Why? Well for starters, it's a disgusting job, but I think you'll agree that cleaning a bathroom is a task that is not to be taken too lightly, it can cause sickness or worse if you just let it be. It's a big job most of the time and often we don't know where to start, a lot of the time and we tend to leave it until it is so filthy that we can no longer stand it. But I think we can all agree that there is nothing more disgusting than going to someone's house and using a filthy bathroom. I once went to a friend's house and had to use their bathroom. single time you clean it. Well, I'm here to tell you that even deep cleaning it can be less of a big deal when you know how to go about it. All it takes is a plan, some rags, cleaners and some desire.
