Thanksgiving David W. Pao,2002 Thanksgiving : An Investigation of a Pauline Theme

'The Sufferings of Christ Are Abundant In Us' Kar Yong Lim,2009-06-11 This study investigates why Paul makes the theme of suffering so central to his argument in 2 Corinthians. It is pursued through an exegetical analysis of passages where Paul's suffering is described, namely 1:3-11; 2:14-116; 4:7-12; 6:1-10 and 11:23-12:10. By employing a narrative approach, this study argues that Paul's apostolic suffering is grounded in the story of Jesus. There are several implications arising from this approach. First, Paul understands his suffering as necessary and integral to his apostolic mission. Second, Paul claims that his suffering has positive missiological benefits, resulting in giving birth to the Christ-believing community in Corinth. Third, for Paul, the story of Jesus does not end at the event of the cross, and so he extends the invitation to the Corinthians to participate in the story of Jesus. Fourth, Paul's understanding of his suffering also finds its roots in the Hebrew Scriptures as seen in the allusion to and citations of Isaiah and Jeremiah/1 Kingdoms. Finally, Paul expresses his deep concern for the Corinthians in this letter. In essence, Paul sees his own suffering as a reflection of his embodying the ongoing story of Jesus - a story of suffering and death leading to life - and calls the Corinthians also to this cruciform pattern of living. Taking all the above implications together, it is suggested that 2 Corinthians should be read as primarily paraenetic in nature and that Paul's apology for his apostleship only plays a secondary role.

Isaiah Brevard S. Childs,2001-01-01 In this addition to the critically acclaimed The Old

Testament Library, internationally renowned scholar Brevard Childs writes on what arguably is the Old Testament's most important theological book. Childs furnishes a fresh translation from the original Hebrew and discusses questions of text, linguistics, historical background and literary architecture. He also presents a theological interpretation of the text.

Flow Lester Ruth, 2020-03-03 Is there a way to do the prescribed or suggested orders of worship from denominational worship resources—such as the United Methodist Book of Worship, Evangelical Lutheran Book of Worship, the Book of Common Worship of the Presbyterian Church (U.S.A.), or the Book of Common Prayer—in a way that feels legitimately and authentically contemporary? This practical, how-to book will help churches plan and implement passionate and invigorating worship. Step by step, author Lester Ruth and contributors Zachary Barnes, Andrew Eastes, Jonathan Ottaway, Adam Perez, Glenn Stallsmith and Deborah Wong break down the process of re-thinking what the official or recommended order of worship is truly suggesting, so pastors and worship leaders can plan and lead a service of Word and Table that feels genuinely relevant and attuned to the congregation's culture. With this goal, Flow casts a new, but classic, understanding of traditional worship as well as spurs a reconsideration of how contemporary worship can be done by honoring the traditions of denominational congregations.

Christian Higher Education David S. Dockery, Christopher W. Morgan, 2018-12-10 Our world is growing increasingly complex and confused—a unique and urgent context that calls for a grounded and fresh approach to Christian higher education. Christian higher education involves a distinctive way of thinking about teaching, learning, scholarship, curriculum, student life, administration, and governance that is rooted in the historic Christian faith. In this volume, twenty-

nine experts from a variety of fields, including theology, the humanities, science, mathematics, social science, philosophy, the arts, and professional programs, explore how the foundational beliefs of Christianity influence higher education and its disciplines. Aimed at equipping the next generation to better engage the shifting cultural context, this book calls students, professors, trustees, administrators, and church leaders to a renewed commitment to the distinctive work of Christian higher education—for the good of the society, the good of the church, and the glory of God.

Psalms, Part 2, and Lamentations Erhard S. Gerstenberger, 2001-08-15 Psalms, Part 2, and Lamentations is Volume XV of The Forms of the Old Testament Literature, a series that aims to present a form-critical analysis of every book and each unit in the Hebrew Bible. Fundamentally exegetical, the FOTL volumes examine the structure, genre, setting, and intention of the biblical literature in question. They also study the history behind the form-critical discussion of the material, attempt to bring consistency to the terminology for the genres and formulas of the biblical literature, and expose the exegetical procedures so as to enable students and pastors to engage in their own analysis and interpretation of the Old Testament texts. This volume completes Erhard Gerstenberger's widely praised discussion of the psalms literature begun in Volume XIV, and includes as well an admirable study of the book of Lamentations. Gerstenberger interprets the different kinds of songs and prayers that comprise the book of Psalms in light of their socio-historical settings and provides a concise formal and structural analysis of each biblical text based on an illuminating comparison with other ancient Near Eastern prayers and hymns. Seeing the biblical writings in relation to the social, cultic, religious, and theological conceptions of Israel's neighboring peoples allows contemporary readers to better grasp the purpose and spiritual meaning of the psalms and Lamentations to the Jewish community that composed them.

Awaken with Gratitude Hillis Pugh, 2018-11 *Awaken With Gratitude* is a collection of true-to-life moments and personal perspectives threaded together in a series of internal commentary. These observations create a new awareness of self. Each theme allows a deeper understanding of how gratitude runs thru every aspect of every day in each moment creating a cohesion. Gratitude is more than an attitude, it is the path to feeling good, the path of acceptance, and the path of least resistance.

Spirituality Matters in Social Work James R. Dudley, 2016-03-02 Offering a focus that is lacking (or not clearly evident) in most spirituality books, Dudley addresses specific ways of incorporating spirituality into practice and integrates many of the contributions of other writers into an overall eclectic practice approach. His approach revolves around many of the core competencies of the EPAS accreditation (CSWE, 2008). Most of the core competencies are addressed with an emphasis on professional identity, ethical practice, critical thinking, diversity, practice contexts, and, a major practice framework of the book, the practice stages of engagement, assessment, intervention, and evaluation.

Gathered for Worship William S. Kervin, 2012-10-01 Each topic raised by Kervin in this collection of discussion starters for worship planners is a catalyst for a new kind of thinking around how we frame our worship. Creeds, intercultural worship, architecture, language, song, new technology...whatever the subject, Kervin combines an enlightening appreciation for liturgical

traditions with the conviction that everyone in the church has experience and opinions and this grassroots input can enrich our common experience. Concise and accessible, Kervin, a renowned theologian and teacher at Emmanuel College in Toronto, brings to each reflection his own experience in pastoral ministry. His work has been drawn from Kervin's column Worship Words that appears regularly in the periodical Gathering. The chapters in Gathered for Worship have been tailored to meet the needs of worship planners as they study and reflect, discuss and plan, and include discussion questions, liturgical examples, and sources for further reading. Johanna M. Selles's educational guidelines will help them make the most of their meetings.

Race & Resistance Viet Thanh Nguyen, 2002 Viet Thanh Nguyen argues that Asian American intellectuals need to examine their own assumptions about race, culture and politics, and makes his case through the example of literature.

Nothing Ever Dies Viet Thanh Nguyen, 2016-04-11 Finalist, National Book Critics Circle Award Finalist, National Book Award in Nonfiction A New York Times Book Review "The Year in Reading" Selection All wars are fought twice, the first time on the battlefield, the second time in memory. From the author of the Pulitzer Prize-winning novel The Sympathizer comes a searching exploration of the conflict Americans call the Vietnam War and Vietnamese call the American War—a conflict that lives on in the collective memory of both nations. "[A] gorgeous, multifaceted examination of the war Americans call the Vietnam War—and which Vietnamese call the American War...As a writer, [Nguyen] brings every conceivable gift—wisdom, wit, compassion, curiosity—to the impossible yet crucial work of arriving at what he calls 'a just memory' of this war." —Kate Tuttle, Los Angeles Times "In Nothing Ever Dies, his unusually thoughtful consideration of war, self-deception and forgiveness, Viet Thanh Nguyen penetrates deeply into memories of the Vietnamese war...[An]

important book, which hits hard at self-serving myths.” —Jonathan Mirsky, Literary Review
“Ultimately, Nguyen’s lucid, arresting, and richly sourced inquiry, in the mode of Susan Sontag and W. G. Sebald, is a call for true and just stories of war and its perpetual legacy.” —Donna Seaman, Booklist (starred review)

The Art of Christian Alchemy Roger Corless, 2008-10-01 The Art of Christian Alchemy is a witty and provocative book that explores, in twentieth-century terms, the spiritual yearnings of modern people. It is a magic tour through evolutionary theory and the bi-cameral brain, with detours into such areas as handicrafts, dieting, and sex. But in all of these travels, Roger Corless is tracking down an ancient and rich vein: The Spiritual life, he says, is the transfiguration of the ordinary. Through prayer, meditation, and ascetical practices, we can take the ordinary stuff of life and change it into something more noble--just as alchemists of old sought to transform base metals into gold. The key to this transfiguration is the threefold way of work, listening, and praise outlined by St. Benedict in the sixth century and still practiced by communities of Benedictines in the U.S. and elsewhere. Corless initiates us into their method. Ultimately, he brings us to the place where St. Francis, Teilhard de Chardin, Buddha, Benedict, and Jesus dwell together at the table of unity.
