Baba's Rinanubandh Vinny Chitluri,2011-04-08 The word 'Rinanubandh' literally means 'Karmic debt'. It is an impossible task to write the exact meaning of this word, as a lot of nuances are lost while doing so. When you read the lives of Baba's devotees you realise that it has deeper meaning. A bond that has existed for many generations. His devotees came from varied backgrounds. Some highly educated, others were rustic villagers. Some were young, while others were middle-aged and set in their ways. They went to Shirdi not knowing what to expect. Others went there by chance. But once they met Baba their lives were changed forever. And the 'Karmic bond started unfolding. Thus they returned time and again to be with the living God who blessed them and gave them a handful of udi. In the years that followed, no matter what befell them they knew that Baba was always with them. This book is a kaleidoscope of leelas, photographs and the lives of Baba's devotee. It will make the reading of Shri Sai Satcharita easier and fruitful.

The author, a westerner devoted to science and logic, spent many months with Satya Sai Baba to substantiate these miracles.

Shirdi Sai Baba Sri Kaleshwar Kaleshwar, 2011-01-01 This book tells the life story of the Baba legendary Indian saint Shirdi Sai Baba, through the words of Sri Kaleshwar, one of India's most highly respected spiritual leaders. It shares the deep hidden meaning of this great soul's divine life and actions. Sri Kaleshwar says, In my meditation visions, I saw the major things Baba did in his life, like a movie. Any person can see a soul's life through the power channels. He was a simple character, enjoying the divine fragrance of his life. It's one of the best divine stories ever written. It's a blockbuster movie. Living as an outcast on the outskirts of Shirdi for eighteen years before spending the rest of his life in a dilapidated temple he named Dwarkamai, Shirdi Sai Baba lived as a simple beggar while performing miraculous healings and taking the pain and suffering of the whole globe. I am Grandfather to all people, he said, Whoever calls me heartfully, I am there. I will take care of you wherever you are. Shirdi Baba's life demonstrated the unity of all religions. No one knew which

religion he belonged to. He was revered by Hindus, Muslims and Christians alike. He said, All human beings are one. Our religion is humanity, God is one.

Mast - The Ecstatic Mohanji,2020-09-19 Karl Marx spoke about the have and the have nots. A third kind always existed in Bharat (ancient India) since time immemorial and continues to this day - those who could have anything but wanted nothing. The Mæsts. Remaining always in inner ecstasy and living in complete freedom and abandon, they walk the earth to remind you of your lost glory. To go within. To be in ecstasy within yourself. To be You. To be a Mæst. Learn about these amazing Mæsts and the grand Tradition that they represent, through the fascinating life of Atmananda Chaitanya. Atmananda is not just a person. He is a wake-up call. This book may awaken people from the illusions of activities into the lap of beingness, totality and completion. This is the story of a possible journey of an ordinary man from a unit to the Universe. He is everybody. He is everything. He is YOU.

At the age of nineteen and a half, he felt an irresistible urge to go to the Himalayas in quest for his great Master. He finally met his Master at the Vyasa Cave, beyond the Badrinath shrine. After spending three and half years with his Master, wandering freely across the length and breadth of the Himalayan ranges, he was instructed to go back to live in the plains and lead a normal life. Baba's Gurukul Vinny Chitluri,2011-04-08 This book begins from the small village Shiladhi, where a young fakir clad in white arrived with a marriage party. He stayed on and his divine powers were slowly recognized by the laity around him. Slowly the dilapidated Mashid mayee gets transformed into Dwarka Mai lit up by the warm Dhuni Mai and the ever burning lamps. Vehement skeptics and devotees flock alike to Shirdi, as the Kul-adhipati Sai Baba gathers them in his Gurukul. The book describes in details the various well known miracles of Baba and illustrates their meaning in a lucid manner. The author brings a rear insight and an almost personal touch to this book as she describes the various articles used by Him and the places He visited regularly. This book came about by this irresistible urge to share Shirdi, so readers can profit from it. The articles used and handled by Baba are with the Sansthan so the readers can see them and gain insight in their significance.

Just Keep Faith D. R. Whitmoyer,2010-08 24 November 2007 It's been quite a week. I am alone. I work alone, I eat alone. Once my replacement leaves, I will be more alone. Alone and I don't do so well together. With much love, writing from the end of the earth My entire life I've been the daughter

of a U.S. soldier. It was only recently that I fully understood the impact this would have on my life. Some days, just watching the news makes me cry. I can laugh and joke about politics and people going overseas, but then there are times when even a short war scene chokes me up. Reality sets in all over again, and I find myself worrying for hours on end. Where is she? How is she? When is she coming home? It's a daily reminder that my mother is overseas and that any day, any time, I could get a phone call saying something happened. Unless you've felt this feeling, you have no idea how far into the pit of your stomach it reaches. In my mother's letters, she writes about how alone she feels. Well, I feel it too. I'm alone here, missing her. Just Keep Faith is D.R. Whitmoyer's collection of letters and e-mails from her mother, a United States soldier. She's pieced them together—along with photos and short anecdotes of her own—to offer an emotional glimpse into life on the other side of the world. Military families and civilians alike will no doubt find hope and comfort as they view the reality of war through the eyes of one of America's brave heroes.

American Book of the Dead, 2005 With over 120,000 copies sold, this unique contemporary work brings the timeless Tibetan Bardo teaching into current American culture and language, with 49 days of readings for someone who has died or who is preparing for the dying experience. This book has been and still remains an important tool for providing a spiritual service to a dying person as opposed to grieving, processing loss, or mourning for that person's passage. Front matter includes Notes on the Labyrinth (or the Bardo...) and other commentary by the author that provides insights for an American reader who wishes to provide this guiding service to a family member, spouse, friend, or anyone who is terminal. The reading instructions very clearly outline when and what to read, without any limitation of belief system--the practice is presented as non-denominational, not requiring Buddhist or Christian or Jewish prayers, but also not in conflict with any of these. A schedule of

readings shows graphically how to carry out the full series of 49 days of readings, at approximately 10 to 20 minutes per reading. The book has been in use since 1974 in various editions, taught in university courses on Death & Dying and related subjects (it is referenced in a recent handbook of acting exercises, for example...), and used by hospice workers and nurses internationally. The American Book of the Dead is often referenced in discussions of the 1970's West Coast spiritual renaissance, and many of the baby boomer generation will recall it in circulation when they were in college or beginning their careers. Translated editions have appeared in Spanish and Greek languages, with editions in preparation in German, French, Italian, and Polish. There is a course available by correspondence and on the internet that gives additional training for readers who wish to pursue the practice of performing Labyrinth Readings or Bardo guiding as a service to others--beyond one's own family and personal network.

Geeta Vahini Bhagawan Sri Sathya Sai Baba, 2015-05-01 Bhagawan Sri Sathya Sai Baba wrote a series of articles under the Vahini series, for Sanathana Sarathi, a monthly magazine being published by Sri Sathya Sai Sadhana Trust, Publications Division, Prasanthi Nilayam. These precious articles are brought out now, under the title "Geeta Vahini", in this book, for the benefit of readers. This is not a commentary or summary of the divine message that was given by Lord Krishna to Arjuna. It conveys the same message in a simpler form to us, in order to remove our delusion and confer faith and strength on us, so that we may realise our own reality. Bhagawan says, "Drawing on the Divine that is inherent in us is the lesson of Geeta... Arjuna is the jiva and Krishna is the Deva. When both are in contact, impregnable might results... Krishna had to work in and through Arjuna, so that the reign of Dharma (righteousness) is re-established. Arjuna means white, pure, unblemished. Hence, he is the proper instrument." We too can become proper instruments in restoring Dharma, if we follow the

lessons that Bhagawan teaches through this book.
