Rolf Moller

Propuesta metodológica para la evaluación de rutas del Sistema Transmilenio Mario Alberto Valbuena Gutiérrez,2002

Transporte urbano y desarrollo sostenible en América Latina Rolf Moller,2006

La alternativa para el transporte público colectivo en Colombia Rolf Moller,2004

Bogotá Gilberto Guzmán Celis,2001

La ruta hacia las smart cities Mauricio Bouskela,Márcia Casseb ,Silvia Bassi,Cristina De Luca,Marcelo Facchina,2016-07-01 Una Ciudad Inteligente es aquella que coloca a las personas en el centro del desarrollo, incorpora Tecnologías de la Información y Comunicación en la gestión urbana y usa estos elementos como herramientas para estimular la formación de un gobierno eficiente que incluya procesos de planificación colaborativa y participación ciudadana. Al promover un desarrollo integrado y sostenible, las Smart Cities se tornan más innovadoras, competitivas, atractivas y resilientes, mejorando así las vidas.

Herramienta para el diseño óptimo de la red de rutas en sistemas de transporte masivo con aplicación a Transmilenio S.A. Diana Margarita María Arana Novoa,2004

Bogotá Alan Gilbert,María Teresa Garcés,2008

Colombia Sarah Woods,Richard McColl,2015-09-01 This guide to Colombia reflects the resurgence of the country among travellers following years of lawlessness. With a strong focus on the country's cultural attractions, it will appeal to visitors seeking to discover Colombia's renowned flora and fauna, as well as its historic colonial cities, and its range of eco-tourism initiatives

Bogotá León de oro (1990-2006) Colón, Luis Carlos,2006-11-11 En el marco de la 10ª exposición Internacional de Arquitectura de la bienal de Venecia 2006, uno de los eventos más importantes del mundo en su género, Bogotá recibió el premio León de Oro en la categoría de mejor ciudad por su transformación de los últimos años. Este catálogo, es la síntesis de los temas abordados en la exhibición y se convierte en un pretexto para dar lugar a una reflexión y un debate sobre el pasado reciente, el presente y el futuro de la ciudad.

Bogotá, de la construcción al deterioro 1995-2007 Alicia Eugenia Silva Nigrinis,2009

Mucho camello, poco empleo : por qué el trabajo de las mujeres en Colombia es escaso, desvalorado y mal remunerado Laura Porras Santillana,Natalia Ramírez

Bustamante,2021-11-01 Abogadas, economistas, sociólogas y antropólogas analizan, en esta obra, el acceso de las mujeres al empleo, los castigos laborales frente a la maternidad, las diferencias salariales y la feminización de los trabajos. Mucho camello, poco empleo reúne diez investigaciones que estudian las condiciones laborales de la mujer-madre, la campesina, la ejecutiva, la cuidadora de la salud, la trabajadora del servicio doméstico, la que sobrevive a su pareja. Las conclusiones de estos textos son provocadoras, otras controversiales, e incluso algunas podrían ser consideradas conservadoras. Al ser escritos por personas que provienen de distintas disciplinas y que asumen la comprensión de los fenómenos desde distintos marcos teóricos y metodológicos, lo lógico es que se generen desacuerdos y tensiones entre ellos. Precisamente eso es lo que busca este libro. El objetivo es estimular el diálogo de tal forma que sea imposible pensar en agendas de investigación o políticas públicas que ignoren la variedad de enfoques necesarios para entender una realidad tan compleja como el trabajo de las mujeres.

Vivienda social en Colombia Bedoya Ruiz, Ángela,Agudelo Rodríguez, Carlos Fernando,Ramos Calonge, Helmuth Geofre,Juliao Vargas, Clara Stella,2018-04-24 A lo largo de las últimas tres décadas, en materia de políticas y programas para la provisión de vivienda en Colombia, se ha priorizado la disminución del déficit cuantitativo y el desarrollo de vivienda nueva a través de un sistema de subsidios a la demanda. A partir del 2012, se crea el Programa de Vivienda Gratuita (PVG), o Programa de Viviendas 100 % Subsidiadas, el cual busca, mediante un subsidio no antes creado –en especie–, otorgar unidades de vivienda en gratuidad a los hogares más vulnerables del país. Este libro propone una metodología para la evaluación de programas y proyectos de vivienda de interés social y especialmente prioritario, metodología que se puso a prueba a través del estudio de algunos casos del PVG.

Administración pública económica Javier Henao Hidrón,2020-03-08 El propósito consiste en que pueda servir de fuente de consulta al estudio de la Administración Pública relacionada con aspectos económicos, quizá la parte más importante de aquella disciplina académica. En ella están interesados no solo los gobernantes y administradores sino también los ciudadanos en general, pues para estos es cada vez más útil el conocimiento de las posibilidades que ofrece el poder público en concordancia con los recursos naturales del país. El punto de referencia es la organización del Estado y las funciones de sus entidades, órganos y dependencias en cuanto puedan incidir en la economía colombiana. El análisis se actualiza con la reforma a la administración nacional efectuada en 2011 por el gobierno con fundamento en facultades extraordinarias conferidas por el Congreso de la República. La pujanza de la economía nacional queda puesta de relieve. Su sitio en el ámbito latinoamericano es ahora el tercer lugar, con un PIB de 344.000 millones de dólares que supera en 6.000 millones de dólares al de Argentina, tras la devaluación de su peso en enero de 2014. Adelante se sitúan Brasil y México, que alcanzan un PIB de 1,93 y 1,20 billones de dólares, respectivamente.

La calidad de vida en la ciudad de Bogotá Wilson Giovanni Jiménez Barbosa,2015-08-01 En su ausencia, las aglomeraciones poblacionales pueden ver surgir fenómenos como la violencia urbana, la segregación espacial de sus habitantes,la contaminación ambiental, o la congestión, entre otros; transformándolas en lugares en los cuales el ser humano no puede desarrollar su proyecto vital en condiciones de dignidad. Para evitar o superar la aparición de este tipo de fenómenos, es de vital importancia la formulación de políticas públicas orientadas a garantizar el acceso a bienes primarios a todos los ciudadanos, con el fin de lograr tanto convergencia social como económica.

La sociabilidad y lo público Martínez, Alexandra,Gómez Serrudo, Nelson Antonio,2017-04-04 La sociabilidad y lo público explora la diversidad de este tema a partir de tres ejes de análisis: el primero, entendiendo la sociabilidad como práctica social, política e intelectual; el segundo, a partir de los públicos y formas de expresión cultural, y el tercero, centrado en las sociabilidades en los espacios públicos urbanos donde se dan diferentes formas de encuentros, regulaciones y convenciones sociales. El conjunto de artículos del libro abarca un amplio periodo de tiempo de la sociabilidad latinoamericana, o del sur global, como podría entenderse contemporáneamente la inclusión de distintas realidades sociales con procesos de configuración compartidos, que inicia en los últimos años del siglo XVIII

y llega hasta el siglo XXI. Estos textos, resultado de investigaciones, invitan a reflexionar sobre las formas en que se expresa un lenguaje de lo público en América Latina y Marruecos, materializado a través de distintas formas, bien sea en lo político-sociabilidades políticas-, en lo intelectual, en lo cultural o en las movilidades urbanas, así como en la formalización de espacios de producción y recepción de la cultura y la educación

Organizaciones saludables y procesos organizacionales e individuales Grueso Hinestroza, Merlin Patricia,2016-11-30 Los retos que enfrentan las organizaciones son variados, provienen de fuentes internas y externas, y tienen diferentes impactos, de allí que sea imperativo el desarrollo de condiciones internas que permitan afrontar de manera apropiada dichos retos y además obtener los mejores resultados. Las organizaciones exitosas, perdurables, saludables y sostenibles se caracterizan por enfocarse en uno de los principales capitales y fuente de ventaja competitiva: las personas. Estas organizaciones generan procesos, prácticas, dinámicas y ambientes laborales que favorecen el bienestar para todos sus grupos de interés. Reflexionar sobre el rol de las organizaciones saludables y los recursos humanos es pues el principal objetivo de este libro. En términos generales se busca abordar la noción de organización saludable desde diferentes niveles, analizar los desafíos que impone, considerar nuevas perspectivas de aplicación y demostrar su aplicabilidad en el campo de las organizaciones. De igual forma, con esta obra se intenta plantear elementos teóricos y metodológicos respecto a los recursos humanos desde el nivel individual, grupal y organizacional, debatir su relevancia de cara a los resultados organizacionales y considerar conceptos emergentes en torno al tema.

Ciudad y arquitectura urbana en Colombia, 1980-2017 Luis Fernando González Escobar,2020-06-02 Las sorprendentes mutaciones que se presentaron a partir del 2010 tanto en el contexto global como en las dinámicas nacionales determinaron nuevos rumbos para la ciudad y la arquitectura urbana de Colombia, los cuales se concretaron en formas distintas de concebir lo urbano arquitectónico desde lo público. El resultado de ello es que se pusieron a prueba las bondades y certezas de lo construido entre los años 1980 y 2010–lapso cubierto por la primera edición de este libro–, hasta el punto de que algunos de los aparentes éxitos reventaron, víctimas de su propia megalomanía, y debieron ser redireccionados. Se ha impuesto así un nuevo paisaje urbano, y la arquitectura y el diseño urbanos han dejado de ser un asunto circunscrito a los especialistas y ahora son discutidos también por las comunidades y la sociedad en general. Analizar todas estas novedades es el objetivo de la presente edición de esta obra.

Bogotá Gerard Martin,Miguel Antonio Ceballos Arévalo,Constanza Ariza,2004 Bogotá en el siglo XX : de aldea a ciudad - Tendencias demográficas y socioeconómicas en Bogotá (1995-2003) - La evolución de la seguridad en Bogotá (1977-2003) - Los alcaldes de Bogotá y la visión de seguridad ciudadana de sus planes de desarrollo (1995-2003) - Fortalecimiento institucional y normativo en el tema de seguridad y convivencia en la ciudad de Bogotá (1995-2003) - El sistema unificado de información de violencia y delincuencia de Bogotá (SUIVD) - Urbanismos con fines sociales y su contribución al mejoramiento de la seguridad en Bogotá (1995-2003) - Políticas distritales en bien del fortalecimiento de la policía Metropolitana de Bogotá (1995-2003) - Políticas distritales de inversión social (1995-2003) - Políticas distritales para atender población vulnerable (1995-2003) : habitantes de la calle, pandilleros y trabajadoras sexuales - Ampliación de la oferta en mecanismos alternativos de resolución en conflictos (MARC) en Bogotá (1995-2003) - La unidad permanente de justicia ...

III Congreso internacional de ingenierías Burbano Pulles, Marco,Patiño Hernández, Luis,2017-12-01 Este libro reúne las memorias del III Congreso Internacional de Ingenierías desarrollado en Ipiales y Tulcán. Sus temáticas están relacionadas con los alimentos, la informática, la ingeniería agroindustrial y la computación. Sus autores abordan distintas e importantes temáticas bajo un enfoque científico y acorde a los avances tecnológicos de la región. Su lectura y aplicación resaltará la instauración de la científicidad y la replicabilidad necesarias para su demostración y difusión hacia la colectividad.

La ciudadanía en controversia: análisis competencias ciudadanas Rojas, Armando,Gonzalez, Chris,Garcia, Gustavo,Gonzalez, Dory,Alvarez, Diego,Vasquez, Jaime,Chaustre, Alvaro,2018-04-10 Las disertaciones que plantea el texto permiten reconocer, no solo una conceptualización de la ciudadanía, sino acercarse a su ejercicio más práctico –las competencias ciudadanas– en una reflexión sobre ellas, a través de un análisis crítico y controversial de las mismas, que permite a docentes, estudiantes, académicos e interesados en general cuestionarse sobre la importancia de establecer un camino para el desarrollo de competencias y la consolidación de un modelo de ciudadano, que se acerque al contexto actual de nuestro país

If you ally need such a referred **Rutas Transmilenio** book that will pay for you worth, acquire the no question best seller from us currently from several preferred authors. Rutas Transmilenio Introduction

In today's digital age, the availability of Rutas Transmilenio books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Rutas Transmilenio books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Rutas Transmilenio books and manuals for download is the cost-saving aspect. Traditional

books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Rutas Transmilenio versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Rutas Transmilenio books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Rutas Transmilenio books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Rutas Transmilenio books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Rutas Transmilenio books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Rutas Transmilenio books and manuals for download and embark on your journey of knowledge?

FAQs About Rutas Transmilenio Books

How do I know which eBook platform is the best for me? Finding the best eBook

platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Rutas Transmilenio is one of the best book in our library for free trial. We provide copy of Rutas Transmilenio in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Rutas Transmilenio. Where to download Rutas Transmilenio online for free? Are you looking for Rutas Transmilenio PDF? This is definitely going to save you time and cash in something you should think about.
