The Interestings Meg Wolitzer, 2014-03-25 "Remarkable . . . With this book [Wolitzer] has surpassed herself."—The New York Times Book Review A victory . . . The Interestings secures Wolitzer's place among the best novelists of her generation. . . . She's every bit as literary as Franzen or Eugenides. But the very human moments in her work hit you harder than the big ideas. This isn't women's fiction. It's everyone's.—Entertainment Weekly (A) The New York Times—bestselling novel by Meg Wolitzer that has been called genius (The Chicago Tribune), "wonderful" (Vanity Fair), ambitious (San Francisco Chronicle), and a "page-turner" (Cosmopolitan), which The New York Times Book Review says is among the ranks of books like Jonathan Franzen's *Freedom* and Jeffrey Eugenides' *The Marriage Plot*. The summer that Nixon resigns, six teenagers at a summer camp for the arts become inseparable. Decades later the bond remains powerful, but so much else has changed. In *The Interestings*, Wolitzer follows these characters from the height of youth through middle age, as their talents, fortunes, and degrees of satisfaction diverge. The kind of creativity that is rewarded at age fifteen is not always enough to propel someone through life at age thirty; not everyone can sustain, in adulthood, what seemed so special in adolescence. Jules Jacobson, an aspiring comic actress, eventually resigns herself to a more practical occupation and lifestyle. Her friend Jonah, a gifted musician, stops playing the guitar and becomes an engineer. But Ethan and Ash, Jules's now-married best friends, become shockingly successful—true to their initial artistic dreams, with the wealth and access that allow those dreams to keep expanding. The friendships endure and even prosper, but also underscore the differences in their fates, in what their talents have become and the shapes their lives have taken. Wide in scope, ambitious, and populated by complex characters who come together and apart in a changing New York City, *The Interestings* explores the meaning of talent; the nature of envy; the roles of class, art, money, and power; and how all of it can shift and tilt precipitously over the course of a friendship and a life.

Hip-Hop (And Other Things) Shea Serrano, 2021-10-26 HIP-HOP (AND OTHER THINGS) is about, as it were, rap, but also some other things. It's a smart, fun, funny, insightful book that spends the entirety of its time celebrating what has become the most dominant form of music these past two and a half decades. Tupac is in there. Jay Z is in there. Missy Elliott is in there. Drake is in there. Pretty much all of the big names are in there, as are a bunch of the smaller names, too. There's art from acclaimed illustrator Arturo Torres, there are infographics and footnotes; there's all kinds of stuff in there. Some of the chapters are serious, and some of the chapters are silly, and some of the chapters are a combination of both things. All of them, though, are treated with the care and respect that they deserve. HIP-HOP (AND OTHER THINGS) is the third book in the (And Other Things) series. The first two—*Basketball (And Other Things)* and *Movies (And Other Things)*—were both #1 New York Times bestsellers.

Freak Out Pauline Butcher, 2023-09-11 This new, completely revised and updated edition contains a wealth of new material, excerpts from the author's diaries and private letters home about life in Hollywood. In 1967, 21-year-old Pauline Butcher was working for a London secretarial agency when a call came through from a Mr Frank Zappa asking for a typist. The assignment would change her life forever. For three years, Pauline served as Zappa's PA, moving with him, his family and the Mothers of Invention, to a log cabin in Laurel Canyon in the Hollywood Hills, where the 'straight' young English girl mixed with Oscar winners and rock royalty. *Freak Out!* is the captivating story of a naive young English girl thrust into the mad world of a musical legend as well as the most intimate portrait of Frank Zappa ever written.

Immortal Bird Doron Weber, 2013-02-05 The father of the young actor best known for his performances in *Deadwood* describes his son's congenital heart defect, the young man's theatrical achievements, and the family's effort to find life-saving medical answers.

Fast 5K Pete Magill, 2019-09-10 Spend two hours with Pete Magill's *Fast 5K* and you'll know how to run your fastest 5K. In his fast-paced, ultimate guide to 5K running races, celebrated running coach Pete Magill reveals the 25 crucial keys to setting your next 5K PR. Magill shares hard-earned lessons he gained while leading 19 teams to USA national championships and setting multiple American and world age-group and masters records. *Fast 5K* shares Magill's essential keys to finding your fastest running fitness and race readiness. The 25 keys include optimal training mileage, effective tempo runs, VO2 max workouts, hill repeats, plyometrics that work, ways to prevent injuries, recovery tips, guides to diet and racing weight, choosing racing flats, and much more. Offering three 12-week and one 16-week 5K training plans, *Fast 5K* is the key to your best 5K running times. Pete Magill is a world-class 5K runner, personally holds multiple American and world age-group records in track & field and road racing and is a 5-time USA Masters Cross Country Runner of the Year. Now in this distilled guide, you can get world-class advice on how to run your fastest 5K ever.

Who Cares for our Children? Valerie Polakow, 2007 Valerie Polakow spent a year traveling around the country listening to low-income women from diverse backgrounds tell their stories of struggle, resilience, distress, and occasional success as they encountered ongoing child care crises. The resulting work is both a compelling account of the lived realities of the child care crisis, and an incisive critique of public policy that points to the United States as an outlier in the international community. Drawing on historical and international perspectives, Polakow creates a groundbreaking analysis of child care as a human right, persuasively arguing for a universal child care system. "Who Cares for Our Children? is one of the most disturbing books I have read in a long time. It should have a major impact on debates over poverty and social policy." —From the Foreword by Barbara Ehrenreich, author of *Nickel and Dimed* "In this beautifully written and provocative volume, Polakow deftly steps aside and lets real mothers, struggling against the odds to keep their families safe and sound, speak for themselves about what they need. This book delivers a timely message: Child care should be viewed as a human right." —Martha F. Davis, Northeastern University School of Law "A collection of moving and often chilling personal narratives. . . . *Who Cares for Our Children?* is a powerful and well-documented analysis of the worlds of low-income families." —Beth Blue Swadener, Arizona State University "Thoroughly researched and grounded in a heartfelt sympathy for the struggles of families . . . that face such painful choices and dilemmas in meeting the needs of their children." —James Garbarino, Loyola University Chicago

Son of Stone Stuart Woods, 2011-09-20 Stone Barrington is faced with the biggest challenge of his life as Stuart Woods's #1 New York Times bestselling series continues... After an eventful trip to Bel-Air and a reunion with his sophisticated (and very wealthy) former love, Arrington Calder, confirmed bachelor Stone Barrington is looking to stay in New York and cash in on his partnership at Woodman & Weld. Not only is he a rainmaker of one of the richest white-shoe law firms in town, he's back in his element. Manhattan, after all, is his home, and no one is better than Stone at navigating both its shadowy underworlds and its chic society. But Arrington has other plans for Stone, and his life is about to take a turn he never imagined...

The Concrete Maze Steven Torres,2007 When a teenage girl is kidnapped by a Bronx crime boss, nothing will stand between her father and the man who took her.

The New York Times Index ,1923

Beautiful Country Qian Julie Wang,2021-09

Success and Luck Robert H. Frank,2017-09-26 From New York Times bestselling author and economics columnist Robert Frank, a compelling book that explains why the rich underestimate the importance of luck in their success, why that hurts everyone, and what we can do about it How important is luck in economic success? No question more reliably divides conservatives from liberals. As conservatives correctly observe, people who amass great fortunes are almost always talented and hardworking. But liberals are also correct to note that countless others have those same qualities yet never earn much. In recent years, social scientists have discovered that chance plays a much larger role in important life outcomes than most people imagine. In *Success and Luck*, bestselling author and New York Times economics columnist Robert Frank explores the surprising implications of those findings to show why the rich underestimate the importance of luck in success—and why that hurts everyone, even the wealthy. Frank describes how, in a world increasingly dominated by winner-take-all markets, chance opportunities and trivial initial advantages often translate into much larger ones—and enormous income differences—over time; how false beliefs about luck persist, despite compelling evidence against them; and how myths about personal success and luck shape individual and political choices in harmful ways. But, Frank argues, we could decrease the inequality driven by sheer luck by adopting simple, unintrusive policies that would free up trillions of dollars each year—more than enough to fix our crumbling infrastructure, expand healthcare coverage, fight global warming, and reduce poverty, all without requiring painful sacrifices from anyone. If this sounds implausible, you'll be surprised to discover that the solution requires only a few, noncontroversial steps. Compellingly readable, *Success and Luck* shows how a more accurate understanding of the role of chance in life could lead to better, richer, and fairer economies and societies.

Supreme Court, Appellate Division-First Department ,1902

A Cooked-Up Fairy Tale Penny Parker Klostermann,2017 A hapless young chef, hoping to impress workers at Fairy-Tale Headquarters, cooks some story ingredients he has found, and gives a new twist to familiar tales.

The Bitchy Waiter Darron Cardoso,2016-07-05 Hilarious tales from the trenches of food service from the popular blog—perfect for fans of David Sedaris, Anthony Bourdain, Erma Bombeck and Mo Rocca. For all those disenchanted current and former food service employees, Darron Cardoso (a.k.a. The Bitchy Waiter) has your back. Based on his popular blog, this riotous book is full of waitstaff horror stories—plus heartwarming tales—from three decades in the industry. Cardoso knows you want your beer cold (“You want a cold beer? Thank you for clarifying so I didn’t bring you the one that just came out of the oven”). And while he may hate children (“I know the kid at Table Eight is trouble the moment he rolls into the restaurant in his fancy stroller”), he will at least consider owning up to his mistakes: “Do I take the steak from the floor, citing the “three-second rule,” and put it in the to-go box and carry it back to the woman?” From crazy customers to out-of-control egos, these acerbic tales offer a hilarious glimpse into what really goes on in that fancy restaurant—and inside the mind of a server. Praise for *The Bitchy Waiter* “Cardosa does for wait staff what Anthony Bourdain did for kitchens: he exposes the ugly side of food service from the perspective of those working on the front lines. And he puts the potential restaurant customer on notice that someone is watching and recording their bad behavior.” —Shelf Awareness

The Sopranos Sessions Matt Zoller Seitz,Alan Sepinwall,2019-01-08 New York Times—Bestseller: “The authors’ interviews with Chase are endlessly illuminating . . . the definitive celebration of a show that made history.” —Kirkus Reviews On January 10, 1999, a mobster walked into a psychiatrist’s office and changed TV history. By shattering preconceptions about the kinds of stories the medium should tell, *The Sopranos* launched our current age of prestige television, paving the way for such giants as *Mad Men*, *The Wire*, *Breaking Bad*, and *Game of Thrones*. As TV critics for Tony Soprano’s hometown paper, New Jersey’s *The Star-Ledger*, Alan Sepinwall and Matt Zoller Seitz were among the first to write about the series before it became a cultural phenomenon. Now they have reunited to produce *The Sopranos Sessions*, a collection of recaps, conversations, and critical essays covering every episode. Featuring a series of new long-form interviews with series creator David Chase, as well as selections from the authors’ archival writing on the series, *The Sopranos Sessions* explores the show’s artistry, themes, and legacy, examining its portrayal of Italian Americans, its graphic depictions of violence, and its deep connections to other cinematic and television classics. “Includes highly detailed recaps of each episode [and] a debate about the much-discussed final moment of the final episode.” —The New York Times “Excellent . . . an enjoyable read.” —The Irish Times

Percivious Jj Cook,Aj Cook,2020-08-04

Connecting People to Work Aspen Institute,2014 With many Americans striving to build their skills to get jobs in a rapidly changing economy, the workforce development field has seen a significant increase in sector strategies, which focus on the specific skills that employers need and address the real-world challenges facing low-income workers. Maureen Conway and Robert P. Giloth deliver a robust volume featuring perspectives from prominent nonprofit and philanthropy leaders, academics and researchers to capture how sector-based workforce development, in industries ranging from health to construction, has evolved over 30 years - and how it can continue to grow and inform future investments and policy decisions. The book offers lessons for policymakers, philanthropic investors, researchers and local leaders interested in policies and practices that support strong businesses while helping struggling Americans connect to good jobs. *Connecting People to Work* features case studies of organizations implementing sector-based workforce development strategies in the health care, construction, manufacturing and restaurant industries, and highlights how policy and economic changes and new practices among education and training institutions are affecting workforce development efforts. It also includes evaluation results and a review of major sector-financing strategies. The book discusses the need for these workforce strategies at a time when many people are out of work or underemployed and face a labor market that is difficult to navigate. Too many workers today earn too little to make ends meet, and they often lack the time or resources to participate in local education programs that may or may not help them find work. Many low-wage workers often need additional support as they go through training, an approach generally adopted by sector strategies. The results chronicled in the book make clear that such strategies can help create viable opportunities for more Americans to gain the skills they need to achieve greater financial stability.

The Best 389 Colleges, 2024 The Princeton Review,Robert Franek,2023-08-15 NO ONE KNOWS COLLEGES LIKE THE PRINCETON REVIEW! This comprehensive guide to the nation's best colleges provides in-depth profiles on schools,

The Irish in New Orleans Laura D. Kelley, 2014 Kelley tells the colorful, entertaining, and often adventurous history of the Irish in New Orleans. From Bloody O'Reilly in the eighteenth century to the great churches and charitable organizations built by the Irish Famine immigrants in the nineteenth century to the Irish-dominated politics of the twentieth century, and including Irish dance, music, and sports, the author introduces readers to a hitherto untold story of one of America's most historical cities.

Investing in America's Workforce Carl E. Van Horn, 2018

Embracing the Track of Phrase: An Psychological Symphony within **Running Results Search Nycetc**

In a world used by displays and the ceaseless chatter of immediate conversation, the melodic beauty and emotional symphony developed by the prepared word usually fade in to the background, eclipsed by the relentless sound and distractions that permeate our lives. However, nestled within the pages of **Running Results Search Nycetc** a marvelous fictional value full of organic thoughts, lies an immersive symphony waiting to be embraced. Constructed by a wonderful composer of language, that charming masterpiece conducts viewers on a psychological trip, well unraveling the hidden songs and profound impact resonating within each cautiously constructed phrase. Within the depths of the touching analysis, we shall explore the book's main harmonies, analyze their enthralling writing fashion, and submit ourselves to the profound resonance that echoes in the depths of readers' souls.
