gas stations, and motels. The architecture of each structure reflected regional building traditions and the difficulties of the times. The designs of buildings and signs served as invitations for passing travelers to stop, fill their tanks, have a bite, and stay the night. Along Route 66 describes the architectural styles found along the highway from Chicago, Illinois, to Santa Monica, California, and pairs photos with stories of the buildings and of the people who built them, lived in them, and made a living from them. With striking black-and-white images and unforgettable oral histories of this rapidly disappearing architecture, Quinta Scott has documented the culture of America's most famous road.

Route 66 David Knudson, 2012-10-10 Begun in 1926 to connect Chicago to Los Angeles, Route 66 was the country's first major east-west thoroughfare. By 1930 it was an important route for both truckers and travellers alike, and in 1939 it became known as 'The Mother Road' thanks to John Steinbeck's classic *The Grapes of Wrath*. Over the years, hundreds of thousands of Americans travelled this great road from those heading west during the Great Depression to postwar families taking road trips across the country – but by the 1970s four-lane highways, expressways, and tollways had largely supplanted it, and Route 66 fell into disrepair. In this book, authority David Knudson traces the fascinating story of The Mother Road from origins to decline, including the roadside attractions and cottage industries it spawned and the efforts to save and restore it.

Route 66 Michael Wallis, 1990 Tells the story of the legendary road, Route 66, begun in the early 1920s that covered 2400 miles from Chicago to Los Angeles.

Route 66, 75th Anniversary Edition Michael Wallis, 2001-06-23 The Definitive book on the most famous road in American history.

The Route 66 Encyclopedia Jim Hinckley, 2012-11-15 An encyclopedia with a twist, The Route 66 Encyclopedia presents alphabetical entries on Route 66 history, landmarks, personalities, and culture, from Bobby Troup's anthem "Route 66" to *The Grapes of Wrath* to the Wigwam Motel, illustrated with over 1,000 old and new, color and black-and-white photos and memorabilia. You'll learn about Jack Rittenhouse and Will Rogers as well as the contributions of lesser-known figures like Arthur Nelson and Angel Delgadillo. With references to the old (including the history of the U Drop Inn Café in Texas) and new (including a section about the recent *Cars* movie), The Route 66 Encyclopedia provides a

sweeping look at a highway that has become more than just a road. These pages cover the history of Route 66 and the people who played a role in its transformation from highway to icon between 1926 and the present, but like the highway itself, this work does not fit within the traditional confines of generalities or terminology. Yes, this is an encyclopedia, a reference book for all things Route 66. However, it is also a time capsule, a travel guide, a history book, a memorial, a testimonial, and a chronicle of almost a century of societal evolution.

Route 66 in Springfield Cheryl Jett, 2010 From 1926 through 1977, Route 66 carried millions of travelers from the shores of Lake Michigan to the Pacific Coast. Americans fell in love with the automobile and made a family tradition of the road trip. On its three different alignments through the capital city of Springfield, Route 66 took motorists around the Illinois State Fairgrounds, past the state capitol, and through Abraham Lincoln's neighborhood. Mom-and-pop motels, gas stations, and eateries opened along the highway and became familiar landmarks to travelers in the Land of Lincoln. In Springfield, the horseshoe and the cozy dog became popular local foods, and one of the first drive-up window restaurants opened. A man spent 40 years on Route 66 operating his gas station before transforming it into an internationally known museum. Meet the proprietors of these businesses, witness the growth of the highway, and enjoy a generous dose of nostalgia.

Route 66 Tim Steil, More than three decades after Route 66 went by the wayside, so to speak, it remains a nostalgic signifier of a 50-year period when cross-country travel was synonymous with meeting interesting characters, absorbing marvelous new sights, and stopping to check the oil along the way. In this colorful biopic of the Mother Road, author

Tim Steil retraces the wandering path of Route 66 from Chicago to Santa Monica, returning home with a scrapbook of new color photography and evocative period imagery profiling businesses and attractions that continue to operate alongside Route 66 despite the demise of the legendary two-lane. The result is a unique look at motels, service stations, restaurants, truck stops, and museums, and the colorful folks who continue to whittle out a livelihood along Route 66 despite the death of the road trip as spelled out by the vapor trails overhead.

Route 66 Tom Snyder, 2000-03-17 Fully revised and expanded New stories-more details -Nearly 30 feet of strip maps -350 towns and attractions -More highway memorabilia -Mini-tours-rentals-discounts -Chicago-L.A. mileage table

Route 66 in Chicago David G. Clark, 2007-07-11 It winds from Chicago to L.A.”—so says Nat “King” Cole’s classic hit “(Get Your Kicks on) Route 66.” Beginning in 1926, Route 66 was the only U.S. highway providing a direct connection between the Windy City and the City of Angels; thus, it is no wonder that Route 66 would become the metaphor of the American journey. The crescent-shaped route from the shore of Lake Michigan to the southern Pacific Coast followed a corridor blazed by Native American footpaths, pioneer waterways, and transcontinental railroads. As the frontier moved across the Great Plains to the ocean, Chicago was the point of embarkation for people emigrating from the east, and it was the marketplace for the products harvested in the west. During the golden age of the car culture, Chicago was where people started their California trips as they took “the highway that’s the best.”

Route 66 William Kaszynski, 2015-05-07 Route 66 is a fixture of American culture. For

the truckers, salesmen and vacationers who have traveled it and for the people who live along it, the road is a reminder of the bygone days of American motoring. Despite time, neglect and progress, Route 66 endures. Almost all of its 2,448 miles are still intact and drivable. Travel from Chicago to Los Angeles and experience Route 66 through this richly illustrated book, with pictures of many of the historic landmarks and longtime businesses that have become roadside institutions to several generations of Route 66 travelers, plus some that are relatively unknown. Nearly all of the places shown can be visited today. The book is also a salute to those who supported the highway over the years, including Cyrus Avery, Jack Cuthbert ("Mr. 66"), Lucille Hamon and Campbell's 66 Express.

Route 66 Still Kicks Rick Antonson, 2012-08-15 "You'll never understand America until you've driven Route 66—that's old Route 66—all the way," a truck driver in California once said to author Rick Antonson. "It's the most famous highway in the world." With some determination, grit, and a good sense of direction, one can still find and drive on 90 percent of the original Route 66 today. This travelogue follows Rick and his travel companion Peter along 2,400 miles through eight states from Chicago to Los Angeles as they discover the old Route 66. With surprising and obscure stories about Route 66 personalities like Woody Guthrie, John Steinbeck, Al Capone, Salvador Dali, Dorothea Lange, Cyrus Avery (the Father of Route 66), the Harvey Girls, Mickey Mantle, and Bobby Troup (songwriter of "(Get Your Kicks on) Route 66"), Antonson's fresh perspective reads like an easy drive down a forgotten road: winding, stopping now and then to mingle with the locals and reminisce about times gone by, and then getting stuck in the mud, sucked into its charms. Rick mixes hilarious anecdotes of happenstance travel with the route's difficult history, its rise and fall

in popularity, and above all, its place in legend. The author has committed part of his book's proceeds to the preservation work of the National Route 66 Federation.

Life on Route 66 Claudia Heller, Alan Heller, 2012-05-15 A celebration of America's most historic highway, in words and pictures. Winding through the rugged heartland of the American West, Route 66 has resonated for generations in hardscrabble tales of hopeful seekers of new homes and new lives. It also inspired Alan and Claudia Heller, longtime residents of Duarte, a California town along Route 66, to hitch their trailer to a retirement dream and travel the road again, journeying through their home state and back to Chicago. They collected stories of the iconic highway, and what it means to the people who live along its way, for a series in the San Gabriel Valley Newspaper Group. This collection retraces their journey and introduces us to some of the people and places that make Route 66 truly historic.

Route 66 ,2017-04 A virtual roadtrip through the highway's legends, stories, people, and funky businesses that are the essence of the Route 66 experience--

Route 66 in California Glen Duncan, 2005 The Mother Road hauled it all, traversing the American West from Chicago to Santa Monica Beach, the last 350 miles through Southern California. For settlers, Depression-era Okies and Arkies, and post-World War II families bound for suburbia, Route 66 was a migration funnel for generations. Wending through the mountains and badlands of San Bernardino County into Los Angeles County, Route 66 became a state of mind and a catchphrase for travelers everywhere, especially after singer Bobby Troupe popularized the hit song (Get Your Kicks on) Route 66 and actors Martin Milner and George Maharis hit the road with the ragtop down and the shades on in the

namesake television series that seemed to go anywhere every week. The shield of the Route 66 sign has become iconography for the growth of Southern California's economy, population, popularity, and folklore.

Route 66 in St. Louis Joe Sonderman, 2008 In 1926, highway planners laid out a ribbon of roadways connecting the nation. One of the most important wove its way across eight states, from the cities of the heartland to golden California. In *The Grapes of Wrath*, John Steinbeck calls it the Mother Road. Route 66 has become a legend, celebrated in books, movies, works of art, and popular music. The interstates could not kill it. As the Main Street of America, Route 66 had to pass through the Gateway to the West, St. Louis. Crossing the Mississippi River, the road took many different paths through the busy city and then united to travel into the rolling hills of the Ozarks. Along the way there were mom-and-pop motels, tourist traps, roadside restaurants, a man selling frozen custard, one living with snakes, and another who claimed to be Jesse James. Their stories are here.

The Art of Route 66 Don Wagner, 2014-08-20 Traveling Route 66 is visiting a museum without walls. This is a unique museum traversing 2440 miles from Chicago, Illinois to California's Santa Monica Pier. This book photographically shows you the art you can expect to see along that journey. Route 66 has numerous collections of art for your enjoyment and amusement. These collections are intermingled through the museum so the unexpected is just down the road. One might find fine art at a local museum, murals painted on the side of a building or a quirky piece of giant folk art. Route 66 is your tour path that guides you from one art display to another. One simply follows the path and keeps eyes open for the next presentation. Additionally the museum is full of other attrac-

tions to enjoy: antique cars, historic diners and famous vintage motels.

Thank you utterly much for downloading **Route 66**. Maybe you have knowledge that, people have look numerous period for their favorite books like this Route 66, but stop happening in harmful downloads.

Rather than enjoying a good book following a mug of coffee in the afternoon, then again they juggled subsequently some harmful virus inside their computer. **Route 66** is friendly in our digital library an online access to it is set as public thus you can download it instantly. Our digital library saves in complex countries, allowing you to acquire the most less latency times to download any of our books subsequently this one. Merely said, the Route 66 is universally compatible once any devices to read.

Route 66 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Route 66 has revolutionized the way we consume written content. Whether

you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Route 66 has opened up a world of possibilities. Downloading Route 66 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Route 66 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors

are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Route 66. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Route 66. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also

undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Route 66, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Route 66 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to

engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Route 66 Books

What is a Route 66 PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

How do I create a Route 66 PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have

built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Route 66 PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Route 66 PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I**

password-protect a Route 66 PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to

fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
