**Red, White & Royal Blue** Casey McQuiston,2019-05-14 \* Instant NEW YORK TIMES and USA TODAY bestseller \* \* GOODREADS CHOICE AWARD WINNER for BEST DEBUT and BEST ROMANCE of 2019 \* \* BEST BOOK OF THE YEAR\* for VOGUE, NPR, VANITY FAIR, and more! \* What happens when America's First Son falls in love with the Prince of Wales? When his mother became President, Alex Claremont-Diaz was promptly cast as the American equivalent of a young royal. Handsome, charismatic, genius—his image is pure millennial-marketing gold for the White House. There's only one problem: Alex has a beef with the actual prince, Henry, across the pond. And when the tabloids get hold of a photo involving an Alex-Henry altercation, U.S./British relations take a turn for the worse. Heads of family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What at first begins as a fake, Instagramable friendship grows deeper, and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston's *Red, White & Royal Blue* proves: true love isn't always diplomatic. I took this with me wherever I went and stole every second I had to read! Absorbing, hilarious, tender, sexy—this book had everything I crave. I'm jealous of all the readers out there who still get to experience *Red, White & Royal Blue* for the first time! - Christina Lauren, New York Times bestselling author of *The Unhoneymooners* *Red, White & Royal Blue* is outrageously fun. It is romantic, sexy, witty, and thrilling. I loved every second. - Taylor Jenkins Reid, New York Times bestselling author of *Daisy Jones & The Six*

**The Kingdon Field Guide to African Mammals** Jonathan Kingdon,2015-04-23 Jonathan Kingdon, one of the world's foremost authorities on African mammals, has both written and illustrated this landmark field guide. The unique combination of his extensive field experience and artistic talent has produced a stunning work that sets new standards. The concise text provides full information on identification, distribution, ecology, relationships and conservation status, with introductory profiles that summarise the characteristics of each mammal group. All known species of African land mammal are covered, with coverage of several of the more complex groups of small mammals simplified by reference to genera. Classification has been fully updated and this new edition includes many newly recognised species. With over 780 colour illustrations, numerous line drawings and more than 520 maps, this book will be an essential companion to anyone visiting Africa or with an interest in the mammals of the continent. Competition note: There are regional mammal books covering southern Africa, for example, but none that covers the whole continent in a portable format. The smaller-format and more concise Kingdon Pocket Guide to African Mammals may be more appealing to a more general safari market, but is much less comprehensive and more out of date.

The Shop on Royal Street Karen White,2022-03-29 Nola Trenholm is hopeful for a fresh start in the Big Easy but must deal with ghosts from her past—as well as new ones—in this first book in a spin-off series of Karen White's New York Times bestselling Tradd Street novels. After a difficult detour on her road to adulthood, Nola Trenholm is looking to begin anew in New Orleans, and what better way to start her future than with her first house? But the historic fixer-upper she buys comes with even more work than she anticipated when the house's previous occupants don't seem to be ready to depart. Although she can't communicate with ghosts like her stepmother can, luckily Nola knows someone in New Orleans who is able to—even if he's the last person on earth she wants anything to do with ever again. Beau Ryan comes with his own dark past—a past that involves the disappearance of his sister and parents during Hurricane Katrina—and he's connected to the unsolved murder of a woman who once lived in the old Creole cottage Nola is determined to make her own...whether the resident restless spirits agree or not.
