Loaded Dice Aron Christensen, Erica Lindquist, 2019-12-16 I've been running role-playing games for thirty years, but am relatively new to playing them. Erica's rolled up dozens of characters, but has only a few Storytelling experiences under her belt. Together, we've written a blog about what we learned, the challenges we have to overcome, and all the solutions we've come up with to keep an RPG campaign going - The RPGuide. This is a collection of our best and favorite articles from the first year and a half year of RPGuide posts. We've got advice for handling players, building NPCs, and we debate rules and play styles. If you're an old hand at role-playing, maybe you'll find a new trick to put up your sleeve, or a fresh way of looking at gaming. And if you're new to RPGs, then you're welcome to learn from our mistakes and take advantage of our experience. You've probably read My Guide to RPG Storytelling, the Companion, or maybe From Dream to Dice, and that's what brought you around to this little collection. But if this is your first RPGuidebook, welcome! Don't worry, you don't need to read any of the others first - Loaded Dice can be used on its own. We'll even begin with a "What the heck is a table-top role-playing game?" chapter. So let's play!

DCC RPG Dice: Dark Tower DCC Dice Bob Brinkman, 2024-05-28 Goodman Games presents Dark Tower DCC Dice for your DCC RPG game. The opposite side of the tube insert contains the description of the Desecrated Visage of Mitra, a new magical item for any DCC RPG campaign. Test your luck with these dice today!

From Dream To Dice Aron Christensen, 2018-12-18 I've written two other books (so far) on my tricks and tools for running table-top role-playing games. But now it's time to put those tools to the test - making an actual RPG campaign. Right here, right now, on the page. So let's do this! I'll start with the seed of a story idea, go through world-building and character creation, then expanding that basic plot out into scenes, combats and crises. This is an up-close, behind the scenes look at how I make a game. Then I'll run the campaign for my group. The second half of this book details what went right, what went wrong, how I kept the game moving and my friends entertained. From the dream that inspired me to the dice hitting the table, this is how I run an RPG.

Of Dice and Men David M. Ewalt, 2013 Originally published in hardcover in 2013.

Diecraft Shane Windham, 2014-08-12 From the mind which brought you Table Games, Humans Against Everything, Pinions, and many more timeless gaming experiences comes Diecraft; a labor of love for fans of both Minecraft and the role-playing genre in general. With a lower learning curve and clearer objectives than the majority of RPG's currently on the market, Diecraft sets out to give users an addictive experience that can be enjoyed by almost anyone. Games which have typically taken entire nights to play can now be enjoyed in a matter of hours. Your characters will level up from one game to the next, their objectives (as well as their starting points) will often change, and the path to

winning is unlikely to ever be the same. If you've tried other RPG's and love their basic premise, but sometimes wish for something with more of the focus on destination than it tends to be on dialogue, then this game may just be the one for you. And if you like fun reasons to roll dice, then this game is definitely the one for you! Please note that this product is a guide book more than it is a complete game. The product in question does not include all things required to play Diecraft; namely a set of polyhedral dice, various printed materials, and pencils. What this book aims to do is provide the foundation one would need to play Diecraft once they had the aforementioned gaming essentials.

Misadventures of RPG Dice Douglas Van Dyke, Jr.,2021-08-09 A common mistake by Role-Playing Gamers is thinking that the purpose of the game is to level up, gain treasure, and build up your character. I say NAY! So what is the REAL reason to play a good RPG? The goal involves the time spent building friendships, sharing laughs, working as a team, and laughing or crying over confusing situations. The value of the game is the time spent with your friends. And so, I bid you welcome as I share with you these tales of misadventure from my years rolling dice in tabletop games. This story collection involves real gaming events which happened once-upon-a-time in strange lands. Feast your eyes on the following examples:Learn about how ingenious players used a door to defeat multiple temple traps.Witness party paranoia at The Bridge of Something's Going to Happen.Enjoy how a gnome's crying fit impressed a dwarven god.Cringe as a level 1 Lawful-Good wizard decides to rob a peasant's house.Step through numerous stories of unique traps, and whether or not they backfired.Hear about a wizardess that continued fighting while paralyzed and unable to speak.Laugh over the short-lived career of the Centaur Spellcaster.Enjoy the hilarity when Everyone is John.I include sprinkles of cursed items, separated parties, friendly fire, memorable character deaths, player-vs-player, and epic fails. These 39 tales from great moments at the gaming table will give you and your fellow gamers lots of laughs, and maybe a few campaign ideas.
