Sally the Shoe - Helpful Soles Karlie Belle Price,2020-12-03 Sally the Shoe, Helpful Soles is the first in a unique series of books designed to teach children love and acceptance. This heart-warming story features adorable, diverse shoe characters that children are sure to love. Sally and friends attend the town carnival, where they meet a homeless shoe, Harry. At such a young age, Sally shows great leadership and compassion as she gathers members of the community together to build Harry a home. First to volunteer was Flip who some thought was a flop. But he had a heart of gold so a flop He WAS NOT! Patent Leather Shoe Lou is too fancy some say, yet his laces got dirtier than all others that day. Along came Lyle the Loafer, known for being a lazy shoe. Yet he worked day and night and didn't stop til they were through. Volunteers like Flip the Flop, Patent Leather Shoe Lou and Lyle the Loafer remind us to never judge a book by its cover. Kids will love the vibrant, eye-catching illustrations and fun rhythmic style. We can feel like victims to circumstances out of our control. Beloved author Sally Clarkson understands deeply. Through almost seven decades of life, she has found herself tossed about in overwhelming life storms through many different seasons. Friends, Fashion and Fabulousness Sally Gray, 2017-11 Australia in the 1970s was 'the most creative place in the world'; stated the acclaimed shoe designer Manolo Blahnik. He was referring to the fashion and art worlds created by the principal characters in this book, first in Melbourne and then in Sydney, in the 1970s; 90s. With limited material resources, an abundance of originality and style, and seemingly unlimited creative energy, a group of young people helped transform the cultural landscape of inner Sydney. They recast the image of Australian fashion, linked with fashion and identity politics, established the 'look' of the Sydney Gay Mardi Gras, and reclaimed the urban. How did they do it? Linking fashion, art, sexual politics and diverse urban subcultures, Sally Gray describes a restlessly creative, culturally influential group of friends and collaborators as they moved to and from Melbourne, Paris, Sydney, London, Kuala Lumpur, Singapore, New York, and places in between. Four friends in particular form her central narrative: fashion designers Jenny Kee and Linda Jackson and artists Peter Tully and David McDiarmid. Their creative trajectories and interactions, their collaborations, passion and politics, continue to resonate in the present.

Sally's Team Vauna Jayne Armstrong, 2013-08-30 After performing a partial birth abortion, Dr. David Hampstead is disgusted with himself and seeks

forgiveness, becoming a Christian. A few months later, his mentor and friend (the doctor that talked him into doing the partial birth abortion) has a heart attack and won't go into surgery until David agrees to take his patient the next day. Against the advice of his good friend, Kyle-an anesthesiologist-David promises to help the woman. When he finds out that it is a late-term abortion, a plan hatches. They fake the abortion and actually deliver the baby alive and, with the help of an old rebel pastor, smuggle her to an adoption agency. Feeling that saving this baby, and more, is the right thing to do, they perform more fake abortions. Soon they are joined by others who love the Lord as well as unborn children. In spite of the danger of losing their medical licenses or going to jail, over the next two years, the team rescues over eighty babies from women with a broad variety of stories. They hope to be put out of business by the federal government outlawing late-term abortions rather than by getting caught.

Yet all too often, lighting – which does not just enable functionality, but also mood, aesthetics and flow – is misunderstood, or plain badly done. With so many options available, it's also all too easy to make mistakes; and with new technologies such as LEDs lasting a long time, these mistakes can be expensive. Offering practical insight and visual inspiration on successful lighting solutions and schemes, this is the most accessible lighting design guide, offering a toolbox of techniques to apply in practice. Written by one of the UK's leading lighting designers on both commercial and residential projects, it features a variety of real-world projects – large and small, old and new, interior and exterior, UK and global.

The Lincoln Highway Amor Towles,2023-03-21 #1 NEW YORK TIMES BESTSELLER More than ONE MILLION copies sold A TODAY Show Read with Jenna Book Club Pick A New York Times Notable Book, and Chosen by Oprah Daily, Time, NPR, The Washington Post, Bill Gates and Barack Obama as a Best Book of the Year “Wise and wildly entertaining . . . permeated with light, wit, youth.” —The New York Times Book Review “A classic that we will read for years to come.” —Jenna Bush Hager, Read with Jenna book club “Fantastic. Set in 1954, Towles uses the story of two brothers to show that our personal journeys are never as linear or predictable as we might hope.” —Bill Gates “A real joyride . . . elegantly constructed and compulsively readable.” —NPR The bestselling author of *A Gentleman in Moscow* and *Rules of Civility* and master of absorbing, sophisticated fiction returns with a stylish and propulsive novel set in 1950s America In June, 1954, eighteen-year-old Emmett Watson is driven home to Nebraska by the warden of the juvenile work farm where he has just served fifteen months for involuntary manslaughter. His mother long gone, his father recently deceased, and the family farm foreclosed upon by the bank, Emmett's intention is to pick up his eight-year-old brother, Billy, and head to California where they can start their lives anew. But when the warden drives away, Emmett discovers that two friends from the work farm have hidden themselves in the trunk of the warden's car. Together, they have hatched an altogether different plan for Emmett's future, one that will take them all on a fateful journey in the opposite direction—to the City of New York. Spanning just ten days and told from multiple points of view, Towles's third novel will satisfy fans of his multi-layered literary styling while providing them an array of new and richly imagined settings, characters, and themes. “Once again, I was wowed by Towles’s writing—especially because *The Lincoln Highway* is so different from *A Gentleman in Moscow* in terms of setting, plot, and themes. Towles is not a one-trick pony. Like all the best storytellers, he has range. He takes inspiration from famous hero’s journeys, including *The Iliad*, *The Odyssey*, *Hamlet*, *Huckleberry Finn*, and *Of Mice and Men*. He seems to be

saying that our personal journeys are never as linear or predictable as an interstate highway. But, he suggests, when something (or someone) tries to steer us off course, it is possible to take the wheel.” – Bill Gates
