Mastering WooCommerce 4 Patrick Rauland, 2020-03-27 Understand all aspects of building a successful online store which is search-engine-optimized, using theme management and one-page checkout features Key Features Extend your WordPress knowledge to build fully functional e-commerce websites using WooCommerce and its plugins Implement payment gateway, shipping, and inventory management solutions Improve the speed and performance of your websites by optimizing images and caching static information Book Description WooCommerce is one of the most flexible platforms for building online stores. With its flexibility, you can offer virtually any feature to a client using the WordPress system. WooCommerce is also self-hosted, so the ownership of data lies with you and your client. This book starts with the essentials of building a WooCommerce store. You'll learn how to set up WooCommerce and implement payment, shipping, and tax options, as well as configure your product. The book also demonstrates ways to customize and manage your

products by using SEO for enhanced visibility. As you advance, you'll understand how to manage sales by using POS systems, outsource fulfillment, and external reporting services. Once you've set up and organized your online store, you'll focus on improving the user experience of your e-commerce website. In addition to this, the book takes you through caching techniques to not only improve the speed and performance of your website but also its look and UI by adding themes. Finally, you'll build the landing page for your website to promote your product, and design WooCommerce plugins to customize the functionalities of your e-commerce website. By the end of this WooCommerce book, you'll have learned how to run a complete WooCommerce store, and be able to customize each section of the store on the frontend as well as backend. What you will learnGrasp the fundamentals of e-commerce website design and management with WordPressUse Gutenberg product blocks to display products across various categories on your websiteGet to grips with WordPress plugin development to customize your website's functionalityDiscover various ways to effectively handle product payment, taxes, and shippingUse analytics and product data syncing in WordPress to keep an eye on the user experience and monitor the performance of your online storePromote your new product online using SEO management and landing pagesWho this book is for This WooCommerce development book is for web developers, WordPress developers, e-commerce consultants, or anyone familiar with using WordPress and interested in building an e-commerce platform from

scratch. Working knowledge of WordPress development and general web development concepts is required.

Old House Interiors ,2002-07 National architectural magazine now in its fifteenth year, covering period-inspired design 1700–1950. Commissioned photographs show real homes, inspired by the past but livable. Historical and interpretive rooms are included; new construction, additions, and new

kitchens and baths take their place along with restoration work. A feature on furniture appears in every issue. Product coverage is extensive. Experts offer advice for homeowners and designers on finishing, decorating, and furnishing period homes of every era. A garden feature, essays, archival material, events and exhibitions, and book reviews round out the editorial. Many readers claim the beautiful advertising—all of it design-related, no “lifestyle” ads—is as important to them as the articles.
