The Big Book of Runes and Rune Magic Edred Thorsson,2018-11-01 Runes are the ancient Norse alphabet used for communication, divination, and magical work. Here, American runologist Edred Thorsson provides an in-depth guide to the world of runes for beginners and enthusiasts alike. Thorsson's presentation of this powerful system provides a valuable tool for self-development and spiritual transformation. The Big Book of Runes and Rune Magic: Introduces the 24 runes of the Elder Futhark along with their definitions and mystical properties Explores the historical lore of runes using archaeological evidence to explain where the runes come from, what they mean, and how they evolved Reveals the hidden lore and esoteric dimension of runes, looking at the cosmology of the Old Norse to explain the role runes played and how they were used over time Includes specific sections on rune magic and divination, rune poems, and runic numerology, as well as instructions on how to make your own runes and imbue them with numinous power, arrange the optimum setting for a rune reading, and prepare yourself psychologically and spiritually for casting the runes This book includes material from the author's previous books Futhark, Runelore, and Runecaster's Handbook.

Runes, Plain and Simple Kim Farnell,2016-01-01 Runes are alphabet letters or characters that have been used for thousands of years as a form of communication and divination. This book, written by an authority on divination systems, shows readers how to make their own set of runes and how to interpret them. Included in this primer are: A brief overview of the runes, from Etruscan times to the present A summary of the myths and lore that inform runic wisdom Definitions of the basic rune symbols Instructions on how to read the runes and rune spreads An introduction to runic magic In the past 25 years using runes as a divination tool has become increasingly popular. This most accessible guide presents each letter of the runic alphabet in detail with its origins and magical uses and helps seekers tap into their energy. From making your own runes (and a bag to protect them) to reading the ancient alphabet, casting the runes, and interpreting the spread, all the basics are laid out in a clear, easy-to-follow, and superbly illustrated fashion, perfect for beginners. This is a new edition of the author's Simply Runes that was published by Sterling in 2006.

The runes workbook Leon D. Wild,2008 The runes are not only a writing system used by some of the ancient Germanic peoples – they are also known as the Mysteries. Carved on wood, metal or stone and steeped in a rich folkloric tradition, the runes are a powerful divinatory tool. The Runes Workbook provides a fascinating insight into these Mysteries – including the history of the runes, the significance of the runic poems and runic literature, the meanings of the individual staves (stones) and methods for runic divination. Let The Runes Workbook guide you, step by step through the ancient wisdom of the runes. Learn how to cast the rune staves, then do insightful readings for yourself and others. Follow the exercises and enhance your readings with knowledge of the runic world – the mythic beings, runic lore and literature and rune magic. Learn how to enact the energy of each rune in your everyday life, carve runic talismans and prepare yourself for readings using meditation. Leon D. Wild is a Fellow of the Rune Gild, an international organisation dedicated to learning the runes, and an

independent scholar who has published articles in a range of journals. He lives with his wife and animals in Australia.

Runic Astrology Donald Tyson,2009 What will the runes spell for your life? Get ready to experience a powerful tool of divination--a reliable and fun system that combines astrology and runes. In this book, popular author Donald Tyson offers his unique approach to chart casting while utilizing these ancient oracle methods. This convenient and effective divination tool allows you to cast charts any time, without having to know birth time or birth place. Explore the history, meaning, and significance behind each of the twenty-four German Futhark runes and discover their raw, elemental power. See how the placement of the runes can be favorable or unfavorable, depending on their positions and how they correspond to elements of astrology. Step by step, you will learn to assemble the tools you need, and how to cast and interpret a chart so you can divine answers to all of your important life questions, predict future events, and gain insight into yourself and your loved ones with amazing accuracy. Simple to use and interpret, Tyson's unique astrology chart, rune dice, and cards are the foundation for one of the most precise forms of divination known. With clear instructions for creating your own rune dice and cards, and helpful advice on giving readings, Runic Astrology invites you to go beyond the stars to achieve deeper, more multi-layered analyses of an astrology chart than ever before.

The Runes J Hamburger,2020-12-05 The Runes is a complete guide to runic divination and reflection, featuring new, word-for-word translations of original sources. J. Hamburger combines deep respect for the ancient texts with years of practical rune reading experience to bring you a truly authentic and inspiring guide book. Rune reading is a tool for gaining insight, using ancient symbols to challenge and inspire. Some see it as divination--a way of tapping into hidden knowledge. Others use it for self-reflection or focusing intention. Consulting the runes can be like talking to an old friend: you may know the truth, but sometimes you need to hear it before you believe it. Rune reading uses your intuitive wisdom to help you see a little further, feel a little deeper, and reach a little higher. Before Christianity spread to northern Europe, the indigenous peoples of that region were Germanic tribes, like the Anglo-Saxons, Goths, and Norsemen. Runes were the letters of their alphabets. Over time these letters developed rich symbolic meanings, passed down through poems and myths. Like most pre-Christian cultures, the Germanic peoples were polytheistic, and they revered natural elements as sacred. When you pick up the runes, you are entering a vibrant world, grounded in nature and everyday life, yet full of heroes, gods, and mythology. Most of what we know about runes comes from just a few ancient poems. Some books pick and choose the easier elements from each poem, while overlooking anything too difficult or unpleasant. But it's clear from the poems that runes have a dark side--and we know from history that the people who used them were both fearless and fearsome. This book doesn't leave anything out. All of the mystical beauty is there, and so is the fighting spirit. The Runes gives you strong, unfiltered runes with a hard-enough edge to face anything that comes up.

Futhark Edred Thorsson,2020-04 A new, updated edition of the essential guide to the practice of the runes as a magical tool for spiritual development. In Futhark, rune master Edred Thorsson reinitiates us into our heritage, explaining the mysteries of a profound system of thought and practice that underlies our developing Western culture. Futhark covers both the spiritual heritage of ancient runic lore and the practical steps we can take to draw on rune power. This complete book of rune instruction includes rune history and lore, its basis in

metaphysical thought and mysticism, complete definitions of the twenty-four runes of the Elder Futhark, and the etymology, phonetic value, and interpretation of each rune. The reader will learn how to perform chants and rituals using runic energy, how to sign and send runes, and how to practice runic meditation. The author's presentation of this powerful system is lucid and profound, and provides a valuable tool for spiritual transformation and self-development.

Gods of the Runes Frank Joseph,2010-11-11 The ancient origins and divinatory power of the runes • Uncovers the original divinatory meaning of each rune through the myths of its corresponding Norse god or goddess • Includes beautiful full-color illustrations of the runic gods and goddesses • Presents rune-casting spreads for divination and character analysis • Explores the controversial history of runes from the Paleolithic Stone Age to today
Invented long before the appearance of the runic alphabet Futhark less than two thousand years ago, the runes were originally created as symbols for specific deities. Representing the twenty-four Norse gods and goddesses from the Vanir and Aesir pantheons, the runes provide a way to establish direct contact with the divine shapers of fate. Based on the work of Austrian mystic and runologist Guido von List and anthropologist Marija Gimbutas as well as the oldest rune artifacts to survive from pre-Christian Europe, this book reveals the long history of runes from their appearances in Paleolithic cave paintings through their rechristening in Medieval times to their modern resurgence as a popular tool of divination. It uncovers the original names and divinatory meanings of each rune by exploring the myths, personality traits, astrological periods, identifying colors, and gemstones of the rune's corresponding god or goddess. It also illustrates and explains five ancient rune-casting spreads used by Norse adepts for divination as well as character analysis. By renewing their link with the divine, Gods of the Runes shows how working with the runes can be a genuine mystical experience, enabling a personal connection with the gods and a rediscovery of their perennial truths.
