**How to Write the Perfect Sales Page (Even If You're Not a Copywriter): The 12-Step Sales Page Template** Nathan Fraser,2019-03-20 Stop wasting money, sending traffic to a webpage that doesn't convert. Stop paying expensive copywriters who may or may not have any idea what they're doing. Stop staring at a blank screen, frustrated and clueless when it comes to writing your own sales page. In the past, these were your only options. All of that's about to change. My name's Nathan Fraser and I'm a direct response copywriter. That means I write sales letters and advertisements with a focus on

persuading people to buy. As more and more business moves to the internet, it means I'm also writing a lot more sales pages. Over the years, I've developed a formula for laying out sales pages that seems to work every time. The 12-Step Sales Page Template is that formula. I've used this template to bring in hundreds of thousands of dollars in sales for myself and my clients. It's worked for selling software, services, products, online courses and anything else you can imagine. I've taken lessons passed on from the masters of copywriting and applied it to how things get sold on the internet; namely, sales pages. This easy-to-follow guide breaks down how a sales page should function, step-by-step. In it, you'll discover: - How to grab attention with your headlines - How to keep people reading with your hooks- Why orange tennis balls are easier to sell than green ones (and how to use that information to make more sales of your own)- 10 different ways to write bullets that people can't ignore- Where the exact perfect place to put your Buy Now button is- A list of deal-killing words you never want to include on your sales page- 3 ways to increase the perceived value of your offer by adding a little bit of scarcity- How to make complete strangers feel comfortable with handing you their money- And a whole lot more This is the guide I wish I'd had when I first started selling things on the internet. If you've got an online business or an online store, this template will help you start pulling in more sales. Read it. Implement it. Start living the life of an online entrepreneur, today.

*The 16-Word Sales Letter(tm)* Evaldo Albuquerque,2019-08-08 The 16-Word Sales Letter(tm) is a copy system that has generated over \$120 million dollars for Agora Financial in the last two years alone. It's a simple formula that could help you generate millions in online sales... No matter how competitive your niche is....No matter what kind of product or service you're selling...And no matter your level of experience. That's because it can not only help you identify a new big idea for your market, but also help you structure your sales message for maximum emotional impact. If you're a copywriter, marketer or entrepreneur, you're about to discover a secret that could help you dominate your market, crush your competitors, and potentially add millions to your business and

personal bank accounts.

Advanced Praise for The 16-Word Sales Letter(tm)

This is the book I've been waiting for. For years, I've been asking myself: How can a guy whose native language is not even English be one of the best U.S. copywriters in history? Now I have the answer... nicely reduced to a simple, understandable formula. And the best thing is that it's a usable formula. Anyone seriously interested in copywriting should discover Evaldo's secret.

--Bill Bonner, Founder of Agora.

It's not often that I come upon a copywriting strategy that feels new to me. And even less frequently do I encounter one that is both new and exciting. Evaldo Albuquerque's 16 Word Sales Letter(tm) is such a strategy. I'm going to recommend this as a must-read to all my copywriting protégés.

--Mark Ford, best-selling author and chief growth strategist for Agora.

Evaldo is the world's greatest copywriter you've never heard of. Why haven't you heard of him? Because while others are self-promoting ... heck, while they're eating, sleeping and relaxing... he's cranking out the next blockbuster. He never stops. He's a 9-figure sales machine and our business's secret weapon. This book is your blueprint to how the machine dominates. Read it and put it into action. Your royalty check will thank you.

--Peter Coyne, founder of Paradigm Press, Agora Financial's largest imprint.

I'm recommending this book to everyone in my company, and making it required reading for all new hires. When it comes to books on writing I try to read everything new, and no matter how many books I pick up, I rarely find any ideas that are innovative (or even useful), but this book shattered my expectations--I found page after page packed with fresh ideas. It's engaging to read, and very easy to implement the writing techniques. Evaldo has uncovered a new way to write sales copy that is perfect for today's buyers; I really love this book, and after you turn the

first two pages, you'll see exactly why. It's a must-read primer for anyone who writes sales copy.... Read this book--and learn from one of the best. --Oren Klaff, best-selling author of Pitch Anything and Flip the Script Few people know his name. Yet, those at the highest levels of direct response advertising consider Evaldo Albuquerque the Michael Jordan of modern financial copywriting. His new book, The 16 Word Sales Letter(tm), reveals for the first time the secret to his astonishing success. In split tests, the selling formula Evaldo reveals in his book has won, repeatedly, against ad copy written by the world's top copywriters. When asked at a recent seminar I gave what are the two best books I've ever read on copywriting, my answer was Breakthrough Advertising by Eugene Schwartz and The 16 Word Sales Letter(tm) by Evaldo Albuquerque. --Caleb O'Dowd, [www.roitips.com](http://www.roitips.com)

**Technologies of Consumer Labor** Michael Palm, 2016-11-03 This book documents and examines the history of technology used by consumers to serve oneself. The telephone's development as a self-service technology functions as the narrative spine, beginning with the advent of rotary dialing eliminating most operator services and transforming every local connection into an instance of self-service. Today, nearly a century later, consumers manipulate 0-9 keypads on a plethora of digital machines. Throughout the book Palm employs a combination of historical, political-economic and cultural analysis to describe how the telephone keypad was absorbed into business models across media, retail and financial industries, as the interface on everyday machines including the ATM, cell phone and debit card reader. He argues that the naturalization of self-service telephony shaped consumers' attitudes and expectations about digital technology.

*Necromancer Awakening* Nat Russo, 2016-05-28 Knowledge in the absence of wisdom is a dangerous thing. Texas archaeology student Nicolas Murray has an ironic fear of the dead. A latent power connecting him to an ancient order of Necromancers floods his mind with impossible images of battle among hive-mind predators and philosopher fishmen. When a funeral service leaves him shaken and questioning his sanity, the insidious power strands him in a land where the sky kills and earthquakes level cities. A land where the undead serve the living, and Necromancers summon warriors from ancient graves to fight in a war that spans life and afterlife. If Nicolas masters the Three Laws of Necromancy, he can use them to get home. But as he learns to raise and purify the dead-a process that makes him relive entire lifetimes in the span of a moment-the very power that could bring him home may also prevent his return. For the supreme religious leader, the Archmage Kagan, has outlawed Necromancy, and its practitioners risk torture and execution. As warring nations hunt Necromancers to extinction, countless dead in limbo await a purification that may never come. Nicolas's power could be his way home... Or it could save a world that wants him dead.
