A Happy Type of Sadness: Kevin Martin, 2018-07-06 Country music fandom is at an all-time high in Ireland; social dancing has never been as popular. New artists, bands and venues proliferate; it seems each week 'Ireland's latest country sensation' is brought to the public's attention through the ever-widening media outlets populated by the genre. This book provides a comprehensive history of the genre looking at the artists and their music and seeking to contextualise the genre within the wider context of Irish culture. It demonstrates the significant role Ireland has played in the history and development of American country music and how, as an old classic country song says, the circle has remained unbroken. It also analyses the associated media, dance and social cultures. Irish country music is now a significant industry on a continuous upward curve. It earns a lot of money for a lot of people. It deserves a work of record. This book is the first of its kind. It is written in an easy to understand language to appeal to the widest possible demographic. It is also written from a neutral point of view but in a way that appeals to the fans of country and Irish music. Artists covered include Big Tom, Daniel O'Donnell, Nathan Carter, Philomena Begley, Susan McCann and Robert Mizell. The author is an established writer with extensive media experience including RTÉ Radio 1, TV3, Irish Independent, The Irish Times, New York Times, The Irish Post and a plethora of local and regional radio stations.

What If? Alternative Views of Twentieth-Century Irish History Diarmaid Ferriter, 2006-04-25 What If? is an entertaining, thoughtful, provocative and original look at some of the milestones of twentieth century Irish history that offers a glimpse of what might have been. We all know that there was

nothing inevitable about much of modern Ireland's history. Things could have turned out very differently, so it is natural to wonder what would have happened if certain events had never occurred or happened in a different way. What If? is the thought-provoking, enjoyable and insightful book that explores this conceit as its starting point, asking of key events in twentieth-century Ireland: 'what if?' Based on Diarmaid Ferriter's acclaimed RTÉ Radio One series, the book looks at twenty events in twentieth-century Ireland, each of which was discussed on Ferriter's show with two experts, and speculates on how things might have developed had circumstances been different. In doing so, Ferriter also sheds much new light on what actually did happen, how Ireland changed during the course of the twentieth century and the experiences of those who lived through it. The big questions are tackled: what if there had been no 1916 Rising? What if Ireland had been invaded during World War II? What if there had been no programmes for economic expansion? What if Mary Robinson had not been elected president in 1990? But the book also poses other, less obvious, questions: what if James Joyce and Samuel Beckett had stayed in Ireland; if Britain had blocked Irish immigration in the 1950s; if there had been no Late Late Show or Magill magazine; if Bishop Eamon Casey had never met Annie Murphy; or if John Charles McQuaid had never been Archbishop of Dublin? What If? Alternative Views of Twentieth-Century Ireland: Table of Contents Introduction - What if there had been no Late Late Show? - What if there had been no pro-life amendment referendum in 1983? - What if there had been no Magill magazine? - What if John Charles McQuaid had not been appointed Archbishop of Dublin in 1940? - What if Ben Dunne had not gone on a golfing trip to Florida in 1992? - What if Bishop Eamon Casey's secret had not been discovered? - What if there had been no 1916 Rising? - What if the Treaty ports had not been returned in 1938? - What if the Blueshirts had attempted a coup in 1933? - What if de Valera had stood down as leader of Fianna Fáil in 1948 instead of 1959? - What if Donogh O'Malley had not introduced free secondary education in 1967? - What if the Irish Press had not closed down in 1995? - What if James Joyce and Samuel Beckett had stayed in Ireland? - What if Frank Duff had not established the Legion of Mary in 1921? - What if the Jim Duffy tape had not been released during the 1990 presidential election? - What if Proportional Representation had been abolished in 1959 or 1968? - What if T. K. Whitaker had not been appointed Secretary of the Department of Finance in 1956? - What if the members of U2 had gone to different schools in the 1970s? - What if Britain had imposed restrictions on Irish immigration in the 1950s? - What if Noël Browne had not been involved in Irish politics?

Dublin Urban Legends Brendan Nolan, 2015-05-04 Who stole the Irish crown jewels? Is there a secret tunnel in O'Connell Street? And did the word 'quiz' originate in Dublin as the result of a bet? Urban legends are the funny and frightening folklore people share today. Just like the early folk tales that came before them, these tales are formed from reactions to events in the modern world, and reflect our current values. For the first time, Brendan Nolan explores the power of Dublin's urban legend - murky stories whispered in classrooms and back streets, and ripping yarns passed on across the bar. Urban legends may be just exaggerated rumours, but they embed themselves into local folklore. The real question is, what truth lies behind them?

Emmet Dalton Sean Boyne, 2014-11-01 This is the first-ever biography of Emmet Dalton, an American-born Dubliner, Home Ruler and later Republican, whose extraordinary military career as a British officer, IRA leader and General in the Free State army brought him from Flanders to Beal na Bláth. A decorated hero of the Battle of the Somme, he returned from the war with the rank of Captain and transferred his military expertise to the now rampant

IRA, serving as Director of Training, and greatly impressing Michael Collins with his extraordinary daring and nerve. Soon befriending Collins and becoming his close confidante, he accompanied him to the Treaty talks in London in 1921, and in the Civil War that followed Dalton oversaw the bombardment of the Four Courts, personally manning an 18-pounder artillery gun. He then masterminded and led the audacious seaborne landings and successful recapture of Cork City and Munster Republic from Anti-Treaty forces, but was ultimately traumatised when Collins died in his arms at Beal na Bláith. In his expansive biography, Sean Boyne vividly portrays Dalton's experiences and the vital role he played in the politics and wars that created the independent Irish state. Dalton was the first Senate Clerk and he became a pioneer of the Irish film world, founding Ardmore film studios and establishing the Irish Film industry. An attractive and high-achieving figure in Irish life in war and peace, Dalton's heroism allowed him to live his many lives to the full, and this compelling biography does justice to a figure who will captivate all those interested in modern Irish history and the birth of the state.

Trading Paces Michael Kelly, 2012-11-16 Does this ring any bells? Mortgaged to the hilt, rising at 5.30 to commute across three counties to jobs in Dublin, fed-up, bleary-eyed and only in your thirties? Michael Kelly and his wife were classic Celtic Cubs. Then they simplified, down-sized, opted out. Now they live happily in a leaky cottage in Dunmore East, their ties with the capital severed and their careers as corporate drones abandoned. They grow vegetables and rear an ever-expanding coterie of animals: laying hens, a cock named Roger and pigs called Charlotte and Wilbur. And they don't hate Mondays anymore! This is an extremely humorous, thought provoking account of one couple's discovery that there is an alternative to the consumer driven lifestyle. As Michael Kelly describes the hilarious hazards of rural life as well as the advantages, he demonstrates how one brave decision can transform your life. A funny and inspiring account of the ups and downs of letting go of the Tiger. You can see Michael talking about the changes he has made to his life here (courtesy TV3): You can also read about Michael's continuing adventures with rural life on his website www.michaelkelly.ie.
