Sad Boy Aesthetics Alex Mazey,2021-06-30 Through the precession of simulacra, we have arrived at a landscape of e-girls and sad boys, the aesthetic values of our time transposed onto the ecstatic communications of the hyperreal. Through Baudrillardian analysis, Alex Mazey attempts to trace a genealogy of Sad Boy Aesthetics, charting its earliest occurrences to progenitors like Yung Lean and Bladee, before moving towards more connective and investigational readings of Lil Peep.

Poetry Unbound: 50 Poems to Open Your World Pádraig Ó. Tuama,2022-12-06 Expanding on the popular podcast of the same name from On Being Studios, Poetry Unbound offers immersive reflections on fifty powerful poems. In the tumult of our contemporary moment, poetry has emerged as an inviting, consoling outlet with a unique power to move and connect us, to inspire fury, tears, joy, laughter, and surprise. This generous anthology pairs fifty illuminating poems with poet and podcast host Pádraig Ó Tuama’s appealing, unhurried reflections. With keen insight and warm personal anecdotes, Ó Tuama considers each poem’s artistry and explores how its meaning can reach into our own lives. Focusing mainly on poets writing today, Ó Tuama engages with a diverse array of voices that includes Ada Limón, Ilya Kaminsky, Margaret Atwood, Ocean Vuong, Layli Long Soldier, and Reginald Dwayne Betts. Natasha Trethewey meditates on miscegenation and Mississippi; Raymond Antrobus makes poetry out of the questions shot at him by an immigration officer; Martín Espada mourns his father; Marie Howe remembers and blesses her mother’s body; Aimee Nezhukumatathil offers comfort to her child-self. Through these wide-ranging poems, Ó Tuama guides us on an inspiring journey to reckon with self-acceptance, history, independence, parenthood, identity, joy, and resilience. For anyone who has wanted to try their hand at a conversation with poetry but doesn’t know where to start, Poetry Unbound presents a window through which to celebrate the art of being alive.

The Ghosts We Keep Mason Deaver,2021-06-01 Everything happens for a reason. At least that's what everyone keeps telling Liam Cooper after his older brother Ethan is killed suddenly in a hit-and-run. Feeling more alone and isolated than ever, Liam has to not only learn to face the world without one of the people he loved the most, but also face the fading relationships of his two best friends in the process. Soon, Liam finds themselves spending time with Ethan's best friend, Marcus, who might just be the only person that seems to know exactly what they're going through-for better and for worse. The Ghosts We Keep is an achingly honest portrayal of grief. But it is also about why we live. Why we have to keep moving on, and why we should.

Don't Date Rosa Santos Nina Moreno,2019-05-04 For fans of GILMORE GIRLS and TO ALL THE BOYS I'VE LOVED BEFORE, this effervescent love story from debut author Nina Moreno will sweep you away. Rosa Santos is cursed by the sea-at least, that's what they say. Dating her is bad news, especially if you're a boy with a boat. But Rosa feels more caught than cursed. Caught between cultures and choices. Between her abuela, a beloved healer and pillar of their community, and her mother, an artist who crashes in and out of her life like a hurricane. Between Port Coral, the quirky South Florida town they call home, and Cuba, the island her abuela refuses to talk about. As her college decision looms, Rosa collides-literally-with Alex Aquino, the mysterious boy with tattoos of the ocean whose family owns the marina. With her heart, her family, and her future on the line, can Rosa break a curse and find her place beyond the horizon?

The Ottoman Cage Barbara Nadel,2005-02 Called in by the Turkish police when a brutal murder takes place in one of Istanbul's upscale neighborhoods, eccentric, brandy-swilling Inspector Cetin Ikmen plunges into the rich cultural and social life of modern-day Istanbul. By the author of Belshazzar's Daughter.

Our Way Back to Always Nina Moreno,2021-10-19 To All the Boys I've Loved Before meets Morgan Matson in this effervescent romance about childhood best friends reconnecting that's full of sunny days, warm nights, first kisses, and mended hearts. Luisa (Lou) Patterson grew up across the street from Sam Alvarez in the small, quirky town of Port Coral. They used to be inseparable—spending every holiday together, shooting silly YouTube videos, and rescuing stray cats. But then middle school happened, including the most disastrous (and embarrassing) serenade ever, and Lou and Sam haven't talked in the four years since. Sam is now the golden boy with plenty of friends, while Lou is an introverted romantic who's happy playing video games and writing fan fiction. But it's also the summer before their senior year, and life is knocking on Lou's door. With her older

sister having given up a scholarship to Princeton to have a baby and work at the local botanica, all of their mother's expectations are now riding on Lou's shoulders. She's retaking her SAT's, signed up for way too many AP classes, and her sights set on colleges with fancy names like Duke and Vanderbilt. But when she finds the bucket list she and Sam wrote together as kids, before Sam's father was diagnosed with cancer, she's shocked to see that she hasn't accomplished any of the goals she'd set for herself. Go to a party? Nope. Pull the greatest prank of all time? Still no. Learn how to be a really good kisser? Definitely not. Torn between the future that her mother, sister, and younger self planned for her, Lou sets out to finish the list, and in a stroke of destiny or fate, Sam decides to tag along. Still trying to stay afloat amid the grief of losing his father, Sam himself is staring down a future that feels all too close, and is coming far too fast. But with the bucket list to guide them, Sam and Lou might just be able to find a way through the future, and also a way back to each other.

Reclaiming Lives from Sexual Violence Tim Donovan,Dale Johns,2022-03-28 This book takes an innovative approach to using narrative therapy in counselling people who have been subject to childhood sexual abuse. Reclaiming Lives from Sexual Violence presents an illustrative case study of the authors, Tim the therapist in consultation with Dale the client, who was sexually abused as a child by a clergy member. The book is unique in documenting their therapeutic work using transcripts taken directly from their sessions together. This narrative approach invites the reader to consider different ways of engaging in therapy in order to challenge the dominant social discourses around masculinity and shame. Looking at shame from a position of value awareness rather than a deficit perspective, this book extends counselling to consider the individual experience as political and one that must be shared outside the one-to-one therapy environment. This will be an essential resource for beginning or established therapists and practitioners working with clients who have been victims of sexual violence.

From multi-award winning author, Richard Yaxley, comes a story of connectedness, family and the power of truth.

One Spoon on This Earth Hyun Ki-young,2013-09-26 An autobiographical novel that takes a life to pieces, putting forward not a coherent, straightforward narrative, but a series of dazzling images ranging from the ordinary to the unbelievable, fished from the depths of the author's memory as well as from the stream of his day-to-day life as an adult author. Interweaving flashes of the horrific Jeju Uprising and the Korean War with pleasant family anecdotes, stories of schoolroom cruelty, and bizarre digressions into his personal mythology, One Spoon on this Earth stands a sort of digest of contemporary Korean history as it might be seen through the lens of one man's life and opinions.

A Chemical Prison (Inspector Ikmen Mystery 2) Barbara Nadel,2012-04-26 Inspector Çetin Ikmen and forensic pathologist Arto Sarkissian have been friends since childhood, and their work together in Istanbul's criminal justice system has only served to cement their friendship. When they're both called to a flat to investigate the death of a twenty-year-old, there is no reason to think their relationship will alter. The case, however, is a strange one. Ikmen learns from the neighbours that they have never seen the man enter or leave the flat. The only visitor they're aware of is a solitary, well-dressed Armenian. Stranger still is that the limbs of the body are withered, and the victim seems to have been kept prisoner inside a gilded cage. What is it that's making Ikmen's old friend Arto, himself an Armenian, especially uncomfortable about the case?

The Girl Who Belonged to the Sea Katherine Quinn,2021-11-10 One woman chosen by the God of the Sea. A king hellbent on saving his mysterious island home. And a forbidden romance that could destroy them all. Trapped in a society ruled by men, Margrete, daughter of a nefarious sea captain, accepts that the only way to escape her power-hungry father's cruel hand is to marry the wealthy Count Casbian. Cunning in her own right, Margrete yearns to craft her own fate, to flee to the sea, and to lose herself to the aquamarine waves that have called to her since birth. Bash, a devilishly handsome warrior seeking revenge, believes the beautiful daughter of his greatest enemy is the key to breaking a curse inflicted upon his people. On the day of Margrete's nuptials, Bash kidnaps the bride, whisking her away to an island where he reigns as king. Shielded from the mortal realm, Margrete finds herself on the fabled shores of Azantian-the birthplace of impossible magic... and a keeper of monstrous secrets. But secrets are not the only thing Margrete finds on the island, and Bash isn't the heartless rogue she once believed. Unable to hide her feelings, Margrete must choose between a forbidden love and a destiny spun for her by the God of the Sea himself-A god that has set his sights on Margrete... and the potent magic awakening inside of her soul. The first book of this exciting fantasy trilogy is perfect for readers who love high-seas adventures, swashbuckling heroes, and forbidden, steamy romance. Fans of Clare Sager's Beneath Black Sails and Sarah J. Maas's A Court of Thorns and Roses will be enthralled.

Upstream Dan Heath,2020-03-03 Wall Street Journal Bestseller New York Times bestselling author Dan Heath explores how to prevent problems before they happen, drawing on insights from hundreds of interviews

with unconventional problem solvers. So often in life, we get stuck in a cycle of response. We put out fires. We deal with emergencies. We stay downstream, handling one problem after another, but we never make our way upstream to fix the systems that caused the problems. Cops chase robbers, doctors treat patients with chronic illnesses, and call-center reps address customer complaints. But many crimes, chronic illnesses, and customer complaints are preventable. So why do our efforts skew so heavily toward reaction rather than prevention? Upstream probes the psychological forces that push us downstream—including “problem blindness,” which can leave us oblivious to serious problems in our midst. And Heath introduces us to the thinkers who have overcome these obstacles and scored massive victories by switching to an upstream mindset. One online travel website prevented twenty million customer service calls every year by making some simple tweaks to its booking system. A major urban school district cut its dropout rate in half after it figured out that it could predict which students would drop out—as early as the ninth grade. A European nation almost eliminated teenage alcohol and drug abuse by deliberately changing the nation’s culture. And one EMS system accelerated the emergency-response time of its ambulances by using data to predict where 911 calls would emerge—and forward-deploying its ambulances to stand by in those areas. Upstream delivers practical solutions for preventing problems rather than reacting to them. How many problems in our lives and in society are we tolerating simply because we’ve forgotten that we can fix them?

MARTians Blythe Woolston,2015-10-13 In a near-future world of exurban decay studded with big box stores, daily routine revolves around shopping—for those who can. For Zoë, the mission is simpler: live. Last girl Zoë Zindleman, numerical ID 009-99-9999, is starting work at AllMART, where your smile is the AllMART welcome mat.” Her living arrangements are equally bleak: she can wait for her home to be foreclosed and stripped of anything valuable now that AnnaMom has moved away, leaving Zoë behind, or move to the Warren, an abandoned strip-mall-turned-refuge for other left-behinds. With a handful of other disaffected, forgotten kids, Zoë must find her place in a world that has consumed itself beyond redemption. She may be a last girl, but her name means “life,” and Zoë isn’t ready to disappear into the AllMART abyss. Zoë wants to live.

Summer Sons Lee Mandelo,2021-09-28 Lee Mandelo's debut Summer Sons is a sweltering, queer Southern Gothic that crosses Appalachian street racing with academic intrigue, all haunted by a hungry ghost. Andrew and Eddie did everything together, best friends bonded more deeply than brothers, until Eddie left Andrew behind to start his graduate program at Vanderbilt. Six months later, only days before Andrew was to join him in Nashville, Eddie dies of an apparent suicide. He leaves Andrew a horrible inheritance: a roommate he doesn’t know, friends he never asked for, and a gruesome phantom that hungers for him. As Andrew searches for the truth of Eddie’s death, he uncovers the lies and secrets left behind by the person he trusted most, discovering a family history soaked in blood and death. Whirling between the backstabbing academic world where Eddie spent his days and the circle of hot boys, fast cars, and hard drugs that ruled Eddie’s nights, the walls Andrew has built against the world begin to crumble. And there is something awful lurking, waiting for those walls to fall. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
