

Sailing In The Mediterranean

Rod Heikell

Mediterranean Sailing Rod Heikell,1988

The Adlard Coles Book of Mediterranean Cruising Rod Heikell,2018-02-22 This is the perfect guide for anyone cruising in the Mediterranean by Rod Heikell, the acknowledged expert on Mediterranean sailing.

Thoroughly updated, this new edition conveys the magic of Mediterranean cruising, as well as giving practical first-hand advice on sailing these enticing waters. Although the Mediterranean provides wonderfully diverse cruising opportunities, it can also deliver a few surprises to the unwary. In this invaluable practical guide, Rod Heikell provides sound advice on: anchoring, berthing bow or stern-to, what weather to expect, facilities and the costs of keeping a boat there, plus advice on navigation, popular routes, formalities and what to expect ashore. Each country around the Mediterranean is covered, and there's even a handy section on shoe-string cruising for those on a tight budget. 'Offers time-served advice to both the novice and the old-hand.' Nautical Magazine

A Warm Sea Ben Ho,2014-04 This is a whimsical story of a couple who decided to leave their comfortable suburban life in Canada and embark on a journey of exploration and self-discovery by living on board their sailboat and cruising the Mediterranean. More of a travelogue than a sailing how-to, this book takes the readers through the joys and challenges of the cruising life. Starting with how they became attracted to sailing in their hometown in southern Ontario, through how they acquired the sailing skills and competencies for sailing in open waters, selecting a suitable boat, and sailing to and visiting exotic countries throughout the Mediterranean, the book is written with poise and humor. It is about life under the perpetual blue sky, on the warm waters of the Mediterranean Sea, the fascinating and varied cultures and histories from the Middle East to the Tuscan Islands, the warm and friendly people they met, the challenges of the boating life, and the irresistible cuisines. The book contains enough details on sailing to whet the appetite of the readers who are sailors, while introducing the world of boat handling to non-sailors without getting technical. For the arm-chair sailors and dreamers, this book vividly illustrates how a couple-next-door pursued and realized their dream. Yes, you can do it too!

Gentle Sailing Routes to the Mediterranean Michael Briant,2018-06-21 The passage from the UK down to the Mediterranean does not need to be like an 'outward' bound course. The book is designed to help the lightly crewed boat, with perhaps only a couple of people on board, who are without much or indeed any 'offshore' experience, have a relaxed and enjoyable time. If you follow the route, suggested by the author, who has sailed to and from the Mediterranean, many times, in all sorts of boats, you will find it a very gently cruise, making landfall each afternoon in a relaxed fashion. It details the ports, marinas and route you should use between the UK and Gibraltar. There are of course 'hundreds' of options but some are very much better than others and you need to know which should be your port or marina of choice. It is important to know if a port has 'must see' places to visit or has it got a launderette, good WiFi connections, places to eat at a reasonable price, if the broken 'widget' can be repaired there or easy flights back to the UK - it is also important to know the places you should avoid! It is the cruise of a lifetime, occupying a summer or maybe two, so it does need planning. The book contain 'chartlets', pictures, port and marina guides. At home it will make it will enable you to plan and prepare for your voyage in a knowledgeable and sensible way.

The Adlard Coles Book of Mediterranean Cruising Rod Heikell,2008-05-07 First-hand advice on sailing these enticing waters.

Sea Dreams Rob Peterswald,Rosemary Peterswald,2010 Rob and Rosemary Peterswald, the authors of the best-selling titles *From the Sea and Beyond the Shore*, explore the Western Mediterranean on their yacht *Sea Dreams*. The Mediterranean Sea has been the cradle of western civilisation. From the earliest times it has nourished ancient empires, spawned countless legends and has been the scene of epic battles that have changed the course of history. Today it remains a place of beauty and danger, joy and pain, indulgence and austerity, and as much as ever, a crossroads of the world. On their cruise, the Peterswalds visit Sardinia, Corsica, Elba, the Balearics, Sicily and the coasts of France and Italy, capturing the beauty of the 'Middle Sea' and its wondrous coastline. They sail past high rugged mountains protected by ancient fortresses, anchor in enchanting bays and visit mystical cities that date from antiquity. This beautifully photographed book celebrates the joy and vibrancy of life in the Mediterranean, a life that still follows the rhythms of the ocean and the seasons. This book is for anyone who loves the excitement of travel to breathtaking localities steeped in history and culture, fantastic food and stunning photography and just the love of the open sea and sailing.

Sailing There Patricia Vellinga,2009 Looking for a new adventure, Patricia Vellinga and her husband buy a boat-a big boat that turns out to be more a yacht kit than a yacht. Their simple plan is to cruise Europe and the Mediterranean for one year. Their journey, however, is far from routine. As Pat and Ray motor through the canals of Holland, Belgium, and France, then sail to Italy, Greece, Turkey, and Spain, they find beauty and danger, towering locks, salty characters, peaceful anchorages, treacherous winds-and even a forest fire. Forced at gunpoint to cast off into the raging Sane River, they struggle to safety. Even so, they get hooked on a cruising lifestyle that takes them well beyond their one-year plan. *Sailing There, Cruising Across Europe and the Mediterranean* is a rich and entertaining tale of a couple's lively voyage with the wind through ancient ports and

history.

The new sailing directions for the Mediterranean sea, the Adriatic sea ... the Archipelago [&c.]. John Purdy,1826

Mediterranean Cruising Handbook Rod Heikell ,2012-10-04 This fully updated 6th edition has had a complete facelift and is now published in full colour in a new format. Throughout, the work has been updated, and in places expanded. It now includes a list of useful waypoints and routes for the entire Mediterranean which are shown on overprinted charts folded into the back of the book. The Mediterranean Cruising Handbook is a constant companion to the Imray Mediterranean Almanac and provides information on climate, equipment, radio, navigation, routes to the Mediterranean, history, marine life, food and basic information on each Mediterranean country.

Laurie and Whittle's New Sailing directions for the Mediterranean Sea ... and for the coast without the Strait of Gibraltar, from Cape St. Mary into Cadiz, etc. Second edition ... enlarged Laurie & Whittle,1811

Sailing Directions for the Strait of Gibraltar and the Mediterranean Sea ... John Purdy,1841

The RYA Book of Mediterranean Cruising Rod Heikell,2004-04 The huge inland sea of the Mediterranean presents wonderfully diverse cruising opportunities, but far from being a calm lake it can also deliver a few surprises to the unwary. In *The RYA Book of Mediterranean Cruising*, Rod Heikell provides first-hand advice on sailing these enticing waters. From tips on anchoring, berthing bow or stern-to, what weather to expect, facilities and the costs of keeping a boat there, to advice on navigation, popular routes, formalities and what to expect ashore, each country around the Med is covered - including a section on shoe-string cruising for those on a tight budget. This book will prove invaluable to Mediterranean novices and old-hands alike.

Warfare on the Mediterranean in the Age of Sail David S.T. Blackmore,2014-01-10 Between the last battle fought entirely under oars in 1571 and the first fought entirely under steam in 1866, naval warfare in the Middle Seas and adjacent Atlantic waters was dominated by the sailing warship. This exploration of that distinct period in military history begins with an overview of the galley warfare that dominated the Mediterranean for millennia and a discussion of the technological developments, including the sail and the cannon, which led to the galley's demise. Subsequent chapters discuss the role of sailing ships in every major conflict on the Mediterranean from the 16th century Eighty Years War to the late 19th century Austro-Prussian-Italian War. In addition to the major battles, the book also highlights smaller encounters between single ships or light squadrons, important conflicts often overlooked in naval histories.

Sail for the Mediterranean Claire James,2003-09-30 A planning guide for would-be long-term cruisers, particularly those who prefer to keep a pied-a-terre rather than cut all ties with home. It includes: routes to and from the Mediterranean; boat modifications; necessary documentation; good cruising grounds; managing house/garden/car/mail whilst away; over-wintering and visits home; and likely costs.

Seraffyn's Mediterranean Adventure Lin and Larry Pardey,2010-06-09 Join Lin and Larry onboard their cruising cutter Seraffyn as they explore the history-laden waters of the Mediterranean Sea. For three years they meandered under sail, eastward from the rocky monolith of Gibraltar to the imposing stone ramparts of Malta. They share stories here of the kaleidoscope of people who filled their days along the way: from the British military officers who joined them for races to the officials who turned them into smugglers (not of drugs but of a boat-full of yeast, flower, vegetables and propane - and eventually twenty dollars worth of noodles!) Lin's warmhearted storytelling will draw you into their cruising life and reveal the secrets that kept this well-known couple wandering the watery reaches of the world for more than forty years. Lin and Larry paid for their apparent freedom by working along the way - delivering and repairing yachts, and writing for magazines around the world. Their motto - Go Small, Go Simple, Go Now - has inspired thousands of potential voyagers to stop dreaming and set out to sea. The Pardeys weave a tale of people and anecdotes that makes for marvelous armchair cruising. If you've read earlier works, you won't be disappointed. If you're new to the spell of the Pardeys, this will surely hook you. -- Yachting

Pilot Charts of Mediterranean A. Phillips,N. O. A.A.,2011-11-26 COMPLETE BOATING WEATHER INFORMATION FOR THE MEDITERRANEAN SEA.Now including links to a free app.. This is the complete original Atlas of Pilot Charts + Also now included is 10 year wind & weather information collected by NASA satellites. This is modern latest data. Highly useful for planning boating passages.Pilot Charts depict averages in prevailing winds and currents, air and sea temperatures, wave heights, ice limits, visibility, barometric pressure, and weather conditions at different times of the year. The charts are intended to aid the navigator in selecting the fastest and safest routes with regards to the expected weather and ocean conditions.Few sources of information are more important to offshore sailors than a pilot chart -- and they are fascinating to study even if you never go five miles from port. In essence, they contain frequency and strength of wind from every direction, month by month, for every 5° square of every ocean. Their data are the result of hundreds of years of observation by mariners.

Each atlas contains a pilot chart for every month of the year.

Rick Steves Mediterranean Cruise Ports Rick Steves,2016-09-13 Set sail and dive into Europe's magnificent port cities with Rick Steves Mediterranean Cruise Ports! Heading north? Pick up Rick Steves Scandinavian & Northern European Cruise Ports.

Seraffyn's Mediterranean Adventure Lin Pardey,Larry Pardey,2011-09 Lin and Larry Pardey's first book, Cruising in Seraffyn is credited with launching 50,000 dreams. This third book in the Seraffyn series chronicles the three years spent exploring Ulysses wine-colored sea . Lin and Larry meander under sail, eastward from the rocky monolith of Gibraltar to the imposing stone ramparts of Malta. Along the way they share stories of the kaleidoscope of people who filled their days, from the naval officers who joined them for day races to the officials who helped turn them into smugglers (not drugs but a boat full of yeast, flour and vegetables and eventually twenty dollars worth of noodles!) But it is not just the shore side stories that will keep you intrigued, just as compelling are the clear concise descriptions of the days and nights they spent at sea. Lin's warm hearted story telling will draw you into her cruising life and show you the secrets that kept this well known couple wandering the watery reaches of the world for more than 40 years.
