Earl Austin, Jr.

The PHL in the STL Earl Austin, 2007

*Full Court* Greg Marecek, 2006 *Full Court* tells story of an often-forgotten but remarkable time in St. Louis sports history--the era of the NBA's St. Louis Hawks. Author Greg Maracek has woven together a compilation of interviews from the Hawks players to deliver a history of a former perennial power in the National Basketball Association. Between 1955 and 1968, pro basketball closely rivaled the attention--and at times outstripped the success--of the baseball's St. Louis Cardinals. A storied rivalry with the fabled Boston Celtics is credited by many as the single most important catalyst to the national growth of NBA interest. Names of Hawks' stars became legendary to basketball fans. Leading the way is Hall of Fame superstar Bob Pettit, the first player to score 20,000 points--and later 25,000--in a career. Other Hall of Fame Hawks include Cliff Hagan, Slater Martin, Len Wilkens, and Easy Ed Macauley. Pettit's 50-point performance in the 1958 championship game, NBA doubleheaders at Kiel Auditorium, owner Ben Kerner's sometimes wild and wacky postgame promotions, division and conference titles, sold-out crowds, Bill Russell, Wilt Chamberlain, Bob Cousy, and one incredible St. Louis World Championship season makes for riveting reading not only for fans of St. Louis sports but also for lovers of NBA lore. Greg Marecek has been in the sports business for 35 years, serving as a sportswriter and editor, sportscaster, national sports syndicate, and sports-radio owner. He is a member of the Missouri Sports Hall of Fame.

The St. Louis Hawks Greg Marecek, 2007-09 *Tributes* a team that helped propel the NBA to national prominence. Great Hawks vs. Celtics coverage.

**The Phl in the Stl** Earl Austin, Jr., 2009-04 This book celebrates the

history and great achievements of those who participated in the great Public High League, which produced some of the best high school basketball ever played in the St. Louis area and the state of Missouri. The players and coaches who competed in the PHL have left a lasting legacy and their contributions to the area basketball scene will never be forgotten. In this publication, the author recapture some of those great memories through the hundreds of photos collected as well as the great stories as told by the former athletes and coaches themselves. The book chronicle the history of the PHL in many special sections. There are sections that spotlight the great players of the league as well as the great coaches and great teams and programs. Many of the athletes who appear in the section on great players were voted by fans of basketball who filled out ballots because they wanted to assure that certain players were recognized.

The Hermann Double Team Steve Wieschhaus, 2013-01 Basketball was the talk of the town in Hermann, Mo., in March 1969 when its two high school teams qualified for the final four state tournament in Columbia. The Hermann High Bearcats (Class M, medium-sized school) and the St. George Dragons (Class S, small school) put the town of 2,500 into the spotlight for basketball fans. More than 40 years after moving from the community, author Steve Wieschhaus tells the story of that dream season for the two schools, neither of which had ever played for a state basketball title. The success of these teams - one would win the championship and the other would lose in the semifinals before claiming a state championship the following year - led to the St. Louis Post-Dispatch newspaper calling Hermann the Basketball Capital of Missouri. Two extraordinary coaches led the teams: Don Gosen at Hermann High

and Dennis Kruse at St. George High, both back at their alma maters guiding young players just as they had been guided. This must-read for basketball fans at any level includes play-by-play description of the games that made history. This is a great story of small town Missouri basketball, the people involved and the importance it played in their lives. - Norm Stewart, former University of Missouri Men's Basketball Coach A great small town hoops story. True basketball fans will appreciate the research that went into writing this book. - John Brown, former Dixon High, University of Missouri, and NBA player Author Steve Wieschhaus has been a basketball fan most of his life. He witnessed this dream season firsthand while a freshman at St. George High School during the 1968-69 season before moving to Centralia, Mo. He attended Nicholls State University in Thibodaux, La., on a basketball scholarship, earning an education degree. Wieschhaus was assistant coach (and then head coach) for the women's basketball team at Nicholls State before teaching and coaching in Welsh and Westlake, La. He served as a high school assistant principal and principal before becoming director of Warehouse Services with the Calcasieu Parish School System in Lake Charles, La. He currently lives in Lake Charles with his wife, Connie, and has a son, Heath, and a daughter, Rachel.

*Sweet Charlie, Dike, Cazzie, and Bobby Joe* Taylor H. A. Bell, 2010-10-01 In urban and rural high schools throughout Illinois, basketball is a Friday night ritual. Local games are often the biggest thing happening all week, and the Thanksgiving, Christmas, and state tournaments attract fanatical fans by the thousands. Far from the jaded professionals, the stories in Taylor Bell's *Sweet Charlie, Dike, Cazzie, and Bobby Joe* are of hungry young men playing their hearts out, where high-tops and high hopes inspire hoop dreams from Peoria to Pinckneyville, and Champaign to Chicago. Bell, a life-long fan and authority on high school basketball in Illinois, brings together for the first time the stories of the great players, teams, and coaches from the 1940s through the 1990s. The book is titled for four players who reflect the unique quality of high school basketball, and whose first names are enough to

trigger memories in fans who love the sport -- Sweet Charlie Brown, Dike Eddleman, Cazzie Russell, and Bobby Joe Mason. Bell offers exciting accounts of their exploits, told with a journalistic flair. Beyond a lifetime spent covering the sport, Bell's research includes three hundred and fifty personal interviews with coaches, administrators, family members, and fans. He has attended the Elite Eight finals of every boys' state basketball tournament since 1958, and met and written about many of the most outstanding teams, coaches, and players who helped to make Illinois one of the most exciting arenas for high school basketball in the United States. Sixty photographs add depth to the accounts. By a fan, for the fans, Sweet Charlie, Dike, Cazzie, and Bobby Joe is the authoritative book on high school basketball in Illinois, and will elate anyone who has thrilled to the poignant highs and shattering lows of high school sports.

**Blue Yonder** Lonnie Wheeler, 1998 What Hoosiers did for Indiana basketball, this perceptive title does for the fantastic culture of basketball in Kentucky. Never before has a book looked so closely into the soul of Kentucky basketball.

**Maybe You Need a More Dynamic System** Ed Harris, 2021-08-20 This story follows Coach B as he develops his coaching system based on developing responses to the game's 13 Triggers. Coach B, with the guidance of his personal "Yoda," Gramps, helping him create the swarming, fast paced, constantly attacking, "Piranha System." Coach B learns to help his players differentiate between the Magnificent 7 and the Covert 6 Triggers and how to use codes, cues, options, and essential keys to respond to each Trigger. This is a great book for High School Coaches.

**All In** Porter Moser, 2020-02-16 Porter Moser—the new head coach of Oklahoma men’s basketball team and one of the most inspiring and driven basketball coaches today—offers a practical and motivating guide to help build character, transform failure into success, find purpose, and live an authentic life through energy and positivity. Porter Moser knows what it’s like to live and work with determination, passion, and grit. He also knows what it’s like to keep front-and-center the core values of faith, family, honesty, and integrity. Whether it’s recruiting, hiring, running drills, or just living day-to-day Moser walks the walk and talks the talk. Not that it’s always easy, but in *All In* he shows us that with enough practice it sure can look that way. Drawn from Moser’s life as a son, husband, father, and winning coach, this collection of inspiring, poignant and rousing lessons drives home the importance of being “all in”—meaning, fully dedicated to a task at hand. Revealing his ups and downs as both a college player and later as a coach, *All In* shows how Moser built his all-positive, no-negativity work ethic; how a second chance from legendary coach Rick Majerus helped Moser achieve new levels of success; and how, in 2018, he guided the No. 11 seed Ramblers through one of the most inspiring Cinderella stories in college sports history. With a rousing foreword from Sr. Jean, the lively and wise 100-year old chaplain of the Loyola Ramblers—*All In* offers sage advice for athletes, coaches, recruiters, sports fans, and anyone looking to develop the skills to lead on the court or in life. 2021 PubWest Book Design Awards, Bronze Medal: Sports/Fitness/Recreation 2021 Illumination Book Awards, Silver Medal: Biography/Memoir-Inspirational

*Make It Count* Mark C. Bodanza, 2013-06-28 In an age dominated by overhyped athletes who are sometimes short on character, JoJo White’s story offers a

refreshing look back at one athlete's career—a career that was the product of genuine good values. In *Make It Count*, author Mark C. Bodanza presents a biography of a man who triumphed both on and off the basketball court. White's story is interwoven with ours as a nation. His basketball days were shaped by—and in a few cases, helped shape—events of monumental importance. Race relations, the war in Vietnam, and political tumult across the land punctuated White's years as both a Kansas Jayhawk and Boston Celtic. Bodanza shows how, through his years on the court, the point guard from St. Louis, Missouri, maintained a steady contribution to the game that became his passion while still a child. With each passing game, season, or team that formed a part of his playing days, White stayed true to principles learned before he donned his first high-school uniform. *Make It Count* narrates a compelling chronicle of a sports career complete with drama, triumphs, and losses, as well as an affirmation that hard work has its reward. In life, as in basketball, JoJo White's approach to each opportunity that a new day presents has always been the same: make it count.
