Heaven Starts Now Fr. John Riccardo, 2016-09-01 Once we have encountered the Lord Jesus, how do we keep growing in Christ? How do we let the Lord mold us and make us into missionary disciples capable of spreading the gospel? Instead of just trying to get into heaven, how do we live the life of heaven now so that we can become saints? In this book, Michigan pastor Fr. John Riccardo helps us dive into the Scriptures so that we can apply them to our daily lives. In his inspiring and incisive way, Fr. Riccardo addresses the obstacles we all face in becoming mature disciples. How do we learn to forgive? How do we combat fear and understand suffering? How do we worship the Lord, love others as Christ loves us, and fully surrender our lives to God? If you've enjoyed Fr. Riccardo's gifts of teaching and preaching through his broadcasts and podcasts, this book is for you!

Unruly Saint D.L. Mayfield, 2022-11-08 In 1933, in the shadow of the Great Depression, Dorothy Day started the most prominent Catholic radical movement in United States history, the Catholic Worker Movement, a storied organization with a lasting legacy of truth and justice. Day's newspaper, houses of hospitality, and ministry of paying attention to the inequality of her world would eventually become world famous, just as she--a high-energy activist with a cigarette in one hand and a coffee cup in the other--would become a figure of promise for the poor. The ways in which Day and her fellow workers both found the love of God in and expressed it for their neighbors during a time of great social, political, economic, and spiritual upheaval would become a model of activism for decades to come. In *Unruly Saint*, activist, writer, and neighbor D. L. Mayfield brings a personal lens to Day's story. In exploring the founding of the Catholic Worker movement and newspaper by revisiting the early years of Day's life, Mayfield turns her attention to what it means to be a good neighbor today. Through a combination of biography, observations on the current American landscape, and theological reflection, this is at once an achingly relevant account and an encouraging blueprint for people of faith in tumultuous times. It will resonate with today's activists, social justice warriors, and those seeking to live in the service of others.

Dorothy Day John Loughery, Blythe Randolph, 2021-03-02 "Magisterial and glorious" (Pittsburgh Post-Gazette), the first full authoritative biography of Dorothy Day--American icon, radical pacifist, Catholic convert, and advocate for the homeless--is "a vivid account of her political and religious development" (Karen Armstrong, The New York Times). After growing up in a conservative middle-class Republican household and working several years as a left-wing journalist, Dorothy Day converted to Catholicism and became an anomaly in American life for the next fifty years. As an orthodox Catholic, political radical, and a rebel who courted controversy, she attracted three generations of admirers. A believer in civil disobedience, Day went to jail several times protesting the nuclear arms race. She was critical of capitalism and US foreign policy, and as skeptical of modern liberalism as political conservatism. Her protests began in 1917, leading to her arrest during the suffrage demonstration outside President Wilson's White House. In 1940 she spoke in Congress against the draft and urged young men not to register. She told audiences in 1962 that the US was as much to blame for the Cuban missile crisis as Cuba and the USSR. She refused to hear any criticism of the pope, though she sparred with American bishops and priests who lived in well-appointed rectories while tolerating racial segregation in their parishes. Dorothy Day is the exceptional biography of a dedicated modern-day pacifist, an outspoken advocate for the poor, and a lifelong anarchist. This definitive and insightful account is "a monumental exploration of the life, legacy, and spirituality of the Catholic activist" (Spirituality & Practice).

Saints Around the World Meg Hunter-Kilmer, 2021-08-16 The lives of the Saints are one of the most powerful ways God draws people to himself, showing us the love and the joy we can find in him. But so often, these Saints seem distant--impossibly holy or dull or unlike us in race and age and state in life. In *Saints Around the World*, you'll

meet over one-hundred Saints from more than sixty countries, including Saints with different disabilities, strengths, and struggles. The beautiful illustrations and captivating storytelling will introduce you and your children to new heavenly friends while also helping you fall more in love with Jesus. Each story in this book is written not only to capture the imagination but also to speak about God’s tremendous love and our call to be saints. There are stories in Saints Around the World for when you feel like life isn’t fair, when people are being unkind to you, when you’ve made a terrible mistake, when you’re struggling at school, when prayer is hard. And there are stories of shouting down Nazis, of fleeing a murderous villain, of making scientific discoveries, of smoking a cigar while enemy soldiers amputate your leg. There are scared Saints, brilliant Saints, weak Saints, adventurous Saints, abused Saints, overjoyed Saints, disabled Saints—and the point of every one of them is the love of God. Whether you’re checking the map to find Saints who look like you or perusing the extensive indices to find Saints with your skills or struggles, you’ll find countless stories in this book that remind you how very possible holiness is.

Holy Women, Holy Men Church Publishing,2010 Fully revised and expanded, this new work is the first major revision of the liturgical calendar of the Episcopal Church in more than 40 years! It is the official revision of Lesser Feasts and Fasts and authorized by the 2009 General Convention. All commemorations in Lesser Feasts and Fasts have been retained, and many new ones added. Three scripture readings (instead of current two) are provided for all minor holy days. Additional new material includes a votive mass of the Blessed Virgin Mary, many more ecumenical commemorations, plus a proper for space exploration. For years the oft revised volume, Lesser Feasts and Fasts (LFF), has served parishes and individuals mark part of the holiness of each day by providing Scripture readings, a collect, a Eucharistic preface, and a narrative about those remembered on the church's calendar that day whose lives have witnessed to the grace of God. Holy Women, Holy Men (HWHM) is a major effort to revise, but also to expand and enrich LFF. Where LFF provided two readings (gospel and other New Testament) plus a psalm, HWHM adds an Old Testament citation. Where LFF was limited to few non-Anglicans in the post-reformation period (and few non-Episcopalians after 1789), HWHM dramatically broadens appreciation for other Christians and their traditions. Over-emphasis on clergy is redressed by additional laity, males by females, and in-church activities by contributions well beyond the workings of institutional agendas. These almost daily commemorations occupy over 600 of the book's 785 pages, by far the lion's share of its content. Remaining sections address: principles of revision and guides for future revision; liturgical propers for seasons (Advent/Christmas, Lent, and Easter); and new propers for a miscellany of propers usable with individuals (or events) not officially listed in the formal calendar. Two cycles of propers for daily Eucharist are also included, one covering a six week period, the other a two year cycle.
